SUMMARY. Earned runs-Salt Lake. 2. Sacrifice hits-Tozer, Bluth, Delmas, Two base hit

In a few days the football squad of the University of Utah will begin practise for the season's frays on the frosty grid-tron. Indications point to a strong team this year as there are already about 16 husky athletos who are candidates for po-sitions on the team. This year's eleven will be coached by Joe Maddock of the University of Michigan. University of Michigan. Biddy Bishop has been hurling all kinds of challenges at Kid McCoy in becalf of Billy Woods' punching ability in a twenty-round mill could perhaps wear down the veteran Kid, and beat him in the long run, though McCoy's science would make a holy show of Woods' face for the first half-dozen seances. Fight fans often question Woods' gameness. Like most negroes, a few left-hand punches in the face slow him down won-derfully. At that he is a tough aut for any middleweight now in the business to tackie. tackie.

NEW PUBLIC FOUNTAIN.

### Daughters of Revolution Adopt Design Of Offering to City.

At yesterday afternoon's meeting of the Daughters of the American Revolution, a design for the new public fountain to be given the city by the Salt Lake Chapter was adopted. The design is by Montague Allen, son of Mrs. Mary F. M. Allen of Park City, Utah, regent of the order. The foun-tain will be of granite. Grecian in artain will be of granite. Grecian in ar-chitectural style, with square base sur-mounted by four pillars, with capital in the shape of a half spinning wheel and distaff, the insignia of the society. The fountain will have four drinking places, one on each side, with a trough for dogs on the street side. The cost or this fountain is estimated at \$55. The chapter voted \$10 towards the support of the free kindergarten in the Thirteenth ward schoolhouse, which has been maintained by public sub-scription in the past.
