The Nationals and Willards are matched for a game of baseball on Washington Square this afternoon.

The meeting of the board of directors of the Deseret Hospital, set for Monday next, is postponed for one week.

There will be a meeting of the Carless Opera Company, at Carless' music rooms, this evening at 7:30 o'clock.

RICHARD FRY, of Ogden, came down yesterday and returned to-day. He is enthusiastic over the commencement of work on the long-promised Union depot.

It is understood that what the grand jury desired instructions upon yesterday was the law in relation to prizefighting. The question will be argued to-morrow.

A roon man, a few days ago, lost a purse containing \$38, with which he was intending to purchase a cow. The finder will confer a great favor by leaving it at this office for him.

G. W. CROCKWELL returned to his fish farm near Oasis this morning. He tells about carp two feet long, and the statement does not bear the impress of what is known as a fish story either.

The regular monthly meeting of the officers of the Y. L. M. I. A. will be held Saturday, October 2nd, at 11 o'clock a. m., at the residence of J. E. S. Taylor, one block and a half west of Cliff House. All interested are cordially invited to attend.

## LOCAL NEWS.

**Special Notice.**—The regular monthly meeting of the Board of Directors of the Deseret Hospital will be held on the second Monday in October (the 11th), instead of the first Monday, Oct. 4th, at the Hospital building, at 2 p. m. By order of the President.

E. B. WELLS, Secretary.

**A Verdict of Guilty.**—The trial of the case of the United States vs. Amos H. Neff, on a charge of unlawful cohabitation, was concluded last evening. But little evidence in addition to that published in the News yesterday was adduced. The case was argued by Mr. Dickson for the prosecution, and by Messrs. Richards and Sheeks for the defense. The jury returned a verdict of guilty on both counts in the indictment. Sentence was fixed for Monday, Oct. 11th.

**Sporting Goods.**—Browning Brothers, of Ogden, have just issued a 20-page illustrated catalogue in which their goods are pictured, explained and priced. They have every conceivable kind of firearm and all attachments, hunting and sportsmanlike, and everything else that a sportsman could possibly require, excepting, perhaps, the game itself. Their own patent rifle is a valuable and greatly improved weapon, and everything they have will be found just as represented.

**O. P. Arnold's Trial.**—The trial of O. P. Arnold, on a three-count indictment charging him with cohabiting with more than one woman as his wife, since April 13, 1884, came on before Judge Kane this afternoon. The case possesses more than usual interest from the fact that the defendant pleaded guilty to a similar charge on a former occasion, and upon promising to observe the law from that time, was released on "payment of a \$300 fine. The examination of witnesses commenced at the time the News went to press. The following jury was impaneled for the case: M. Dunseldorf, J. B. Wilson, S. E. Underhill, R. P. Martin, Wm. McKay, James Winchester, Charles Shields, George Morrison, I. L. Osborne, Edward Berry, George Mullett, Frank McLaughlin.

**Court Doings at Provo.**—On the 28th of the case of the United States vs. Lovridge, was under consideration in the first District Court at Provo. The name of one witness only, that of the defendant himself, was endorsed on the indictment, and this circumstance was the ground for a motion, on the part of the defense, to quash it, which was done.

On the 29th of the case of the People vs. Charles Roberts, charged with battery, was dismissed. The jury found a verdict of guilty in the case of Charles Hardt, charged with resisting a United States officer.

Yesterday Cornelius J. Vandale, implicated with Emil Jackson, was acquitted of a charge of battery, the jury finding a verdict of not guilty.

The trial of J. W. Lovelace, charged with unlawful cohabitation, was in progress.

**An Interesting Number.**—The issue for October 1st of the *Juvenile Instructor*, with its accustomed regularity, is before us. The contents of a very interesting character as will be seen by reading the following list of subjects which receive attention in this number: African River Travel, by Newaygo; An Interesting Journey, by William Clayton; For Our Little Folks—The Hedgehog—A Bird Story—A Curious Will—A Question—A Curious Church History, etc. The *Re-creation* of Divine Judgment, by S. F. D.; Editorial Thoughts; After Exile, by Vassili; Recollections of the Past, by the Editor; Proper Subjects for Sympathy, by a Prisoner for Conscience Sake; Karl and Ina, by Home-span; Beautiful Mountain Home, Words by George Manwaring, Music by A. C. Smith. As a medium of instruction for both old and young we heartily commend this interesting and valuable periodical.

**Proper Enterprise.**—Of late years a great quantity of vocal and instrumental sheet music has been imported into this country, a considerable amount of which has found ready sale. Some compositions, too, of local musicians, for the purpose of a suitable place of issuance in this Territory, have been sent East for publication. Lately, however, the *Juvenile Instructor* office, with commendable enterprise, has placed itself in a position to issue sheet music in as excellent a style and at as cheap a rate as it can be done anywhere in the United States. As a proof of its competency and intentions we have before us a song and chorus entitled "Ever Constant." The words and music are by Prof. E. Stephens and will doubtless become very popular. The workmanship is fine, the title page being printed in gold and blue. The price is only 20 cents per copy postpaid. It can be obtained of the publishers and all enterprising music dealers. Send for a copy without delay.

It is the design of this wide-awake establishment to shortly issue other pieces by home composers, and thus encourage a growing talent in our community. We wish the *Juvenile Instructor* success in the new venture.

## THE HOME FIRE INSURANCE COMPANY.

## A NEW ENTERPRISE STARTED ON A SUBSTANTIAL BASIS.

Last evening there were filed with County Clerk Cutler the articles of incorporation of The Home Fire Insurance Company of Utah, and a certificate of incorporation was issued to the new organization by Secretary Thomas. The company is formed under the laws of the Territory, with a capital stock of \$200,000, one half of which is paid up. The purposes of the organization, as set forth in the articles of agreement, are "to conduct the business of insurance by insurance on the dwelling houses, stores and all kinds of buildings, and also upon every description of property or merchandise against loss or damage by fire; and to fix the rate of insurance, to do and perform generally every act and thing pertaining to the business of or in any way belonging to a fire insurance company; and also to exercise any or all the privileges conferred on fire insurance companies by the laws of the Territory of Utah." The company's principal place of business will be in Salt Lake City, though the Board of Directors are empowered to establish branch offices at any time and place they deem proper.

The officers of the company for one year and until their successors are elected and qualified, the annual meeting of the stockholders being held on the first Monday in October of each year. The officers for the first year are: Heber J. Grant, president; James Sharp, vice president; Elias A. Smith, secretary and treasurer; H. J. Grant, John C. Cutler, John Henry Smith, Thomas Sharp, Philo T. Farnsworth, Thomas G. Webster, George Romney, David Eccles and Henry Dinwoodey, directors. The incorporators are: Heber J. Grant, John C. Cutler, John Henry Smith, James Sharp, P. T. Farnsworth, Theo. G. Webster, Geo. Romney, David Eccles, Henry Dinwoodey, Elias A. Smith, H. S. Young, A. H. Cannon, W. H. Rowe, H. Harrison, A. W. Carlton, J. T. B. Cutler, Thomas Siedt, T. W. Ellerbeck, George M. Cannon, George Q. Cannon & Sons, G. M. Ottinger, Chas. S. Burton, John F. Bennett, John Watson, James H. Anderson, Francis Cook, Franklin S. Richards, Geo. H. Hanson, Taylor, Geo. E. Woolley, Chas. Brown, Richard W. Young, Maria Y. Dougall, Frederick E. Barker and Francis Armstrong. In addition to the incorporators the list of stockholders includes Moses Thatcher, A. O. Smoot, Geo. W. Thatcher, John R. Murdoch, J. Z. Stewart, Geo. H. Farrell, H. H. Young, Joseph E. Smith, F. M. Lyman, James Whithall, John R. Barnes and others.

The new company is now ready for business, its office being located in the Contributor building, lot No. 40 East Temple Street. A large proportion of the means that have been passing into the hands of foreign fire insurance companies will doubtless be turned in the direction of the new organization, whose field of operations will not, however, be restricted to Utah.

## THOMAS LEE ACQUITTED.

## HIS WIVES LIVED IN DIFFERENT TERRITORIES.

The case of the United States vs. Thomas Lee, of Tooele County, was tried in the Third District Court today. This case presented at least one feature, in that one of the defendant's wives has lived in Idaho for the past three years, and the other in Utah. The defendant pleaded not guilty to the indictment, which contained three counts, charging cohabitation with his wives, Harriet and Primrose Lee. A jury was impaneled for the case.

Mrs. Primrose Lee testified—my full name is Primrose Shields Lee; I am married to the defendant, since April 1st, 1883, I have lived in Tooele County, with my husband; my sister, Harriet Lee, was married to him before I was; she is still living; her home is in Beaver Canon, outside of Utah Territory; she moved from Utah three years ago; her son, Thomas W. Lee, lives in Tooele; she has eight other children.

Mr. Richards—Harriet Lee does not live in Utah.

Thomas Lee testified—the defendant and Harriet Lee are my parents; mother lives in Beaver Canon, Idaho; she moved there in July, 1883; she has made two visits to Utah since she left; I did not see her at Tooele; I was at Sandy, Salt Lake County, where I saw her; that was in the summer of 1883; I think it was after the 1st of July; when she left my house she said she was going to Beaver Canon; her next visit was on July 30, 1885; she came to Grantsville. The defense objected to testimony relating to a period subsequent to the last date in the indictment; objection overruled.

Witness, to Mr. Dickson—She then went to Tooele, to my house; next day she went to my brother's; she stayed four days; that I know of; my father was in the Grantsville meeting-house and at my sister's house at the same time mother was there; from the latter place he went home, and mother stayed at my sister's, at Batesville.

Mr. Richards—Mother and her two children came to Batesville, and stayed with my sister; father had not seen the children for two years; he was at my sister's, and did not know we were coming; father and I went together; he gave each of the two boys a pocket-knife; he and my mother had no private interviews; it was a general visit; they were not together at meeting in Grantsville, though in the same building.

Mr. Dickson—Mother is 50 years old; she has had 14 children, the youngest eight years old; father had been told that the boys were at Batesville, and went to see them; father never told me why mother went to Idaho.

Wm. H. Cassidy testified—I am acquainted with defendant; have seen him since he was a child; he was over 20 years ago; do not know of her being in Tooele since.

E. J. Rebach said—I live in Mill Precinct, Tooele County; am intimately acquainted with Harriet Lee; she lived in Tooele; I have been at her house; have not seen her there during the last four years.

Mrs. Lee testified—Mrs. Lee was recalled and said—I last saw her in July, 1885; did not see her in 1883; I don't remember seeing her from the time she left Utah until last July; I heard of her being back once before; she did not come to my house.

Mrs. Primrose Davis testified—The defendant is my father; Mrs. Primrose Lee is my mother; saw Mrs. Harriet Lee last July; I had not seen her for six years prior to that time.

John Lee said—the defendant and Mrs. Primrose Lee are my parents; I saw Mrs. Harriet Lee last July; I had not seen her for three or four years before then.

Mr. Dickson asked that the jury be instructed to render a verdict of not guilty, which was done, and the defendant was discharged.

**Indicted for Rape.**—This morning Frank Stoddard was brought into the Third District Court for arraignment. The crime with which he is charged is alleged to have been committed at Hooper, Davis County, May 27, 1886, on the person of a little girl named Elizabeth King. The indictment contains a count alleging that the accused accomplished his purpose by violence; there is a second count, made to charge the same crime in another form, and alleging that the force used was threats of violence which prevented the victim from suffering resistance. Stoddard stated that he had no means with which to employ an attorney, and the Court appointed E. B. Critchfield to defend him. The defendant will enter his plea on Monday morning. He is quite a young man, looking to be about 18 years of age, but his general appearance is decidedly unprepossessing. He was remanded to the custody of the Marshal.

## TO THE PENITENTIARY.

## THREE DEFENDANTS WHO WILL NOT PROMISE.

In the Third District Court to-day,

JOHN B. FURSTER,

of this city, a gentleman who is now in his 72nd year, and who pleaded guilty to a recent indictment charging him with living with more than one wife, was called for sentence. When asked by the Court as to his intention, he replied "Your honor, I have no promises to make." His sentence was fixed at six months in the penitentiary, and a fine of \$300 and costs.

In explaining what was required to Mr. Furster, the Court remarked, "We are not persecuting you for your religion, but for violating the law."

WILLARD KNOW,

of Farmer's Ward, next came forward. There were three counts in the indictment for cohabitation, to which he had pleaded guilty, and on his standing to the Court that he would not bind himself by a promise to conform to the Edmunds law, he was sentenced to six months' imprisonment on each count, making a total of eighteen months, and to pay the fine of \$100 each and the costs of the prosecution.

THOS. F. H. MORTON

was also sentenced. He was charged with the same offense, and pleaded guilty to the indictment containing one count. He also refused to give any assurance as to his future conduct, and the judgment of the Court was that he be confined in the penitentiary six months and pay a fine of \$300 and costs. These brethren took up their abode in the "pen" this afternoon.

## HOMER DUNCAN CONVICTED.

To-day, Homer Duncan, of this city, was tried for unlawful cohabitation with his wives. He is in the seventy-second year of his age and is suffering from consumption. A jury was empaneled after the usual fashion, and the trial proceeded with.

Sarah Tripp Duncan testified—I am married to the defendant; his wife Asenath was married to him before I was; from Jan. 1, 1884, to Aug. 1, 1885, I lived in Cedar City, Iron County; have nine children, the youngest 20 months old; my husband lived with me in Iron County; the time named; since 1883, Asenath Duncan has lived in Salt Lake City.

To Mr. Sheeks—The defendant lived with me during the whole time covered by the indictment.

Mar. Fisher testified—I am daughter of Homer and Asenath Duncan; came from Cedar City, Salt Lake City in 1884; since July 1884, mother has lived in the same house with me; during that year my father came to my house and stayed a couple of months in the same house with mother.

The prosecution rested their case. The defendant, at his own request, was sworn and testified—in the winter of 1884, I lived in Iron County; in July of that year, I came to Salt Lake County, and brought my wife Asenath's goods from Iron County; while here I superintended building her house; in October I returned to Iron County; in August, 1885, I returned to Salt Lake, and have lived here ever since.

The Court charged the jury, who rendered a verdict of guilty. Sentence will be passed Monday, Oct. 11th.

**Commissions.**—The following officers have been commissioned:

Julius Keller, constable, Mantua, Box Elder County.

J. W. Harrison, constable, Trenton, Cache County.

Michael Erick, constable, Peterboro, Cache County.

J. R. Black, justice of the peace, Nephi, Juab County.

Peter Barker, justice of the peace, Escalante, Garfield County.

M. N. Jensen, justice of the peace, Mantua, Box Elder County.

C. H. Bevans, justice of the peace, Hyrum, Cache County.

**Robbery.**—The Ogden Herald says that, on Thursday last week, Mr. E. O. Wattis sold some property while in Ogden and received a large sum of money on account, some of it in checks and the balance in coin. Mr. Wattis returned home to Utah arriving at a late hour, and when he reached the gate of his father's residence he was struck to the ground by some unseen person. He lay in an unconscious state for several hours and when he came to he discovered that all his loose cash, about \$70, had been stolen. Some good clues as to the identity of the offender or offenders have been obtained and it is to be hoped that he, or they, will be brought to justice.

**The Youthful Burglars.**—This afternoon Frank Lockhart and Joseph Ladd were arraigned in the Third District Court on a charge of burglary. Both pleaded guilty, and in consideration of the age of Lockhart—10 years—and that it was his first offense, judgment was suspended, pending good behavior. The defendant's father came from San Francisco, arriving this morning, and will take his son home, with the hope of reforming him. Ladd pleaded extenuating circumstances connected with the offense, and was given the least penalty of the law—one year in the penitentiary. He is not yet 19 years of age.

**No Utility in Publishing It.**—We have received from Thomas Tidwell, now serving a term in the Utah Penitentiary, under conviction for murder in the second degree, what he claims to be a true statement of the homicide.

According to his relation of the affair, it would appear that he is innocent of the crime. He desires us to publish his account, but we cannot see what benefit can accrue from its publication, as it is merely an *ex parte* statement confronted by the fact of his conviction. Besides, the public has long lost sight of the case. If Mr. Tidwell considers himself unjustly dealt with, his representations should be made in some other direction than to the public journals.

**Singing Classes.**—Yesterday afternoon over a hundred children under fifteen years of age gathered in the Fourteenth Ward Armory Room to join Prof. Evan Stephens' singing class. In the evening nearly one hundred young people assembled in the Social Hall for the purpose of uniting with the Professor's singing class for older pupils. Here an intermediate class was organized, which will review the rudiments of music, and afterwards work at more advanced studies. This class is the one to be joined by pupils who have studied vocal music some, but who are at a standstill for want of practice. A more advanced class was organized at the same time, and both will be open for the admission of new members until after next Thursday.

Among the young people of this city great interest in singing is being manifested. Prof. Stephens instructs about 900 pupils weekly, and Prof. Carless, Madame Young and other teachers, are, we understand, being well patronized.
