STUDENTS WILL HOLD MEETING Good Effects of Gen. Vannovoski's Appointment Already Seen.

London, April 22 .-- A dispatch from St. Petersburg, dated April 22, says the wisdom of the czar's appointment of Hsi Liang, formerly governor of the province of Shan Si, has been appoint-ed governor of the province of Hupei. The foreign consuls at Hankow, cap-ital of the province of Hupei, have pro-tested this appointment to Chang Chi Tung, viceroy of Hankow, and have eent him a telegram advising him to delay proceedings in the matter of Hsi Liang's appointment. Gen. Vannovoski, as minister of public instruction, becomes more apparent daily. With the permission of the po-lice, the students of the university, technical institute and high school will hold meetings today to discuss various questions in which they are concerned. Gen. Vannovoski will attend the meeting of the university students.

CARTWRIGHT CONVICTED. Charged Lord Kitchener With Or-

dering No Prisoners Taken. Capetown, April 22 .- Albert Cartwright, editor of the South African News, who was arrested in Februar on a charge of sedition and defamatory libel in having published in his paper a statement that Lord Kitchener had secretly instructed his troops to take no prisoners, has been convicted and sentenced to one year's imprisonment.

Over Two Hundred Boers Taken. London, April 22 .- Lord Kitchener, in dispatch to the war office under date of Pretoria, April 21, says: Since my last report the British columns have captured 242 prisoners, 248 rifles, some ammunition and wagons and carts. A few men also have surrendered.

German Officials Have Been Watching for Him-Paterson Anarchists Knew Man by That Name.

New York, April 23 .- A dispatch to the Herald from Berlin quotes the Post of that city as asserting that Romagnoli, the alleged anarchist, has been arrested.

Commenting on the Berlin dispatch, the Herald says:

At police headquaters in this city last night it was said that nothing had been heard of the arrest of the anarchist, Romagnoli, alias Romanisso, alias Muelller. It was added that an anarchist maned Romagnoli was known to have been an associate of Paterson anarchists, but no attempt has been made to keep track of his movements, more than those of others of his class, while nothing has been heard of him for a long time. The news of his arrest was retime. ceived at headquarters with much satisfaction

England Decides to Retain in Service Those in China.

New York, April 23 .- It has been decided by the British government, the London correspondent of the Tribune says, to retain the services of the Australlan naval contingent in China, pro-vided the permission of the colonial authorities has been previously ob-tained. It had been hoped they might have been relleved ere this. Their services, however, have been of such a valuable character that the authorities determined to keep the men if possible. In all probability the contingent will not remain in China for some months

PRICE OF STEEL RAILS.

Price to be Advanced Within a Week from \$26 to \$28 a Ton.

New York, April 23 .- The Herald

Steel rail manufacturers state that within a week the price of steel rails will advance from \$26 to \$28 a ton. A meeting has been called for this week at which members of the pool will take action on an advance in price. The action on an advance in price. The autonomous regime; then the arbitrary increase, it is stated, will take effect rule of military government, and, finalon May 1.

The tonnage of steel rails placed so far this year exceeds that of any year in the history of the trade. It is es-timated that since the pool made the price of rails last fall, orders for more than 2,000,000 tons have been placed.

The etatements concerning rote of them as the and sensational, being neither probable as indicating an ex-tradictory that it seems hazardous to venture an opinion at the present time. It is assumed that there are foreign in the statements that have recently ap-

peared are to be explained by the fact that Porto Rico, after a period of uncerwith disfavor America's assertion of the Monroe doctrine, while this government is acquiring territory on the West Indies and in Asian waters, the obvious cause of the European dissatisfaction being the inhibition by that "The spirit of pessimism which a small element of the population seems intent doctrine of continental invasion and acquisition of South American territoacquisition of South American territo-ry. To these American officers who know how free from desire to acquire South American territory is the ad-ministration and probably the great majority of the people, this report is re-garded as calculated to create more alarm in South America than here. For if any of the South American countries obtained the impression that which the people are actively partici-pating is guaranteeing personal and

countries obtained the impression that Germany or France or Italy, in con-sequence of the importance of their interests in certain South American countries, were disposed to try their col ing experiments after grabbing terri-tory, the first hint of such a purpose would lead at once to an arrangement that would involve not only the in-vaded country, but the whole conti-nent, in a controversy with the con-tinental alliance. That distrust of the United States that has sometimes that all or even the greater part of the economic and political problems con-fronting the island have been solved. Nothing less than a miracle could have been manifested in Chili, Argentina, Venezuela and other South American republics, would be forgotten in tha event of an appeal to the Monroe doc-trine, with the probability that the tion has been laid for the gradual solu-tion of these important questions, such as the regulation of the coffee and to-bacco districts, the development of the fruit trade, etc., upon which the future prosperity of the island will largely decommercial interests of the invaders would be injured so badly that it would take years to overcome the damage wrought in a very brief campaign of pend. "It must be borne in mind that Porto

Rico has passed through three radical changes of political system in as many years. First came the change under Spanish rule from absolutism to the occupation and colonization. The common opinion among state de partment people about this suggested anti-American alliance is that until Europe can find a source of food sup-ply more convenient and cheap than the United States, there is not likely to ly, the more liberal system introduced by the Foraker act. It is not surprisbe an alliance for covering a scheme of land acquisition in South America ing that under such circumstances the spirit of unrest should have developed. It is only within the last six months that Porto Rico has quietly settled what European disturbances, as the no one can tell what complications, what European disturbances, as the
