Continued for a Week.

PHILADELPHIA, 1.—At the request of the debtors, and by consent of petitioners, an order requiring Jay Cooke & Co., to show why they should not be adjudicated bankrupts, will be continued for a week.

Failed.

NEW YORK, 1.—Northrop & Chick, bankers of Wall St., suspended this a. m., heavy calls from western depositors the cause. They have no dealing with the Stock Exchange.

Hands Discharged.

The Danforth Locomotive Works, New Jersey, will place the employees of their foundry on half time, or work two gangs, on alternate days.

Forty employees of the Morris and Essex Railroad, at Hoboken, were discharged yesterday, and about 150 at other points, because of the inability of the company to obtain currency for disbursement.

Judgment Reversed—Committed to Jail.

The Court of Appeals reversed the judgment of the lower court and dismissed, with costs, the complaints against the Staten Island railroad company. These were the famous Westfield explosion cases.

Lucette Meyers has been committed to jail in Brooklyn, to be held as a witness in the trial of Kate Stoddard. She was before the grand jury to-day.

Hotel Opened.

OMAHA, 1.—The Grand Central Hotel was opened this morning.

Missing.

ST. LOUIS.—J. A. Stevens, cashier of the Mutual Life Insurance company, has been missing since Monday morning, and though an examination of his accounts has discovered that nothing is wrong, a package containing six thousand is missing from the safe, the key of which he took away with him.

An Uproar.

UTICA, 1.—When the Democratic convention had been temporarily organized, the committee on credentials and permanent organization were appointed. Resolutions were offered inviting the co-operation of the Liberal Republicans, and immediately Thos. J. Creamer, the contesting delegate of the Apollo Hall party, made a speech, disregarding the gavel and calls to order by the chairman, and hisses and shouts from the delegates. The confusion was so great that only an occasional word of the speech could be heard, by which Creamer was understood to denounce the convention, and to charge the chairman with packing the committee on credentials, and threatening to withdraw. The scene was ended by the committee taking a recess.

The convention assembled at 4:30 p.m. The committee on credentials reported unanimously that the Tammany delegation from New York was the regular delegation. A motion was made that the Apollo delegation be heard through one of their delegates, but a point of order was made, and sustained by the chair, that the report must first be acted upon. The report was agreed to, and the Apollo Hall delegation then left the hall. The committee on permanent organization reported Horatio Seymour for president, with a long list of vice-presidents and secretaries. Seymour then addressed the convention, urging it to nominate men of the highest character and undoubted capacity, and advising the Democrats and Liberal Republicans to unite in the coming election, which was sure to result in victory. A committee on resolutions was then appointed. The following resolution was called from the table and referred to the committee on resolutions:

"*Resolved*, that we recognize in the Liberal Republicans of the State of New York, worthy coadjutators in the work of reform, and that, appreciating their devotion to principle, integrity and pure government, we cordially invite their co-operation."

A resolution was submitted denouncing the back pay law of Congress, which was also referred to the committee on resolutions.

The convention re-assembled at eight o'clock. Caldwell, from the committee on resolutions, announced that it would be impossible for the committee to report before to-morrow morning. After debate, a motion to postpone the nomination of the ticket until ten o'clock to-morrow morning, was carried. Saml. J. Litden was unanimously made member at large of the State committee. The following resolution was unanimously adopted:

"*Resolved*, that this convention will not place on the State committee any man who has voted for or received back pay under the recent act of Congress."

The members of the State committee were then named, and the convention adjourned till ten a.m. to-morrow.

The Apollo Hall delegation, after withdrawing from the convention, went to Beggs' hotel, where they held a meeting, in order to compare views on the situation they were placed in. Some were in favor of nominating a ticket, others wished to remain here and demand admittance to the convention, others to adopt an address to the Democracy of the State, while others again and the largest number, were in favor of adopting a simple protest, and this view prevailed. The protest asserts that there was fraud and deception in the temporary organization of the convention and packing of the committee on credentials, and says that the Apollo Hall Democracy accepts the position and will appeal to the ballot box in November, to establish its fidelity to Democratic principles.

Confined to his House.

HINGHAM, Mass., 1.—The defaulting cashier of the Hingham National Bank is confined to his house by illness. The stockholders have voted to reduce the capital of the bank from $200,000 to 140,000, and to continue business.

Suspended.

BALTIMORE, Mo., 1.—Thos. Kemp & Co., grocers, suspended today; their liabilities are $90,000; their assets $80,000.

Pike's Peak Signal Station—Industrial Fair.

DENVER.—The United States signal station, on the summit of Pike's Peake, is nearly completed and will be dedicated with appropriate ceremonies on the 11th inst. The telegraph line to the summit is already completed, and when the station is fully established important scientific discoveries may be expected. The signal station is 14,216 feet above sea level. One observer and three assistants will remain on the summit all the winter. The new trail leading thereto renders its location accessible, excepting in the most severe weather. Dr. F. V. Hayden, the eminent Chief of the Government Territorial Survey, has purchased a home at Colorado Springs, near the foot of Pike's Peak, and will reside there permanently.

The eighth annual fair of the Colorado Industrial Association opened in this city yesterday. The display, in all the departments, will far exceed any previous exhibition, and the city is already full of people from all sections of the Territory, and many from Kansas and Missouri, as exhibitors or visitors.

Ku Klux to be Hanged.

RALEIGH N. C.—The first Ku Klux trial before the state courts came off before Judge Watts, in the Johnson County Superior Court, this week, and resulted in the conviction of the guilty parties of the murder of two men, one white the other colored. On the sixth of September they went in disguise to the house of the colored man, dragged him out and whipped him to death. The murderers were sentenced to be hanged on the thirteenth of November.

CENTRAL AMERICA.

Earthquakes—Military College—Religions Suppressed—Filibusters.

PANAMA, 22.—On the 23rd Aug. several shocks of earthquake were felt in Guatemala, but no damage was done.

A military college has been organized at Guatemala.

All religious corporations have been suppressed and their property confiscated.

At San Juan del Norte a vessel called *Fernandena*, Capt. Nelson, reported to the governor that a great many Americans from New Orleans had arrived with rifles, etc., and were committing excesses in Ruatan. A great many of these filibusters were blacks.

The disturbed condition of political affairs in Panama keeps business at a stand still. Troops are kept constantly under arms to provide against attack by the rebels, who are on the roads in the neighborhood of the city.

Another Cable.

News has been received at Valparaiso that the steamer *Hooper* had arrived at Pernambuco with fourteen hundred miles of cable for a line to Jamaica, and it is expected that communication with the United States and Europe, by that line, will be established in October.
