THE TRUTH RECOGNIZED.

We have also listened to some comparisons made between the true Church and the other churches of the world, and some very sharp contrasts have been defined. We have been given to ierstand that some of the principles of the Gospel of Christ revealed in this dispensation are finding their way into the systems of men. What do in this? So far as I am conmed. NARROW ESCAPE OF A WELL-KNOWN FARMER AND HORSEMAN.

One of the Worst Assaults Known-John H. Robinson Attacked Three Times and Given Up for Dead.

An encounter with highwaymen on a lonely road in Duchess Co., N. Y., would have been preferable to the experience through which Mr. John H. Robinson, of Manchester Bridge, N. Y., ctually passed. In the former case he would doubtless have been quickly re-leved of his watch and money, and ould have been left in a more or less rulsed and dazed state by the road-But the loss of valuables would ide. have been relatively small, and within a few days he would have recovered rom injuries and shock. Besides, such an attack would not be soon, if ever, epeated.

As it was, however, the assaults from which he suffered occurred three times. ost him great loss of time and money and brought him to the very verge of leath. Told by himself, his story is as ollows:

"I was attacked three times during three years by grip, complicated with pneumonia, and my sufferings were terrible. I had some of the best physleians in the ounty, but none of them could give me any relief from the fear-'ul pains in the back of my head, just at the base of the skull. For two weeks I was so low that no one, except the octor and my wife, was permitted to come into my room, and once I was given up for dead."

"How did you finally get on your et?" asked the reporter.

"Why, I happened to read of two cases of grip that had been cured by Dr. Williams' Pink Pills for Pale People, so I got a box. After I had taken one box I felt much better, and three boxes cured me completely

Dr. Williams' Pink Pills are such an excellent remedy for the grip and its after-effects, because they expel poison from the blood and supply tonic and nutritive elements to every organ and tissue. They quicken the appetite, improve the digestion, give strength to weak nerves, and, in short, forward all the processes that tend to rapid and complete recovery. Hence rheumatism, anaemia, headaches, dizziness, nervous irritability and prostration rapidly disappear and the system is fortified against a recurrence of the original rouble. One of the most striking results of the use of Dr. Williams' Pink Pills in cases of influenza is that the depression, which is such a trying characteristic of the disease, and which often takes a suicidal phase, is suc-ceeded by elasticity of spirits. This great remedy is sold by all druggists throughout the world.

ceeded from the mouth of the Jews, and from which had been taken, by the great and abominable church, many great and glorious principles of the Gospel of Christ, and he beheld that many people did stumble because of the most plain and precious parts of the Gospel which had been taken from the book. But he goes on to say that the Lord would give unto the people who dwelt upon this continent the

Gospel in its purity. "For behold, saith the Lamb, I will manifest myself unto thy seed, that they shall write many things which I

shall minister unto them, which shall be plain and precious; and after thy seed shall be destroyed, and dwindle in unbelief, and also the seed of thy brethren; behold, these things shall be hid up, to come forth unto the Gentiles, by the gift and power of the Lamb;

"And in them shall be written my gospel, saith the Lamb."

FULFILLED AS PREDICTED.

Brethren and sisters, we see the ful-fillment of this great prophecy in the coming forth of the Book of Mormon. That is the book which Nephi saw come forth unto the Gentiles, containing those plain and precious principles which had been taken from the other book, by reason of which mankind were in doubt and without a knowledge of the pure Gospel. Therefore, I say I do not believe the people are in this condition of unbelief, indifference and contention because they prefer to be in that condition, but because for centurles they have been led by men who had not themselves a knowledge of the Their eyes have been blinded to truth. the truth, while they have been led to believe that what they received was the

truth. By reading this glorious revela-tion that has come forth in our day, in the Book of Mormon, we shall find these great principles of truth revealed anew. Furthermore, the Lord pronounced a woe upon those who will stand up and declare, "We have a Bible, and we want no more Bible." He has denounced such; for who is the Lord that He cannot give more to His children? He has made other promises in

addition to this. He has declared that there are many other records still to come forth, containing His word to men who have lived upon this earth, and they will come forth in due time to corroborate the words of the Bible and the Book of Mormon, and to establish the fact that all the children of the world are the sons and daughters of God; that He is mindful of them all, and that to all of them will He reveal His word. He spoke thus to the Nephites:

"For behold, I shall speak unto the Jews, and they shall write it; and I shall speak unto the Nephites, and they shall write it; and I shall also

being accepted by thousands. And so shall this great and mighty power which has been revealed in our the Holy Ghost-come to man, and the authority of Almighty God be spread abroad, until all mankind shall be re-deemed from their sins, when it shall be a pleasure for men to adopt the truth in their religions.

CAUSE TO BE THANKFUL.

You Latter-day Saints ought to praise God; but in your thankfulness for the greater blessings which you enjoy, you ought not to denounce others because they have not so much good as have. No: our whole souls should be filled with pity because of their condition, and we should sympathize with them because of their ignorance and blindness because they are being led by blind guides. We should go forth among them with the sole desire in our hearts to manifest unto them that which God has revealed unto us, and carry to them that which has made us free and happy, and which has made us in very deed the Church and people of God. That should be the feeling of the Latter-day Saints. I feel so at this present time, my brothers and sisters.

Sometimes I feel otherwise, because the spirit of humanity and the weakness of the flesh overcome me and cause me to do and say things which are not in accord with the Gospel of Jesus Christ. May the Lord forgive it, and help me to become so strong that I may overcome it, so that I may see in all men the children of God, and that I may understand that it is the desire of our Father in heaven that all shall be saved in His kingdom. May I feel a great pleasure and joy in doing my part, and a greater pleasure and joy in seeing all the Latter-day Saints doing their part towards carrying this grand Gospel to all the nations of the earth, that they may hear and, if it please God, yield obedience to the truth. May the Lord bless the Latter-day Saints, May He bless the people of the world. May His Spirit be poured out in more abundance than it has heretofore been. May the people of the world seek after truth to a greater extent than they have already done. May they desire to serve God. May the spirit of good, and not of evil, of love, and not of hatred. of philanthropy, and not of envy, be poured out upon the people, to the con. summation of all the righteour purposes of the Lord, and may we live righteous long to see the accomplishment of much of it, is my prayer in the name of Jesus.
