Attention.—Please tate notice of the call for the District Conventions to be found in our columns again this avening.

It will not be compared, with the great legitimate plays, but for to popular actor accelling to please an average audience, it is mood enough. Tom Taylor told the story of an escaped convict in the The Ticket-of-Leave Man, but he could not patent so much majorial as that atory presents in one play. The Black Flag deals with a semilar story, but has not followed the older production either in its typis of character or succession of incidents.
