

# NEWS OF THE STATE

## LOGAN DEPARTMENT

The "News" is delivered by Carrier in Logan Every Night (Sunday excepted) at 75 Cents Per Month. All payments and complaints regarding delivery, should be made to E. A. Mitchell, Agent for Daily, Saturday and Semi-Weekly News, 405 E. Center Street. Phone 87-d Independent.

### BUSY SESSION OF COUNCIL.

**Passes License Ordinance—Estate of Pres. M. W. Merrill Valued at \$18,000**  
Special Correspondence.  
Logan, Cache Co., March 8.—The city council at its session last night passed the new license ordinance, practically as it was previously reported, being amended only in the clause referring to fruit vendors and medicine hawkers. The former were required to pay a license of \$15 per month; \$25 for two months and \$35 for three months. Instead of \$30 for one month. Medicine men pay \$35 per month instead of \$3 per day.

A. G. Lundstrom and others asked the council to grade Fifth East street between Third and Fifth East. C. F. Martineau and others asked that a foot bridge be built over the canal and river on the east side of First east street, near the Danielson Plow factory.

The waterworks committee recommended the extension of water mains from the corner of Fifth East street, and Third North streets south to the Boulevard.

The ordinance making it unlawful for persons to keep a poolroom in a place where liquor is sold was passed by the council.

A resolution was adopted providing for scrip issued on account of improvement.

Andrew King and others asked the council to grade Fourth East street between Third and Fourth North.

Atty. Snodden asked permission to employ legal assistance in the important cases in which the city is interested now pending in the district court.

Alfred Piest asked the city to reimburse him for 144 water scrip which has been lost.

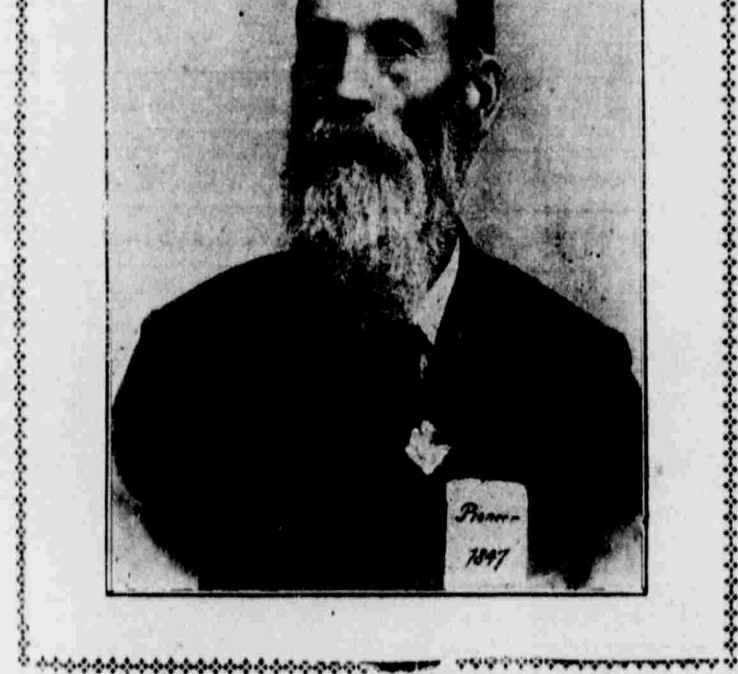

William Brankum and others asked that Sixth North street be graded between Third and Fifth East street.

The mayor submitted the name of I.

**MAPLETON.**  
**FUNERAL OF JAMES ASHCROFT.**  
Honored Pioneer and Frontiersman Goes to Well Earned Rest.

Special Correspondence.  
Mapleton, Utah Co., March 5.—The funeral of James Eli Ashcroft, whose death was reported in Saturday's "News," was held here today, conducted by Counselor Edwin Snow. Appropriate songs were rendered by the choir and Black Hawk veterans. The speakers were Elders F. C. Boyer, J. V. Wadsworth, Wm. P. Fullmer and J. S. Boyer, and Comrade Geo. McKenzie, who all spoke in praise of the deceased as a pioneer, having risked his life many times in the settling of this country, and went through many privations. He has drawn a pension for a number of years for services rendered in the Mexican war, having joined the Louisiana volunteers.

Deceased was left an orphan at four years of age. He left Kansas while very young with a company of 12 men, who were in pursuit of a band of outlaws, en route for California. He arrived in Utah in 1845, two years before the "Mormon" pioneers, and has lived here most of the time since. He lived in Mapleton during the last 25 years. He has lived a quiet, unassuming life, not being blessed with much of this world's goods, but with a kind and honest heart. He was in his seventy-ninth year, and is survived by a wife, six sons and three daughters.

**JAMES ASHCROFT.**  
Pioneer of 1847, who has joined the ranks of the majority of that Noble Band.

### AMERICAN FORK.

**DEMISE OF MARY PITT OKEY.**  
Honored Veteran and Pioneer of 86 Goes to Rest.

Special Correspondence.  
American Fork, Utah Co., March 5.—Mrs. Mary Pitt Okey passed away in American Fork Feb. 20 in her eighty-sixth year. She was the only child of her father's family to become identified with the Latter-day Saints. She married Edwin Okey in 1848, and accompanied him the same year to Nauvoo, and they both became intimately acquainted with the Prophet Joseph and his family. Her husband labored for considerable time upon the Nauvoo Temple, and both passed through the troubles of the time of the expulsion of the Saints from Nauvoo. Mrs. Okey was living in American Fork, where she has lived continuously ever since. She survived her husband 39 years, and is the mother of six children, three of whom survive her. She has a living posterity of 46 grandchildren, 4 great-grandchildren, and 30 great-great-grandchildren, all being identified with the Church.

Mrs. Okey was one of the few whose names were enrolled in the first Relief society in Utah, when it was organized in the Fourteenth ward, Salt Lake City, and remained faithful in the duties of Relief society labor while her health permitted.

**BEAVER.**  
**THOMAS PARKINSON DEAD.**  
Honored Citizen Lays Down Life's Burden at 76.

Special Correspondence.  
Beaver City, Beaver Co., March 7.—Elder Thomas Parkinson of this city died March 3, of general debility. He was born Dec. 11, 1829, in Cambridgehire, England, and was in his seventy-sixth year. In 1846 he left his native land and came to America, where he received the gospel, and in 1851, he came to the United States, settling in San Bernardino, there he married Ann Bryant Porter, and remained in California until 1853, when he came to Beaver, where he has taken part in the growth and development of the city. A farmer by profession, he was always in the front rank as a producer. Deceased was a true and devoted Latter-day Saint, and was counselor to Bishop Charles D. White, in the bishopric of Beaver First ward for 13 years. As a counsellor in the city government, to which calling he was elected three times, he served the people with his genial and prudent, and gained the confidence of all citizens alike.

Funeral services were held in the stake tabernacle at 2 o'clock, March 5, when eulogistic remarks were made by Patriarch John R. Murdock and Stake Counselor J. P. Tolton. A large cortege followed the remains to the city of the dead.

**LOVELL, WYO.**  
**PHENOMENAL GROWTH**  
Of Mormon Settlement in the Big Horn Basin.

Special Correspondence.  
Lovell, Big Horn Co., Wyo., March 2.—There have been people located in this vicinity for about 15 years. Many of them were bachelors, living in cabins built of cottonwood logs. The old citizens had an idea that it couldn't rain here, and granaries were built of logs, without a cover. At harvest the threatened grain was put in these pens. No roof was considered necessary, as there was a common expression, "It can't rain in this country." But last spring the old citizens were surprised at the amount of rain that fell. Nearly all the

## A Woman's Gratitude

"For more than a year I had been a sufferer, completely broken down. I had not slept but two or three hours any night for weeks. I had such awful misery in my head, and oh, I was so irritable. I could not depend upon my judgment, and my memory was failing. I realized that I was losing my mind, and I thought the grave, or worse, the asylum, would be my doom. My doctor said my case was beyond the reach of medicine. I went to a druggist and told him my condition. He recommended Dr. Miles' Nerve; he was pretty sure it would help me, so I bought a bottle. That night I took a table spoonful, and fell asleep in a few minutes, the first rest I had in weeks, and oh, I will never forget that sweet sleep while I live. I have continued taking it, and sleep like a baby, and gain rapidly."

**MRS. VIOLET BARKER,**  
Orange, Texas.

Dr. Miles' Nerve is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails, he will refund your money.

**Miles Medical Co., Elkhart, Ind.**

first crop of alfalfa was damaged more or less. The past winter has been a very pleasant one with but little snow fall or wind.

In May, 1900, a colony of Latter-day Saints under the personal supervision of Apostle A. O. Woodruff, arrived in Big Horn basin, and began the great work of reclaiming this desert place. The dry appearance of the country had kept prospective settlers from locating here. Fifteen or 20 miles to the north, in Montana, grass grows in abundance. Here there is enough feed to winter stock fairly well, but they are generally poor in the spring. There is a wonderful change in the climate since our people came here to locate. New canals have been taken out, and crops raised on the once barren wastes. There are three thriving "Mormon" settlements in this part of the country. Byron, where the president of the stake resides; Cowley, the home of the two counselors, and Lovell, named after Mr. Henry C. Lovell, one of the oldest settlers and a wealthy cattle man in later years, who died about a year ago. A branch of the Church was organized here at Lovell July 15, 1901, known as the Lovell branch, with Joseph C. Grant, first stake Elder. The first conference of the Big Horn stake was held near Lovell May 25 and 26, 1901. May 26 the Lovell ward was organized with H. S. Jolley, Bishop, Wesley H. Willis, stake clerk, and Cornelius Workman as counselors.

The Primary association was organized Nov. 17, 1901, with Janet Ellett president. She was succeeded by her first counselor, Clara Brown, March 29, 1903, who was released Feb. 18, 1906, succeeded by Eva Jensen. The association has an enrollment of 149.

The Sunday school was organized Feb. 24, 1901, with Ellen H. Jolley superintendent. Enrollment at the organization, 50 officers and members. R. J. Blachoff, present enrollment, 55 officers and 290 members.

The Y. M. C. A., organized Sept. 9, 1901; Ellen H. Jolley, president, enrollment, 100. The Y. W. C. A., organized Sept. 22, 1901, with Eleazar Asay, president. He was succeeded by H. B. Morris, and the latter by John C. Houston, enrolled 80.

The Relief society was organized April 14, 1901, with Thyra S. Tippetts, president. She was succeeded by Carrie Olson, Jan. 12, 1902.

The only dance hall the citizens had has been turned into a store, so there is no place for amusement here. The people have a hall in course of erection, 35 by 95 feet. By the use of folding doors, a number of small rooms can be furnished for classes, etc., and the large room will accommodate the people very nicely for amusements.

For amusements in the past winter the people have enjoyed themselves in private homes.

Feb. 16 and 17 the Relief society held a bazaar, where home made candy, many pretty and useful articles were sold. A children's entertainment was given on the afternoon of the 16th, and one for the older people the evening of the 17th. A program was rendered, interspersed with graceful recitations, by Prof. L. M. Sorenson. A pleasing feature was a recitation by Annie Blachoff, secretary of Relief society, where the Bishop and second counselor turned out in a grand way. Another was "Old Jack in the Well." Another was the music furnished by the Lovell band. The evening's entertainment was concluded by a laughable farce, "The Pious Pilgrimage." The total receipts from this worthy work by the Relief society were \$100.65, which goes to the new hall, Annual day, March 17, is looked forward to for another good time by the Relief society.

Feb. 27 the Relief society arranged a surprise for Sister Eliza S. Morris, assistant secretary and teacher, at the schoolhouse. The surprise was a beautiful program was presented by President Olson in behalf of the society, who joined in best wishes for her future welfare.

The Primary officers gave their retiring president, Clara Brown, a surprise party March 2.

First counselor Hyrum B. Morris and family leave us soon for their old home in Iowa. A while they have gained many friends, also the love and good will of the people, who are loath to part with them.

Three of the young men of the ward have received calls for missions—Joseph G. Brown goes to the Northern States, Leonard Monceur to the Southern States, and William Peterson to the Middle States.

A son has been born to Mr. and Mrs. Richard C. May, and a son to Mr. and Mrs. Albert Olson, and daughters to Mr. and Mrs. James L. Averet and Mrs. Joseph C. Grant.

Lovell will soon have a bank. Two new restaurants are doing a good business.

Since the B. & M. R. R. work has commenced, times are more prosperous, and as a result people feel more encouraged.

The health of the people is good. A light fall of snow covers the ground today, but is melting fast.

The population of Lovell ward is 808 souls.

**GIVES HEALTH, VIGOR AND TONE.**  
Herbina is a boon for sufferers from anemia. By its use the blood is quickly regenerated and the color becomes rosy. The drooping strength is revived. The languor is diminished. Health, vigor and confidence are restored. It is a great blood-purifier, and has been found to be a common expression, "It can't rain in this country." But last spring the old citizens were surprised at the amount of rain that fell. Nearly all the

## DENVER TEAM IS NOW MAKING GOOD

**Elwart and Kupping Made High Scores in Yesterday's Games.**

### BIG FIGHT COMES TONIGHT.

**When the Five-Man Teams Will Meet—Some Sensational Work is Promised—Today's Program.**

Interest in the bowling tournament is coming to a focus, now that a number of scores are up with winning possibilities, on the chances of the teams yet remaining to outdo the Denver Brunswicks and the Denver two-man team composed of Elwart and Kupping. Elwart and Kupping turned loose yesterday afternoon for a biggest score than was made at Milwaukee last year, and so big that it is looked upon as a sure winner in the two-man class. Tonight the remaining five-man teams fight it out, with the Portland aggregation making the strongest promise of a fight against the Brunswicks team from Denver.

The full program for today's events is as follows:

2:30 p.m.—Singles—  
Alley 1—J. A. Gossett, Denver.  
Alley 2—R. A. Barney, Provo.  
Alley 3—G. J. Kupping, Denver.  
Alley 4—W. T. Walker, Salt Lake.  
3 p.m.—Two-man Teams—  
Alley 1—Bishop and McManay, Denver.  
Alley 2—Brunn and Pampusch, Seattle.  
Alley 3—Merkle and Kirkpatrick, Butte.  
Alley 4—C. A. Goss, Denver.  
4 p.m.—Singles—  
Alley 1—J. A. Goss, Denver.  
Alley 2—R. A. Barney, Provo.  
Alley 3—G. J. Kupping, Denver.  
Alley 4—W. T. Walker, Salt Lake.  
4:30 p.m.—Two-man Teams—  
Alley 1—Russell and Grechtel, Denver.  
Alley 2—Lindquist and Taylor, Butte.  
Alley 3—Hanes and Schmeider, Salt Lake.  
Alley 4—Mays and Walton, Salt Lake.  
5 p.m.—Singles—  
Alley 1—W. Elwart, Pueblo.  
Alley 2—J. A. Goss, Denver.  
Alley 3—J. M. Silver, Salt Lake.  
Alley 4—T. Bishop, Denver.  
5:30 p.m.—Singles—  
Alley 1—Russell, Denver.  
Alley 2—A. Merkle, Butte.  
Alley 3—R. Brewerton, Salt Lake.

**LETTING NEIL OUT.**  
**Witnesses in Tenny Investigation Try To Shift Blame for Death.**

San Francisco, March 8.—Conner Walsh held the inquest today in the case of the late Tenny, pugilist who died after his recent battle in the prize ring with Frankie Neil. All connected with the fight were present and many witnesses were examined. Referee Roche testified that he had employed a man whom he knew as "Tenny" to fight with Neil. He had seen the certificate stating that they were in good physical condition.

Dr. J. A. Kergan said that he was called in by Shaughnessy after Tenny was knocked out and gave Tenny a hypodermic injection of strychnine at the back of his head. He said that he had a good deal of blood. He also declared that Tenny had been suffering from a heart ailment and had complained of illness.

Dr. J. A. Kergan said that he was called in by Shaughnessy after Tenny was knocked out and gave Tenny a hypodermic injection of strychnine at the back of his head. ## TRACK SEASON AT HIGH SCHOOL

**Captain Judson is Preparing Dates for Principal Contests.**

### STATE MEET STILL UNCERTAIN

High Schools of Park City and Ogden To Send Delegates to Settle Schedule Matters.

The High School track and field meets for this spring are being scheduled by Capt. Judson, but as yet the main dates are not definitely settled upon.

The first meet of the year comes April 11, which is the "New Moon" meet. It will be an interclass affair and after it is over it will be definitely known what the full strength of the squad is. The track team will be picked immediately after this meet, and the training will then center on finer points of each event.

April 21 a try-out meet will be held to select the best men in each event for the team to meet outside squads. The following the first outside meet will occur on April 28. It is a dual affair with Provo, and will be followed on May 12 with either the state meet or a dual meet with the V. M. C. A. Capt. Judson prefers the latter, but the University squad greatly prefers the state meet, because they want to see the events, and will be absent in Boulder on the Saturday following.

**COLORADO MEET.**  
The Colorado state for the High School is for May 26, and this will be the first of the track season. A conference will be called in the near future at which representatives from Ogden, Park City and the Salt Lake High School will determine definitely on their dates and will decide on what events shall go into the state meet. Two years ago a dual meet was entered at the request of Ogden. Last year it was eliminated and the high hurdles were substituted. Now it is proposed to add a mile run to the events, and this proposition may carry.

**JUDSON IS CHAMPION.**  
Takes Final in Handball Over Hamilton, in Hard Contest.

Capt. Judson of the High School track and field team made himself indisputably champion of the High School in handball yesterday afternoon at the V. M. C. A. gymnasium by defeating "Herb" Hamilton by a score of 8 and 12 points. Hamilton left school after winning a place in the finals and the games yesterday were played to settle the question of their personal superiority, and to make the tourney entirely regular.

At the opening neither man could get ahead, and the score hovered for a long time between 8 and
