One of the prettiest weddings of the season was that of Miss Mary Cannon and Frank Chamberlain, which occurred Wednesday. The marriage was solem nized at noon in the Temple, President Angus M. Cannon, the bride's father, performing the ceremony, and a recep tion followed in the evening at the home bride's sister Mrs. Mina Cannon, on First West street.

The decorations were amongst the most beautiful of the year. The rooms were literally smothered in roses, carnations and feathery green vines, the double parlor being in white, pink and green, the dising room to red, and the hall brilliant with roses of various hoes, with the staircase bannister trans-formed into a bank of glowing red and green, with roses and tern-like leaves of honey locust intertwined about its entire length. A rack at the foot of the stairs held great jars of roses with the green vines and flowers hiding its framework and an alcove at the rear of the hall was transformed into a bower of roses. An alcove above turned into a veritable rose casement crowned the stair case, and the railing and upstairs hall were bright with flowers. The bridsi group sood in the parlor under a great floral bell starred with white carnations, and the window in which it swung was banked and festooned with flowers. In the near parlor pink and green prevailed and in the dining room garlands of roses entwined the window framework and lace curtains, vases and jars of flowers stood about on mantels ad sideboard, and the small tables on which refreshments were served each held a bowl of sweet peas. On the porch outside palms and potted plants aided in transforming the house into a literal floral bower.

The bride wore an exquisite gown of white silk mull over taffeta, and carried white roses. Her attendant, little Hazel Cannon, wore a gown of pink and white silk, and carried La France roses As the bridal pair entered the rooms a shower of roses fell from a basket suspended above the door and covered their eads and the doorway with the bright blossoms.
