

FAREWELL TO WINCH.

His Friends Speed Him With a Gold Watch in Token of Esteem.

A farewell dinner was given at the Commercial club Saturday night by directors of the Orpheum theater to Mr.

and Mrs. Will H. Winch. Covers were laid for 15 and in addition to the directors, theatrical people and newspaper men were present at the enjoyable affair.

Mr. Winch, who was manager of the Orpheum, leaves today for El Paso, Texas, to manage a theater in which he has an interest.

During the dinner Mr. Winch was

presented with a handsome gold watch and fob, the presentation speech being made by Howard Garrett. Mr. Winch responded with a feeling speech and said his associations here had been most pleasant and he regretted leaving Utah.

Among those present were the following: Mr. and Mrs. Howard Garrett, Mr. and Mrs. Winch, Joseph Nel-

son, George Carpenter, J. A. Sutton, Parley Jensen, A. F. Phillips, A. N. McKay, J. Ted Goodwin, F. V. Fitzgerald and Arthur J. Brown.

How to Join the Club

Simply come to the store, the earlier the better, and select your piano at the club price, which is plainly marked on each instrument, and from which there will be no deviation; pay the club membership fee of \$10.00, and have the piano sent right to your home. You don't have to wait until the club is filled. **YOU GET YOUR INSTRUMENT AT ONCE.** No delay. No strings attached to this offer. There are just 128 pianos to be sold at these extremely low club sale prices. Only 128 people can participate in the benefits that naturally are theirs by reason of such an immense number of pianos being bought in practically one deal.

Immense Purchase of Pianos Necessary to Make the Club Possible.

The president of this company, on a recent visit to the Eastern factories, made what is probably the largest purchase of pianos ever made by any house between Chicago and the Pacific coast, a deal involving many thousands of dollars, with over a dozen factories represented. These pianos were bought for the hard cash, and great concessions in prices were obtained, and which we now propose to share with the buyers.

We not only obtained great concessions in price, but we also obtained other and more valuable concessions for special advertising purposes, which will permit us to only sell from 6 to 10 pianos from each factory. This means that the buyer in this sale will make what is really two direct savings, viz:—

FIRST—The special discount we obtained through our immense purchase.
SECOND—The extra discount given us for advertising purposes.

We have organized a club of 128 people to take these 128 pianos at the club prices, which are, as stated above, \$100.00 and \$125 and even \$200 below the regular prices—100 new pianos from the world's best known makers and 28 slightly used or store worn pianos. The new pianos are the finest product of several makers, 1910 styles, shipped us during the past month especially for this great club sale. Fortunate indeed, will be those who obtain these pianos—fortunate in not only securing choice of the very latest examples of the piano makers' art, but at prices never before offered the people of this section.

A \$10.00 Bill Secures a Piano

When, if ever, has there been an opportunity like this open to piano buyers of this section? Here you have choice of the very best makes, and all that is required to secure one is a \$10.00 bill. The piano is sent right to your home, stool and scarf free.

Can you afford to miss it?

Then those who desire to pay more than \$10.00 at time of purchase have the advantage of our 2 for 1 offer. Read about this under head of "Our Great 2 for 1 Offer."

Just 128, no more, no less, will go to 128 lucky people, the first to get here, or write, or phone us, at discounts, actual bona fide savings, that really mean something.
