To the Editor. It is now in these days of heated assertion to hear a good word for the Spanish cause in Utah...

The fact that they are rebels is made to excuse their actions... It is said that the great majority of the population of Utah...

It is a serious question whether this nation should defend a neighboring nation... It is not a states yet, but it is a nation...

The matter is without special interest in either the Spanish or Cuban cause... It is a matter of national interest...

We are glad to hear that you have been here with the States and our friends will never lose touch with you...

We are glad to hear that you have been here with the States and our friends will never lose touch with you...

We are glad to hear that you have been here with the States and our friends will never lose touch with you...

We are glad to hear that you have been here with the States and our friends will never lose touch with you...
