GEO. A. CLARK,

It is the Best his

-Here is said to be how it is-President Hayes' married Miss Webb, Miss Webb's brother married Miss Matthews, Stanley Matthews' sister, Stanley matried a sister of Henry Watterson's mother. -The St. Louis Journal says, "While the country is getting ready to wipe out polygamy in Utah, it would be a good joke if Utah should

go into the wholesale divorce business for the entire Union." -The recent benefit to Mr. Compton at Drury Lane Theatre, London, produced in money actually in hand £3,250, performances

at Manchester produced £1,000 and the subscription list not being closed it was expected that the total would reach £5,000, a handsome testimonial to a veteran actor.

GOING CRAZY CONCERNING 'MORMONISM."

AMERICANS seem to be so constitu-AMERICANS seem to be so constitu-ted that excitement is a necessity the protection of the law, which to them. They evidently live upon so long delayed, renders the formait, and cannot live without it. As soon as they have got through with que "sensation," they are ill at Mountil another arises. Nor do they. In Micswber's fashion, wait they, in Micawber's fashion, wait till one turns up, but they set to work to turn one up, and devote themselves to magnifying it to the themselves to magnifying it to the utmost possible extent, as if it was a matter of life and death to them to have some sort of a sensation to feast upon continually, and the biggest kind of a sensation as often as

The country had but just got through with the electoral sensation, and that was not an ordinary get Chamberlain to assent to a ses-one, when the insatiatie appetite sion of the legislature whose undisfor that kind of mental aliment cried out for another, which has been found once more in 1996. been found, once more, in "Mor-monism," "Utah and the Mor-officers. This would elect Hamp-ton. Chamberlain should, in the mons," one of the most fertile of sensational subjects, and worth considerable to this republic on that account alone. Just now the newspapers throughout the Union are all directed towards Utah for their leading sensation and many of their leading sensation, and many of them strike wildly in the matter, as is the custom with many Ameri-can newspapers when they think they have struck a rich lead. In fact not a few of the journals that reach the Territory just now mising. seem as if their conductors had gone crazy, perfectly daft, on the subject. They are so overcome subject. They are so overcome with delight at having pleked up so promising a new sensation. They are calling for all sorts of extreme things to be dene, and urging their points with the senseless fervor and fury of enraged lunatics. It is not at all unlikely that an attempt will be made to inaugurate another crusade against the people of this Territory, for what adequate reason it; would be difficult to tell, the only apparent one being the working up of the public mind until it is "ex-

WESTERN. The Council of Nine.

LONDON, 31.—The Times correspondent says the protocol, in its final form, is a sort of solema call upon Turkey, recommending well-known reforms, which are specified. There is no question of Turkey's signing it. The same correspondent says Russia as presses her readines to treat directly with the Porte relative to disarmament, and for that purpose to receive a special commission from Turkey in St. Petersburg, thus removing the objection that Russia had to allowing the Powers any right of interference in the matter.

department to-morrow, in order to bring the force down to the actual requirements of the work. Another Reduction. Control of the interior details a shorthand prior to his second coming, and Babylon the great, allas the nations and institutions of modern Christendom, is preparing to fulfil its destiny. But the invitation is writer to be attached to the com-

mission, and to act as secretary. More About Oakey Hall.

The World says, inquiry in Boston says a person answering the description of Hall took passage in the Victoria, which sailed for Liv-

"Son of Man." Alas! say some, a very fine ptc-ture, but a gress delu ion, a vile imposture, &c. "A tree is known by its fults." Let facts speak. This so-called delusion has already giv-en homes and industrial Independ-ence to over one hundred thousand, for the most part homeless, laboring people. whose previously had engaged his possage on the 12th. The man claimed to be from people, whose income previously was barely enough to sustain life, not averaging per family more than one hundred and fifty dollars per Quebec, and O'Hara, the passenger first quite sure this person was not he. Yesterday morning, Super-intendent of the Boston and Prov-

idence Railroad, received a New York dispatch which led him to question O'Hara more closely re-garding the certain peculiarities of the strange passenger's appearance, and Folsom now expresses himself convinced that he was none other than Hall.
