

## E. BUCKINGHAM TO BE APPOINTED.

Circular to Issue Naming Him as  
General Superintendent of the  
Oregon Short Line.

## CALVIN'S TITLE ABOLISHED.

There will henceforth be no Assis-  
tant General Manager for the  
System—Railroad News.

Late this afternoon a circular will be  
issued by General Manager W. H. Ban-  
croft of the Oregon Short Line, an-  
nouncing the appointment of Everett  
Buckingham as general superintendent  
of the system. The office of assistant  
general manager, left vacant when E.  
Calvin went to Portland as vice  
president and general manager of the  
O. R. & N., is abolished.

Mr. Buckingham arrived in Salt Lake  
last night and bright and early this  
morning was installed in Mr. Calvin's  
old office on the fourth floor of the Des-  
eret News building.  
Mr. Buckingham is an old-time Union  
Pacific man, having been with that  
system since April 8, 1889, when he en-  
tered the service as chief clerk in the  
car accountant's office. From Septem-  
ber 8, 1892, to Nov. 1, 1899, he was car  
accountant at Omaha, afterwards be-  
ing appointed superintendent of car ser-  
vice. On Sept. 1, 1899, he was made su-  
perintendent of car service. In 1901  
he was made superintendent of the  
transportation for the Union Pacific,  
which position he held until coming  
here. Mr. Buckingham is 46 years of  
age and was born in Lebanon, Boone  
county, Ind.

This appointment confirms the rumor  
to that effect printed in the "News" a  
week ago.

## H. M. CLAY GOES TO C. & S.

Former U. P. Agent Here Goes to Pueblo  
As City Ticket Agent.

Word has been received here in the  
form of a circular announcing the ap-  
pointment of H. M. Clay as city pas-  
senger and ticket agent for the Colora-  
do & Southern at Pueblo, Colo., effec-  
tive last Friday. Mr. Clay is one of the  
old timers here in Salt Lake where he  
was agent for the Union Pacific. He  
left the service to push a patented gar-  
bage burner which he believed was a  
money maker of large and generous  
proportions. Finally he left the city  
to again enter the railroad service.

Kilpatrick Bros. & Collins Unloading  
Outfits at Orin Junction.

Special Correspondence.

Lander, Wyo., March 30.—A report  
has reached Lander that the contract-  
ing firm of Kilpatrick Bros. and Col-  
lins, is unloading a large quantity of  
supplies at Orin Junction. This is taken  
to mean that contracts have either been  
let to the Kilpatrick or soon will be  
for construction of the Belgo-Ameri-  
can company's Orin Junction-Lander  
line.

The party of surveyors that has been  
working from Lander east has returned  
to town, having surveyed the line for a

## TWENTY YEARS AGO TODAY.

(DO YOU REMEMBER?)

Efforts to lynch two confessed murderers who had been found guilty  
only of "manslaughter" led to the fiercest rioting in the history of Ohio at  
Cincinnati. Every military organization in the state was called out, the court-  
house was burned to the ground, and not less than 35 people were killed, with  
65 wounded, during the three days the disturbance lasted.

Adelina Patti arrived in the city for the purpose of singing at the Tab-  
ernacle.

## TEN YEARS AGO TODAY.

Col. H. C. Lett's remains arrived in Salt Lake and after funeral services  
by the Odd Fellows, were shipped east for interment.

B. Nagarkar of India delivered his celebrated lecture on "The Hindoo  
People" before a fine audience at the Congregational church.

## FIVE YEARS AGO TODAY.

General MacArthur captured the Filipino capital, Manila.  
The Utah Sugar company declared its noted dividend of 25 per cent and  
announced that it would expend \$500,000 in improvements.

Evangelist Moody preached in the Congregational church.

distance of about fifteen miles. Hav-  
ing no camp outfits, this corps will do  
nothing further at this end. The corps  
working west from Casper have reached  
Wolton and will continue the survey  
on to a connection with the fifteen-  
mile strip surveyed east from this  
place. Chief Engineer Milton has es-  
tablished headquarters at Wolton.  
Lander and the adjacent mining dis-  
tricts are already beginning to feel the  
effects of the assurance that a railroad  
is to be built to Lander this year. Re-  
newed activity is noticed among the  
mines at South Pass and Atlantic City,  
where owners are arranging to resume  
or increase operations, as the case may  
be.

## HUGE CHOIR.

Granite Stake to Furnish 1,000 Voices  
For Sunday School Union Meetings.

Granite stake will furnish the singing  
at the Sunday School union meetings  
on Sunday next. This stake adjoining  
the city has of late been particularly  
active in a musical way and will fur-  
nish no ordinary choir, but close on to  
1,000 voices are promised, providing  
conditions of the roads improve so that  
conveyances can travel. Granite stake  
promises a body of singers composed  
of the members of the juvenile choir,  
numbering from 400 to 600 voices, a  
young people's singing class and the  
united ward choirs, the entire body to  
be under the baton of Prof. Evan  
Stephens. This event not only promises  
to be interesting for the singers but for  
the thousands who will attend the  
meetings from all sections.

## "HOODLUMISM"

Was the Topic of an Address Delivered  
By Principal Hallock.

Principal Hallock of the Franklin  
school spoke on "Hoodlumism" yesterday  
afternoon, before the meeting of city  
school principals. He referred to the  
numerous burglaries and other crimes  
committed in this city in the last year  
or so by young men, and thought the  
main reason was the immigration of  
foreigners who settle in the congested  
districts, and because the children of  
these people were not sent regularly to  
school. Mr. Hallock held that more  
of such boys should be sent to the Re-

form school, and at an earlier age in or-  
der to prevent their becoming con-  
firmed criminals. There should be a  
law compelling all boys between 14 and  
16 years of age, and the curfew laws  
should be rigidly enforced.

Mr. Hallock held that the employ-  
ment of young boys as messengers is a  
prolific school for criminals, and that  
there should be a law prohibiting em-  
ploying boys under 14 as messengers,  
and especially for night service. The  
speaker urged the co-operation of citi-  
zens and truant police in enforcing the  
law for compulsory attendance on  
school; also, that teachers visit the  
homes of troublesome pupils and ascer-  
tain the condition of things there. The  
matter will be taken up at the next  
meeting of the principals.

The spring and conference edition of  
the "News" to be printed Saturday,  
will be a great number to send away  
to friends interested in Utah.

## Ward Entertainments.

Today is the fifteenth anniversary of  
the organization of the Twenty-second  
ward, an event that is to be fittingly  
commemorated tonight when a grand  
reunion will be given in the ward hall.  
The program will consist of musical  
and literary numbers, after which there  
will be a sumptuous spread and an old-  
time dance, in which all the members  
of the ward are invited to participate.  
The Twenty-second ward has had but  
one Bishop since its organization, Al-  
fred Solomon having occupied this po-  
sition the entire time. His counselors  
are Elders John L. Nebeker and Arthur  
Winter, the former having also been in  
the Bishopric for 15 years. During  
this period the ward has been divided  
three times, the Twenty-third, Twenty-  
eighth and Twenty-ninth being created  
from its original boundaries.

What is known as the Pioneer Stake  
Minstrels will give performances in the  
Fifth ward hall tonight and tomorrow  
night, the first part of the program con-  
sisting of a modernized minstrel show  
and the entertainment to conclude with  
the laughable farce, "The Trouble at  
Satterlee's."

## Proper Treatment of Pneumonia.

Pneumonia is too dangerous a dis-  
ease for anyone to attempt to doctor  
himself, although he may have the  
proper remedies at hand. A physician  
should always be called. It should be  
borne in mind, however, that pneu-  
monia always results from a cold or  
from an attack of the grip, and by the  
proper treatment of these diseases a  
threatened attack of pneumonia may  
be averted off. There is no question  
whatever about this, as during the 20  
years and more that Chamberlain's  
Cough Remedy has been used, we have  
yet to learn of a single case of a cold  
or attack of the grip having resulted  
in pneumonia when this remedy was  
used. It is also used by physicians in  
the treatment of pneumonia with the  
best results. Dr. W. J. Smith, of San-  
ders, Ala., who is also a druggist, says  
of it: "I have been selling Chamber-  
lain's Cough Remedy and prescribing it  
in my practice for the past six years,  
I use it in cases of pneumonia and have  
always gotten the best results." Sold  
by all druggists.

The Saturday "News" spring and  
conference edition will contain a  
special article on the business outlook  
for 1904.
