

## THERE IS REASON IN ALL THINGS.

It is reasonable to conclude, that Benson's Caprine Plaster, having received the highest and only award at the Centennial Exposition, over all other plasters, having received the universal praise of the highest medical authority in the world, must possess unusual merit. Benson's Caprine Plaster was invented to overcome the slow action of the ordinary porous plasters, the only objection ever found to this otherwise popular plaster is that it will not even relieve. They relieve pain at once, and cure quickly the case which they relieve. They strengthen weak back, cure rheumatism, spinal and kidney affections, sciatica, lumbago, neuralgia, pains in the back, hips and sides. Persons easily affected by change of weather should wear these constantly during the winter season, as they are a sure preventive of colds. Sold everywhere. Price, 25 cts.

**FRAUD-BEWARE!** THERE ARE IMITATIONS of Benson's Caprine Plaster in the market. Some of them contain dangerous mineral poisons. Each genuine Benson's Caprine Plaster has the word Caprine cut through it. Take no other.

## The Rev. Henry Ward Beecher,

In his lecture on "The Wastes and Burdens of Society," claims "man's natural life to be 80 years, and as the average life is but 33 years, there must be a waste of 47 years." There is much of truth in this statement. If a man be unfortunate in business, it is attributed to the violation of some commercial law. Now if a person be taken off in the prime of life, ought it not to be attributed to the violation of some physiological law? If people only knew better, they would live better and longer; but how can they profit by that which they know not of? The only popular work that meets this great want is Dr. Pierce's Common Sense Medical Adviser. In it the great problems of disease and health are fully discussed. The work contains over 900 pages and 250 colored plates and wood-cuts. Price \$1.50 (post-paid). Address the author, R. V. Pierce, M. D., Buffalo, N. Y.

## They Can't Do It.

We understand that some physicians are crying out against HALE'S HONEY OF HOREHOUND AND TAR to their patients, telling them that it will do them no good, and endeavoring in every way possible to injure the sale of the same; but that cry comes too late, as the people of this city and country have learned by experience that this article is a certain cure for Coughs, Colds, Influenza, Hoarseness, Difficult Breathing, and all affections of the Throat, Bronchial Tubes and Lungs, leading to Consumption, and that instead of having to pay their physician from \$2 to \$5 for advice and prescription, and then paying their druggist for putting up the same from fifty cents to \$1, they can go to any drug store and get a bottle of HALE'S HONEY OF HOREHOUND AND TAR for the small amount of 50 cents, which is sufficient to cure any ordinary Cough or Cold, and \$1 size will annihilate the worst cases. Depot, Crittenton's, 7 Sixth Avenue, New York City. Sold by all druggists.

The *Millennial Star* will be mailed to any address, on receipt, by the publishers, of \$2.10. Three copies will be forwarded for \$4.20, the reduction being on account of the difference in postage. Address William Budge, 42 Islington, Liverpool, England. dswtf

The delicate membrane which envelopes the lungs, and lines the air passages, is exceedingly sensitive, and a slight irritation of it increases and spreads very rapidly. Remembering this, use, if you are attacked by a cough or cold, that incomparable pulmonary and preventive of consumption, I. E. HALL'S BALSAM FOR THE LUNGS, which invariably gives speedy relief and ultimately effects a complete cure in all cases where the breathing organs are affected. Use it in time and prevent serious bronchial trouble. Sold by all Druggists.

## TO PLAYERS

ON THE

## VIOLIN OR GUITAR.

With a view to making the sale of Strings for all Instruments a SPECIALTY, I have been casting about for strings having the best reputation in this country and in Europe, and have now been rewarded, not only in discovering the "BEST STRINGS MADE IN THE WORLD," but also in securing the GENERAL AGENCY for their sale in this and adjoining Territories.

These strings will be known in this market as "Calder's Strings," and will be numbered 30, 31 and 32.

No. 30, are strings known, for many years, by this number, to the leading musicians of the Territory, as the best strings hitherto offered in this market. Price reduced to 25 cts. each.

No. 31, are new unbleached American strings, made from Selected Material only; which have been severely tested by the leading Violinists of the country, and by them pronounced unequalled for PURITY OF TONE, STRENGTH and GREAT DURABILITY. Now offered here for the first time. Price 25 cts. each.

No. 32, "These strings have created a sensation in Europe." They are of Italian make, and were perfected in October 1877; since which time they have been thoroughly tested and used at the Conservatories and Opera Houses in Europe. Professors, Artists, Leaders and Members of the Opera Orchestras, in Naples, Padua, Rome, Verona, Venice, and Florence, Italy; Trieste, Austria; Dusseldorf, Prussia; Dresden, Saxony; Munich, Bavaria; and in all the leading cities of Europe; certify that these strings are WONDERFUL for their STRENGTH, DURABILITY, CLEARNESS OF TONE, READY RESPONSE to the TOUCH, as well for TRUENESS in comparing the fifths, and SUPERIOR TO ALL OTHERS MADE." I have copies of the certificates. Notwithstanding the high cost price of these strings, I will retail them at 30 cts. each.

I have other fine qualities of four length Italian Strings—No. 28, at 35 cts. for two strings, and No. 29, at 20 cts. each.

I purchase the above strings from the manufacturers, and can therefore guarantee their genuineness.

STEEL STRINGS. There are many eastern dealers selling an inferior article of steel strings because they are cheap. I get my supplies from the original manufacturers, and guarantee them genuine. Price, for violin, guitar or banjo, 30 cts. each.

If you cannot get my strings at the stores in your towns, send postage stamps for the amount, and I will mail them to you. Be sure to order by the number so that I may know the kind you want. A discount of 25 per cent will be made when a dozen is ordered. The trade supplied at regular prices.

DAVID O. CALDER,
