Indian Appropriation Bill.

WASHINGTON, 20.—In considering the Indian appropriation bill, Hitchcock submitted an amendment appropriating $4,000,000, to reimburse settlers for losses by Indian depredations; laid on the table.

Stevenson submitted an amendment requiring Indian agents to keep books containing their expenditures, accounts of contracts, etc., such books to be always open to inspection, to remain in the office at the reservation and to be handed over to their successors in office; any forced entry, or failure to comply with this provision, to be punished by a fine of not less than $500, nor more than $1,000.

Ingalls offered an amendment instructing the Secretary of the Treasury to pay to the Treasurer of the Cherokees $200,000 from the trust fund, to be used in purchasing breadstuffs for said Indians, who lost their crops by grasshoppers; agreed to. Some other minor amendments were offered and adopted, and the bill was reported to the senate, and all the amendments made in committee of the whole, not reserved, were concurred in.

A message was received from the house, announcing the death of Rice, Hersey, Hooper, and Crocker; the usual eulogies were delivered, and the senate adjourned.

HOUSE.

Eulogies.

At three o'clock all legislative business was suspended, and eulogies were delivered on the late deceased member, L. B. Rice, of Ills., A. H. Crocker, of Mass., Hooper, of Mass., and Hersey, of Me., after which the House adjourned.

EASTERN.

Indian Matters, &c.

WASHINGTON, 20.—In the Senate, during the consideration of the Indian appropriation bill, Mitchell submitted an amendment authorizing the Secretary of the Interior to remove all bands of Indians now located upon the Alsea and Siletz Indian reservation, in Oregon, to a new reservation two miles south of Siletz; the amendment was amended so as to provide that such Indians shall not be removed from their present reservation without their consent being previously obtained, and as amended it was agreed to.

An amendment, agreed to in committee, appropriating $30,000 for the payment of the improvements of the settlers of the Round Valley reservation, was rejected. Stewart endeavored to get in an amendment appropriating $20,000 for the general and incidental expenses of the Piute reservation in Southeastern Nevada, and $15,000 for the Walker River and Pyramid Lake reservation, and reducing the Piute reservation in S. E. Nevada to one thousand acres; but they were ruled out on points of order.

Spencer, of Alabama, introduced a bill authorizing the appointment of a commission to proceed to the Territory of Alaska after the adjournment of the present Congress, to inquire into the number of fur seals killed on the Islands of Saint Paul and Saint George, and if an increased number could be killed without jeopardizing the perpetuation of the fisheries, and for other purposes; referred to the committee of commerce.

Decision Affecting Utah Mines.

In the case of the Galena Silver mining company, in Utah *vs.* the Kempton mine, the Secretary of the Interior has overruled the motion for a rehearing, and has reaffirmed his former decision in favor of the Kempton applicants.

The Louisiana Report.

The Louisiana committee will report, through Foster, on Tuesday, and a minority report will be submitted by G. F. Hoar. The report of the committee, which will be signed by Foster, Phelps, Potter, and Marshall, will adhere to the original views presented in the subcommittee's report, and will contain a recommendation that a resolution, urging the proper authorities to give the control of the lower house to the conservative members be adopted by the House. Some of those signing the report will express their willingness to support a resolution formally recognizing the Kellogg government, but this resolution their report does not urge, because the rights of Kellogg have not been established by any evidence taken by the committee, but are admitted upon general rumor, and as the best possible solution of the present difficulties.

Fatal Collision.

NEW YORK, 20.—A collision occurred this afternoon in the Erie railroad tunnel, at Bergen, N. J., between several coal cars and a passenger train, by which the brakeman of the coal car, Patrick Savage, was killed.

Endorsed.

ATLANTA, Ga., 20.—The legislature, to-day, passed a resolution endorsing the Texas Pacific Railway, but leaves the subject of federal aid to the discretion and judgment of the Georgia senators and representatives.

News From the Black Hills.

SIOUX CITY, Ia., 20.—A letter has been received by Charles Collins, editor of the *Times*, direct from the party that left here in October for the Black Hills gold mines. They number thirty, are comfortably quartered near the centre of the hills, have had no trouble with Indians, have plenty of provisions and are prospecting with success. This is the first reliable news from this party.

Last Night's Dispatches.

EASTERN.

Another Compromise Plan.

NEW YORK, 21.—The *Herald's* Washington special says that the basis of the new negotiation for a compromise of the Louisiana difficulties, which Lt. Governor Penn and other prominent Louisianians have come to, and which will be presented to the President on Monday next, is substantially as follows: The conservatives object to the congressional committee assuming jurisdiction, considering the elections of '72 and '74 as they were separate and entirely different; it is agreed that the members of the legislature elected in '74 can give pledges and guarantees most ample and positive for their own future action, and the people will assent to let Kellogg alone, obey the laws and accord the *de facto* government recognition as long as the President sustains the Kellogg party in power. If, on the other hand, the conservatives cannot get the results of the election of '74, or so much as the congressional committee decide they are legally entitled to, they will not admit the legality of the Kellogg election, nor will they consent to express doubts as to what they believe to be the legal results of the election of '72; but as this question has perplexed the executive and legislative branch of the government hesitates to act upon it, it is not just to expect a caucus of the conservative members of the Louisiana State legislature to settle it. The conservatives further claim that they should not be required to recognize the illegal Hahn organization, and thus endorse or acquiesce in the acts of the fourth of January. As a further act of good faith, the conservatives agree not to press the Wiltz organization upon the republicans, but are willing that neither should be insisted upon, and to let the members declared by arbitration reorganize the House. The Louisiana congressional delegation, with the exception of Senator West, have approved the proposed compromise.

Fatal Accident.

While laborers were pulling down an old building, 121 First Avenue, yesterday, the walls fell in, killing William Davis and injuring two others.

Brownlow Turned Editor.

KNOXVILLE, Tenn., 21.—Senator Brownlow has purchased half the interest in the Knoxville *Daily and Weekly Chronicle*, which will hereafter be known as the *Whig and Chronicle*. The daily appears this morning with Brownlow's salutatory.

Immense Temperance Demonstration.

BALTIMORE, Md., 21.—There was an immense Catholic Temperance demonstration at the Maryland Institute to-night. Father Didier administered the pledge to three hundred members of the Society of St. Vincent. There is the greatest excitement ever seen here since Father Matthew's visit.

The Arkansas Question.

WASHINGTON, 21.—Various members of the House have prepared speeches on the Arkansas question, which will be considered during the past week. Both parties to the controversy are gathering strength for the contest.

About to Open the Campaign.

The Ohio republicans in Washington, recognizing that the coming election in Ohio will be the opening of the Presidential campaign of '76, met at the residence of Secretary Delano and, after an interchange of views, determined upon the early opening of a vigorous and aggressive campaign in Ohio. Commissioners were appointed to co operate with the state executive committee at Columbus, to prepare for the canvass.

Awards Agreed to.

The house committee on military affairs have reported in favor of a bill for the payment to the State of Oregon of $72,638 and to the State of California of $4,621, on account of the expenditures in the Modoc war.

A Snow Storm.

CONCORD, N. H., 21.—Eight to ten inches of snow fell in this vicinity last night; the roads are almost impassable and the trains much delayed.

Counterfeit Railway Bonds Discovered.

PORTLAND, Me., 21.—There is some uneasiness over the discovery of counterfeit bonds of the Leeds and Farmington R.R.; about $3,000 has been discovered, the full amount is yet unknown.

Railway Accident.

CHICAGO, 21.—The night express, coming east on the Chicago and Rock Island Railroad, was thrown from the track by a broken rail at ten o'clock last night; one passenger was killed and a number injured.

NORTH.

Fine Weather—Shooting.

HELENA, 21.—The weather is mild and pleasant.

A Ft. Benton report of the 12th says that Jeff Perkins shot and dangerously wounded Moses Solomons; cause unknown.

FOREIGN.

PRUSSIA.

Confiscated.

BERLIN, 20.—A German paper having published the recent encyclical of the Pope to the Prussian bishops, has been confiscated and the proprietors prosecuted.

Investigating.

The various states of the Empire are investigating the causes of emigration and, to remove them, it is proposed to facilitate the acquirement of small estates and to oppose the action of the emigration agents paid by trans-Atlantic governments.

SPAIN.

Complications Denied—The "Virginius" Indemnity.

MADRID, 20.—The report that complications have arisen between Germany and Spain in regard to the *Gustav* affair is denied; on the contrary it is asserted that their relations are of a cordial nature.

The *Politic* asserts that the indemnity to be paid by Spain to the relatives of the American victims of the *Virginius* affair has been fixed at $34,000 and that the convention will be signed immediately upon Cushing presenting his credentials to the new government.
