Long-Standing

Blood Diseases are cured by the persevering use of Ayer's Sarsaparilla.

This medicine is an Alterative, and causes a **radical change** in the system The process, in some cases, may not be quite so rapid as in others; but, with persistence, **the result is certain.** Read these testimonials:—

"For two years I suffered from a severe pain in my right side, and had other troubles caused by a torpid liver and dyspepsia. After giving several medicines a fair trial without a cure, I began to take Ayer's Sarsaparilla. I was greatly benefited by the first bottle, and after taking five bottles I was completely cured."—John W. Benson, 70 Lawrence st., Lowell, Mass.

Last May a large carbuncle broke out on my arm. The usual remedies had no effect and I was confined to my bed for eight weeks. A friend induced me to try Ayer's Sarsaparilla. Less than three bottles healed the sore. In all my experience with medicine, I never saw more

Wonderful Results.

Another marked effect of the use of this medicine was the strengthening of my sight."—Mrs. Carrie Adams, Holly Springs, Texas.

"I had a dry scaly humor for years, and suffered terribly; and, as my brother and sister were similarly afflicted, I presume the malady is hereditary. Last winter, Dr. Tyron, (of Fernandina, Fla.,) recommended me to take Ayer's Sarsaparilla, and continue it for a year. For five months I took it daily. I have not had a blemish upon my body for the last three months."—T. E. Wiley, 146 Chambers st., New York City.

"Last fall and winter I was troubled with a dull, heavy pain in my side. I did not notice it much at first, but it gradually grew worse until it became almost unbearable. During the latter part of this time, disorders of the stomach and liver increased my troubles. I began taking Ayer's Sarsaparilla, and, after faithfully continuing the use of this medicine for some months, the pain disappeared and I was completely cured."—Mrs. Augusta A. THE PATENT

Wire Gauze Oven Door

IS THE LATEST IMPROVEMENT ON THE

It Produces Perfect Results in Baking and Roasting never before attained in any Cooking Apparatus, and will

Revolutionize the Present Methods of Cooking

ITS THEORY

is that all Food Baked or Cooked, should be cooked in fresh air freely admitted to the oven. This is done by discarding the close oven door heretofore used, and substituting for it a door containing a sheet of Wire Gauze nearly as large as the door itself.

Through this Gauze Door the air freely circulates, facilitating the process of cooking, and producing food that is unequalled in flavor and nutrition, and actually cooked with less consumption of fuel than in an oven with a closed door.

It makes an enormous saving in the weight of meat.

It also produces larger Loaves of Bread, requires less attention from the cook, and promotes the health of the family by the SUPERIOR QUALITY OF THE FOOD COOKED IN IT.

OPINION OF AN EXPERT.

MRS. MARY B. WELCH, Teacher Domestic Economy, Iowa State University, says: "My deliberate judgment is that the oven of the Range, as compared with others, is not only more equally heated in every part—front and rear—but as a result of its superior ventilation the food placed therein is better cooked, while retaining a sweeter flavor, and a larger proportion of its best juices. I find, also the consumption of fuel in this Range is much less than any other for same work."

Congressional Programme.

WASHINGTON, Sept. 23.—The Senate has left no unfinished business, and the order in which this week's expected events may come up is problematical. The week's programme includes the passage of the general deficiency bill, a hundred or more private pension bills, and final action upon the sundry civil bill. No legislative business is likely to be accomplished by the House this week beyond action upon the two appropriation bills remaining undisposed of. They are the sundry civil bill and the general deficiency bill, which has not yet been acted upon by the Senate but which is expected to reach the House during the week. Unless the first named measure is reached before Tuesday it will be necessary to adopt another resolution extending the appropriation which is carried by the bill. The bill making an appropriation for the relief of the yellow fever sufferers is also likely to be reported from the appropriations committee, and the effort to secure consideration for it will doubtless result in some lively proceedings, as the opposition, though confined to one or two members, is very determined.

THE SCOURGE.

Decatur Deserted—Confidence at Memphis.

A DESERTED VILLAGE.

NASHVILLE, Tenn., Sept. 23.—A special to the *American* from Decatur, Ala., says: Today has been the gloomiest Sunday in Decatur's history; the sun even refusing its cheerful light. There are hardly more than 150 people in town. Two thirds of these are colored. Special trains with about fifty refugees left here last night. There were but two cases and no deaths today. One of today's cases is Dr. W. C. Buckley, one of the best physicians in Decatur. Total cases are 17; total deaths, 14.

CONFIDENCE RESTORED AT MEMPHIS.

MEMPHIS, Tenn., Sept. 23.—The city has been quiet today Confidence is restored and the feeling of uneasiness which amounted almost to a panic on Friday has given way to a more rational view of the situation.

The quarantine regulations of Memphis have caused a suspension of travel, and the result is shown in the few arrivals at the hotels. Business is virtually at a standstill throughout this section of country. The quarantine is working great hardships on many of the citizens who are absent from the city and cannot return.

President Hadden of the taxing district today issued a circular calling for fifty men as volunteers to act on picket duty on roads and on the river front, until the services of the militia can be secured.

THE GOVERNOR'S RESPONSE.

In reply to President Hadden's message, calling for the state militia, the Governor says: "I am powerless to comply, having no authority of law to call out the militia for such purposes, and am without a dollar of appropriation with which to pay them. If the militia sees proper to volunteer for such purposes I will not forbid it."

President Hadden immediately consulted with Major Carnes, commanding the second batallion National Guards, which resulted in an order calling upon the militia to report tomorrow morning for quarantine duty.

TRAINS STOPPED.

NEW ORLEANS, Sept 23.—A despatch from Meridian, Miss., says: The board of health this afternoon ordered all trains to be stopped. None will be allowed to pass through Meridian after today. Local trains on the Illinois Central and Mobile and Ohio roads between Cairo and Jackson, have been abandoned.

AT LOUISVILLE.

LOUISVILLE, Sept. 23.—Dr. P. B. Taylor, who has been attending yellow fever patients in Decatur, arrived tonight. He has symptoms of the fever, and was removed to the Eruptive Hospital, as was also B. Grant. No other case has developed here.

Small Boat Swamped.

NEW YORK, Sept. 23.—The Erie Railroad ferryboat this afternoon swamped a small boat between New York and the New Jersey shore, throwing three young men and a girl into the water. The girl and one of the men were drowned and the bodies swept away by the tide.

The Garrison in Danger.

SUAKIM, Sept. 23.—The rebels have been throwing shells today from an entrenched position within 900 yards of town. In spite of British firing they have failed in an attempt to plant a gun 5000 yards from town. The garrison is in a dangerous position owing to the likelihood that the rebels will capture the wells.

He Killed 150 Men.

ZANZIBAR, Sept. 23.—A conflict arose between German residents and coast tribes at Bagomoyo today. The German admiral landed with a force from Leipsic to assist the Germans, and killed 150 men without suffering a single casualty. General Matthews, who for fifteen years has been trusted by the natives, has fled from Pangani, having been nearly murdered. The rebels are declaring against all Europeans, and a general rising is feared. The Sultan has temporarily resumed the administration of Tanga and Pangani until the anti-German feeling has subsided.

Selling Wives to Chinamen Cheap.

CHICAGO, Sept. 23 — Sam Wah, a Chinaman, and his wife Augusta, a white woman, are locked up at the Armory police station, charged with bringing white women from Milwaukee and furnishing them as wives to Chinamen at $25, through their matrimonial agency. It is charged that four or five local Chinamen have been furnished with wives.

Thrilling Attempt to Rob a Train.

ST LOUIS Sept. 23.—A special from Schutenburg today says: A passenger train on the Southern Pacific today was stopped near Harwood last night by masked men who compelled the engineer to uncouple from the passenger coaches and pull out of the way. Conductor E. E. Shockelford was compelled to assist in uncoupling the engine. In the express car were United States Marshall John T. Rankin with Deputy Wm. Van Wiper and detective J. J. Kelley of the Southern Pacific service. Other officers were on the train. The company having been warned of the attack the west bound trains have been guarded by Marshall Rankin since last Wednesday. The robbers were soon on the mail car. "R fle the mail bags" commanded the leader of the gang. Two men took the engineer to the open door and as soon as his head peered into the open space, Bud West, mistaking him for one of the robbers, fired one barrel of his shotgun and the engineer fell back with an ugly wound in the cheek. The bandits then tried to make the fireman serve a like purpose, and when West sighted the fireman he discharged the other barrel of his gun, but fortunately missed the fireman. The bandits then returned the fire, and no less than fifty shots were exchanged, when the baffled robbers fled, carrying two of their wounded with them. There were ten in the gang. They will be pursued with bloodhounds.

DIAMOND WORDS.

★ "There are a few things that I believe in with all my heart, and it affords me pleasure to tell of one of them." The speaker was Ex-Senator Albert Merritt, head of the large fruit firm, 82 Park Place, N. Y., and the scene his office. "I was sick, and feared that I had I become fated to endure the tortures of dyspepsia and a dangerous affection of the Kidneys. A relative said to me: 'Why don't you try Dr. Kennedy's Favorite Remedy?' I did so. I grew steadily better, could eat, digest, sleep, work with a clearer head, and the yellow color of my skin had given place to the tones

And A Blessing

in time of need." Mr. A. DeRevere, Tarrytown, N. Y., says: "For a long time I was trouble; with severe attacks of Dizziness and Bilious Sick Headache. I thought it was due to impure blood and disordered state of the system. I was advised to try Dr. Kennedy's Favorite Remedy. I did so, and have been completely cured. It's the best thing I ever heard of for any disorder of that nature, and I've recommended it to many with like success." Mr. Daniel Fitts, Taunton, Mass., says: "I recommend Dr. Kennedy's Favorite Remedy

For Dyspepsia and Sick Headache.

I sufferod for many years with these complaints and was cured by Dr. Kennedy's Favorite Remedy." Mrs. S. C. Dougherty, Millville, N. J., says—"I had been a sufferer from Dyspepsia since I was sixteen years old. I could find no relief, and had almost given up in despair, when Dr. Kennedy's Favorite Remedy was recommended, which I tried and am now cured. It is the best medicine I know of."

DEFECTIVE EYESIGHT

Improved by a New and Perfect Method.

Eye, Ear, AND CATARRH

SUCCESSFULLY TREATED.

JUDGE CARLTON'S LETTER.

SALT LAKE CITY, August 7, 1888.

Dear Doctor:—Before leaving for the east I wish to express my appreciation of your treatment of a complicated case of the eyes. I have tried for several years to get far-seeing glasses, and I had concluded that I could get none that would be of any benefit to me. But after I saw the wonderful benefit of your system, I take pleasure in saying that the glasses furnished by you have restored my vision both for reading and far-seeing to the same condition as in my boyhood. I resolved to have you furnish me glasses after I witnessed your system applied to a beautiful young lady of 16 years, from Summit County, afflicted with a complicated condition of the eyesight. She told me she had never been able to distinguish one's face at a distance of six feet. With Dr. Prentice's glasses she could see as well as any one. As she looked up and down the street, and for the first time in her life saw the distant mountain tops, she was greatly delighted, and inquired with childish simplicity, "Do other people see this way?" It seemed that a new world was opened to her view, as novel and beautiful as "Eden's rosy bowers," appeared to our first parents.

Yours truly,
A. B. CARLTON,
Chairman Utah Commission.

DR. PRENTICE,
Salt Lake City, Utah.

The following are a few of the many cases of cross eyes Dr. Prentice has straightened in this city in less than one minute:

Geo. A. Smith, Salt Lake City.
Susie M. Shettler, Salt Lake City.
Frank J. Hocking, Salt Lake City.
Florence Peppers, Salt Lake City.
Lester Riggs, Salt Lake City.
Sarah Wilder, Salt Lake City.
Joseph McRae, Salt Lake City.
David M. Cambell, Providence, Cache County.
Catherine Bivens, eye turned outward, and many others.

PILES.

I have been tortured with Piles for many, many years, and have tried a great number of so called cures without any benefit. About two months ago Dr. Prentice treated me just once and has effected a perfect cure, and I feel confident from the condition I am now in they will never return.

DAVID S. DAVIS.
Spanish Fork.

For twenty years I have suffered very much with Piles. I have often been obliged to quit work, and had become discouraged of ever being cured. Two months ago Dr Prentice gave me one treatment, and I consider myself entirely cured. My health is better than it has been for years.

HUGH MOORE.
Spanish Fork.

I have been afflicted with Hemorrhoids (or Bleeding Piles) for the past twenty-five years. For several weeks past the pain has been so intense that I was forced to quit work. I found no relief either day or night, and was frequently compelled to walk the floor all night long, as it was impossible for me to sleep. In this condition I called on Dr. Prentice at the Continental Hotel, who, after a painless operation of less than one minute, relieved me from all pain, and I have been able to sleep and rest well ever since.

I consider myself perfectly cured, and unsolicited offer this testimonial for the benefit of those who may be similarly afflicted. HENRY GREGORY,
140 N. West Temple Street.

MADE HANDSOME.

Mr. B. H. Shettler, of Zion's Savings Bank, has a bright and intelligent little daughter nearly nine years old, but she has suffered the unfortunate disfigurement all her life of being badly cross-eyed. Susie M. Shettler's parents were very loath to trust any one to operate on her eyes. But they had faith enough to trust Dr. Prentice, and he has made the eyes perfectly straight, which was done in less than a minute, and Susie Shettler is now a handsome little girl, while her parents are well pleased.

SATISFIED AT LAST.

Geo. A. Smith of Salt Lake City is a young man favorably known throughout Utah. He has been troubled with a bad case of cross-eyes all his life. Several years ago he had an operation performed by an oculist, but it was not successful and did no good, consequently his faith was very much shaken about its ever being made straight. But at the Continental Hotel on Monday of this week Dr. Prentice made it straight in less than half a minute. Mr. Smith is delighted with the result and his friends astonished. Mr. Smith said it caused him practically no pain.

At Continental Hotel, Salt Lake City, until October 10.

NOTICE TO CONTRACTORS.

THE SCHOOL TRUSTEES OF THE 14th School District, Salt Lake City, are now prepared to receive tenders for the construction of a new school building in said ward. Preliminary specifications of the building required can be had of Reese Howard, Secretary of Board, Salt Lake City, Utah, on application on and after the 29th of August, 1888.

Bidders will be expected to furnish full plans and specifications with their tender so that the character of the proposed building may be fully ascertained.

Two sureties to be approved by the Board of Trustees and jointly and severally bound in the sum of $20,000, will be required for the due execution of the contract.

The Trustees do not bind themselves to accept the lowest or any tender, but will pay for the best plans and specifications accompanying any tender the sum of $50, and reserve to themselves the right to use, as they may select, any of the plans and specifications accompanying any tender upon the payment of $10 to party owning the same.

M. W. TAYLOR,
REESE HOWARD,
JAS. B GLASS,
Trustees.
