GREETINGS OF CELEBRITIES Feature of the Red Cross Watch Meeting to be Held Here.

There will be a number of watch parties and meetings held in Salt Lake City on the evening of December 31st, but the one which promises to be perhaps the most interesting is that which is to be held under the auspices of the Red Cross society which will consist of speeches from prominent local orators, and music by some of the foremost artists of the city. The Red Cross society is directing such meetings all over the Union and the local members are hope-

ul of holding meetings throughout the state of Utah. One of the most interesting features

of the meeting will be the greetings from a hundred or more celebrated mer and women, including rulers, states-men, writers and others. The fund raised from the sale of these greetings will be tendered to the Red Cross society. Mrs. Dr. Boynton, of Sandy, is the commissioner for the greetings, and states that only through her can the greetings be obtained. Those who wish a copy of them should therefore forward their order to her at once as it requires several days to receive them. Full particulars in regard to the matter can be obtained by writing to Dr. Boynton, at Sandy.
