Every

Blood Disease

Can not be cured by every so-called blood remedy. In fact, there are few blood remedies that really cure any blood disease. Swift's Specific (S. S. S.) is absolutely the only one which can have any effect whateve upon deep-scated, real blood diseases. There is not a disease of the blood, it matters not how obstinate, which it does not promptly read and permanently cure. The greatest claims for S. S. S. are made by those whom it has cured.

THROWN FROM A HORSE. Mr. H. Kuhn, of Marion, Kas, writer: "A few years ago my granddaughter, Bertha Whitwood, was thrown from a horse, sustaining a contusion of the scalp, which resulted in blood poisoning. For more than a year there were runnings sores on her head and neck, which the constant treatment of the best physicians failed to arrest. As a last resort S. S. S. was used, soon affording relief, and in a nomenths she was cured entirely."

YEARS OF SUFFERING.

Mr. Chas. Glean, 1563 Dudley St., Cincinnati, writes: "From childhood I was afflicted with a terrible itching akin disease, for which I have been treated constantly for years. My entire boddy was covered with blotches, and some of the best physicians in this city have endeavored to cure me. S. S. is the only remedy equal to the disease, however, for it has cured me complexity, and I shall never cease ping it." ABLAZE WITH ERYSIPELAS.

COVERED WITH SORES.

Mr. H. L. Myers, too Mulberry Street, Newark, N. J., writes "For two years my body was covered with a mass of stelling sore caused by impure blood, which gave me incessant pain. I was given various treatment, but got worse steadily, the best physician being unable to relieve me, A few bottles of S. S. Cured me completely, and I am sure it has no equal as a blood relievy.

Purely
Swift's Specific is the only purely seconds blood remedy,—guaranteed to contain no a particle of mercury, potash, arsenic, or other harmful mineral ingredient. It care every blood disease. There is Nothing Half a. Good.
