

Correspondence.

St. GEORGE, Utah,
October 2d, 1880.

Editor Deseret News:

Last Thursday, we had the pleasure of attending a social party in the Social Hall, given by Bros. Thomas and John Bleak. It was the first of the season and was a very agreeable affair. The benediction was pronounced at 11 p. m. A sensible time to close parties, which we understand will be the order here this winter.

The St. George Dramatic Association has recently been re-organized, with President J. D. T. McAllister as President, James G. Bleak and Miles P. Romney managers, and J. F. Gates Secretary and Treasurer. The company are now rehearsing the "Ticket of Leave Man," and will probably open the winter season with that play and "An Object of Interest."

Prest. H. Eyring left here en route for your city this morning. He will attend Conference and make fall purchases of goods for St. George C. M. I., a reliable institution, and one that is liberally patronized by the people.

Woolley, Land & Judd are doing a very thriving and prosperous business, having a large patronage from Silver Reef and most of the outside settlements, as well as home patronage. They also have several mail contracts, ore hauling, etc., which furnishes considerable labor for many of our people.

Our Presbyterian friends have hope largely developed, and are building a small lumber schoolhouse here, and are also fitting one up in Washington, intending to commence school immediately. Mr. Cort has two lady teachers to assist him; he exhibits more cheerfulness since their arrival, and appears to be anxious to regenerate (?) us poor Dixieites, and has become a regular attendant at our meetings, and we hope he will listen to the truth and obey it, if he does he will always be thankful that he came to Utah, if he does not, the testimonies he has heard will stand against him at the bar where all will be judged.

The weather is delightful here at present, cool enough to be pleasant, a nice time to visit our "oasis in the desert."

AMRAM.

EDITORIAL NOTES.

A marble statue of Senator Blaine by Simmons the sculptor has just been finished in Rome. It is considered the artist's best work.

An elephant belonging to John Robinson's circus got loose in a North Carolina town a few days since, and after killing his keeper, rushed wildly around the town, scattering the crowds in a most effectual manner. He was finally re-captured.

How authorities do differ! Col. Robert Toombs, Democrat, of Georgia, says that he is as certain that Hancock will be elected as that there is a God in heaven. Col. Robert Ingersoll, Republican, says that he is as sure that Garfield will be elected as that there is no God at all.

A campaign biography of General Hancock is being sent broadcast over the country at the nominal price of \$10.00 per hundred. It is felicitously entitled, "A Soldier's Story of a Soldier's Life," the author being General J. S. Brisbin, of the U. S. Army.

Nearly a million dollars are said to have gone from republican pockets in the East to Indiana, to save that state to Garfield. Perhaps those who spare the money expect a sufficient return when Garfield get into office, and perhaps they will get it.

An immense swarm of grasshoppers passed over a district of Texas, a short time since, destroying all the crops on the way, even eating up the cotton leaves. The swarm approached from the north, and was so dense for a time as to obscure the sun.

Vice-Admiral McClintock, of Arctic fame, does not believe the reports from the Esquimaux that some of Sir John Franklin's party were guilty of eating their dead comrades. The natives are very positive in their assertions, but it is claimed that they believe the practice a common one among white men.

T. de Witt Talmage told his hearers a week ago yesterday that the curse of God would come down up-

on this nation unless it extirpated "Mormonism." He also got off his old remark about utilizing United States cannon of the biggest bore in effecting this object. Whereupon his hearers, in their holy zeal to crush out an unpopular creed, applauded vociferously.

Save your Harness by oiling it with Uncle Sam's Harness Oil, which will keep it soft and pliable. This is the best Oil ever made for leather. Sold by GODFREY PITT & Co.

45 Years before the Public.

THE GENUINE DR. C. McLANE'S LIVER PILLS

are not recommended as a remedy "for all the ills that flesh is heir to," but in affections of the Liver, and in all Bilious Complaints, Dyspepsia, and Sick Headache, or diseases of that character, they stand without a rival.

AGUE AND FEVER.

No better cathartic can be used preparatory to, or after taking quinine. As a simple purgative they are unequalled.

BEWARE OF IMITATIONS.

The genuine are never sugar-coated. Each box has a red-wax seal on the lid, with the impression, McLANE'S LIVER PILL. Each wrapper bears the signatures of C. McLANE and FLEMING BROS. Insist upon having the genuine Dr. C. McLANE'S LIVER PILLS, prepared by

FLEMING BROS., Pittsburgh, Pa., the market being full of imitations of the name *McLane*, spelled differently, but same pronunciation.

O I O

WHAT PEOPLE SAY ABOUT
Williams' Lightning Cure:

South Cottonwood, June 30, 1880.

MR. WILLIAMS:
Dear Sir—My son had a very severe attack of Putrid Sore Throat, Mr. Williams' happened to call at my house at the time and by the timely use of one 50 cent bottle Lightning Cure, entirely cured him.

MRS. C. SMITH.

South Cottonwood, July 10, 1880.

MR. WILLIAMS:
Dear Sir—Your Lightning Cure is the best I ever used for Cramp, Colic, Headache and Toothache. I would not be without it in my family.

WM. ADAMSON.

Provo City, June 6, 1880.

MR. WILLIAMS:
Your Lightning Cure can't be beat for Toothache and Headache.

ALINE GRAVES,

South Cottonwood, August 23, 1880.

MR. WILLIAMS:
Dear Sir—I have been a sufferer more or less for about eighteen years, from overlifting, and can truthfully say that since using your Lightning Cure, I have been entirely free from pain. Two of my grandchildren were stricken down with diphtheria, and were completely cured in a short time by the use of two one dollar bottles. I cannot too highly recommend it.

MARIA FLAKE.

Alpine, June 9, 1880.

MR. WILLIAMS:
Dear Sir—I wish to let you know that your Lightning Cure has given me satisfaction in every case that I have tried it for Headache, Earache, Toothache, Coughs and Colds; and it can't be beat. I believe that if I had not had it on hand, I should have lost one of my children with croup.
