Your cough, like a dog's bark, is a sign that there is something foreign around which shouldn't be there. You can quiet the noise, but the danger may be there just the same. Scott's Emulsion of Cod-liver Oil is not a cough specific; it does not merely allay the symptoms but it does give such strength to the body that it is able to throw off the disease. You know the old proverb of "the cure of prevention." Don't neglect your cough.

Scott's Emulsion of Cod-liver Oil. It does not merely allay the symptoms but it does give such strength to the body that it is able to throw off the disease.
