

LOCAL AND OTHER MATTERS.

MEETING OF BOARD OF DIRECTORS.—A meeting of the Board of Directors of Zion's Co-operative Association will be held in President Young's office at 6.30 this evening.

THEATRICAL.—There was an excellent house on Saturday night. Miss Lockhart again played Lady Audley winning more laurels. The versatility she evinced in the directly opposite characters of Lady Audley, and "Nan the good for nothing," showed her to be the possessor of much histrionic ability.

INFORMATION WANTED.—Aaron Stein, Esq., Wells, Fargo & Co.'s office, wishes to obtain information concerning E. C. MOW-ATT, a native of Massachusetts, a machinist by trade, and who worked, it is said, sometime during 1898, with a contractor on the Union Pacific Railroad from this valley. He wrote to his friends stating that he would leave this city with a team and in company with a Mr. R. C. Davidson, for San Bernardino, Cal., on or about the 7th November, 1898, since which time he has not been heard from. Any information concerning him will be gladly received by Mr. Stein.

CALLER.—We had the pleasure of a call from Hon. J. M. Ellis, member of the late session of the Montana Legislature, and formerly a leading merchant in this city. Mr. Ellis worked energetically for his constituents, and we have been under obligations to him for documents forwarded during the legislative session. He is on his way east, but will remain a few days in this city to see old friends. He calculates to return to Montana some time in spring.

CO-OPERATIVE.—The Eleventh Ward co-operative society opened their store this morning for the sale of merchandise, etc., one block west and half a block north of the Ward schoolhouse.

DEED.—On Saturday evening at 7 o'clock, Willard Ray, only son of the late John Ray, died of diabetes at his mother's residence in the 13th Ward. Bro. Ray was 16 years of age and a boy of much promise. He had won by his unassuming and gentlemanly manners the affections of many friends, and his devotion to his widowed mother endeared him to all who were acquainted with him.

FUNERAL.—Yesterday morning, February 14th, Mary Elizabeth, only daughter of Theo. E. and Augusta E. Tracy, aged 6 years and 2 months. The funeral took place from the Townsend House to-day.

FROM ECHO.—Our Echo special informs us that the "burly gurdy" establishment which disgraced that place has dried up, and the tent has been bought and is now used as a warehouse. On Saturday a couple of fellows were caught whose worldly property was a pistol and the clothes they had on, and who had been trying to relieve a couple of Irishmen just paid off, of the money they had got, to the amount of a whole of about \$100. The pistol had no chamber emptied, and the target it seems, was one of the Faddies. The fellows will probably be committed for trial.

Another man was shot this side of Watson on Saturday evening, being the second "man for supper" during the week.

Justice Livingston keeps alive in the duties of his office.

LEGISLATIVE.
Feb. 13, 10 a.m.

COUNCIL.—(H.F.48). An act dividing the Territory into Road Districts and defining the duties of Road Commissioners, and for the protection of the public thoroughfare was read and referred.

(H.F.50). An act to provide for a Mechanics' and Laborers' Lien was passed, and the House notified accordingly.

Mr. Callender presented account of Patrick Lynch, Clerk 3rd District Court, which was read, and the committee on Claims and Appropriations were instructed to incorporate the same in the general appropriation bill.

Mr. E. Snow presented a petition of J. G. Bigler, and eighty-seven others, citizens of Nephi and Levan, praying for an appropriation for road purposes, which was read and referred.

Mr. E. Snow presented communications from J. T. Williams and A. P. Winsor, with regard to change of boundaries of Kane and Washington counties, and the removal of the county seat to Tropicville, which was read and referred.

Mr. Johnson presented (C.F.17). An act to amend an act entitled "An act concerning transfer of land claims and other property approved Jan. 1895," which was read and laid on the table to come up in order. Several other bills were laid upon the table to come up in their order.

Council adjourned till 2 p.m.

BANQUET AT HELENA.—The people of Helena, Montana, have been giving a grand banquet to acting-Governor James Tully, of that Territory, and the Lewis and Clark county members of the Legislature, in celebration of the success of the project to make Helena the seat of government for the Territory of Montana. From the bill of fare and other indications they must have had a grand time. The Post informs its readers that:

"Wine, culled from the vineyards of sunny lands, circulated freely, and the hearty sentiments of good will and friendship were drunk in the nectar of the gods."

We should think so from reading the speeches delivered upon the occasion. Nothing but nectar, or something equally good, could inspire some of the sentiments. One of the orators says that Montana is:

"A Territory fresh from the fingers of the Creator, all panoplied in jewels, with her pedestals of silver and her coronets of gold."

The writer in closing his report of the banquet says that:

"Taken altogether, it was one of the most delightful entertainments that ever graced in beauty the history of Montana. Time rang out the rosy hued hours until the chimes of 'two' floated over the social board, and dissolved the gathering of choice spirits who passed out into the darkness with the recollection of the night's carnival of joy to be to them a fragrant melody while with them lingers life."

Does not that smack of that same nectar culled from the vineyards of sunny lands?
