MELEE WITH A CHINAMAN.

In Which the Latter Comes Off Best—Arrested After a Lively Chase.

S. J. Packer Falls Down Elevator Shaft and is Severely Injured—Funeral of Wm. Jackson.

A very lively time occurred yesterday evening about 9:30 o'clock in which the Chinese and Americans were participants. Several railroad men were standing on the corner of Twenty-fifth street and Grant Avenue discussing the situation in China. Near by stood a Chinaman named Charles Hing, who seemed to be listening to the talk of the railroad men. One of the men, named George Thorn, provoked and frightened the Chinaman, whereupon the latter made a jump at Thorn with an open pocket knife. Thorn made a quick jump and threw up his left hand only to have his body being ripped open with the sharp knife, which struck his hand, causing it to open. Just as soon as the Chinaman had made the slash, he made a dash for the door of the restaurant, which was named by Chinamen. He dashed in at the front door of the restaurant and was soon hustled through and out of the back door by his fellow-countrymen. The railroad men, who were after the Chinaman, got near the rear of the restaurant he ran back of the store on Twenty-fifth street to an alley, where he turned off and struck across Twenty-fifth street to the south side to the alley. The Chinaman, who was followed by the railroad men, appeared on the scene and got the Chinaman and took him to the police station, where he was locked up alone. The quick work of the Chinaman, who was the Chinaman's neck, as the feeling ran pretty high all evening to lynching.

Mr. Thorn had to go out on his railroad run last evening and will not return until early morning. It was sworn out against Hing charging him with assault with a deadly weapon.

BREAKS HIS ARM AND LEG.

Yesterday afternoon Sylvester J. Packer, who is 60 years of age, and resides at No. 233 Lincoln Avenue, met with a very severe accident by falling down the elevator shaft in A. L. Brewer's wholesale establishment, on Twenty-fourth street. Mr. Packer came into the store and was walking through to the rear and fell down the elevator shaft a distance of about twelve feet. Mr. Packer must have been looking in some other direction not to have seen the danger in the door as it was light. Mr. Brewer and others, who were in the rear, rushed to the unfortunate man and helped him to the first floor. Drs. Powers and Forbes were called and took him to his home, where, upon examination, it was found that his right leg was broken at the thigh and his right arm broken at the elbow, and a deep cut was made over his right eye. The physicians said the broken bones could be mended, but that the leg would be a long time, as his advanced age is against him.

FUNERAL OF WILLIAM JACKSON.

The funeral services over the remains of Bishop's counselor, William Jackson, of the First ward, were held yesterday afternoon in the First ward meeting hall at 2 o'clock. Bishop Ensign presiding. The services were opened by the choir, under the direction of Prof. John Pike, singing, "Hark from afar a funeral knell." Prayer by Elder B. P. Critchell. The speakers were President C. P. Middleton, Bishop D. H. Ensign and Elder George Welch. Each speaker made a useful life of the deceased and rehearsed many incidents of his good and honorable work in the ministry. Their remarks were impressive and comforting to the bereaved family. The choir sang, "O my Father, thou that dwellest in Heaven," which was pronounced by Bishop Robert McQuarrie. The meeting house was filled to overflowing with sympathizing friends. The funeral cortege which followed the remains and the city cemetery, where they were laid to rest, was a quarter of a mile long.

SPANISH FORK

Boy Drowned in Utah Lake—Primary Funeral—Pioneer Celebration.

Special Correspondence.

Spanish Fork, Utah, July 18.—A most interesting conference of the Primary associations of the four wards of this place was held at the pavilion here the other day. A distinguishing feature

of the proceedings was the rendition of a well planned program in honor of Sister Hannah Cornaby, whose poetical effusions have stirred the hearts of thousands of Saints to more fully appreciate the worth of this place. The lady who is twelve years of age, in company with two other boys, were bathing in the Utah Lake about three miles distant, when the unfortunate boy got into too deep water and being unable to swim, was drowned. The body was recovered last evening in about four feet of water and now lies at home preparatory to interment.

BOY DROWNED IN UTAH LAKE.

It is sad to chronicle the death by drowning of little Edward Cole, son of Mr. and Mrs. James J. Cole, of the Point ward of this place. The lad, who is twelve years of age, in company with two other boys, were bathing in the Utah Lake about three miles distant, when the unfortunate boy got into too deep water and being unable to swim, was drowned. The body was recovered last evening in about four feet of water and now lies at home preparatory to interment.

IRRIGATION LITIGATION.

Irrigation law suits are again looming in consequence of the scarcity of water, accompanied with the desire to use some other person's water, rights unlawfully on one hand, and extreme selfishness on the other.

WILL CELEBRATE PIONEER DAY.

The Twenty-fourth will be celebrated here with more vigor than for years past. A committee, consisting of the superintendents of the Sunday schools of the four wards, together with prominent people are making preparations on a grand scale. In order to raise money to defray the expenses of the celebration the committee decided to give the people a chance to vote for the most popular young man in the ward. Peterson, Morgan County, July 17.—On last Sunday, the 15th, a party of girls and young men of Peterson and Allerton went picnicking up to Johnson ranch; on the ranch is a deep lake, and also a boat. Two young men and several girls took a boat ride. When in the deepest part of the lake, the boat capsized, and the parties were buried beneath the boat. Two gentlemen who were in the hills were attracted by the screams of the girls, and swam to their assistance. By great effort they saved the lives of the girls, and greatly risked their own lives by new subscribers to them. One of the girls has not spoken a word as yet, lying unconscious. The two young men who were rowing began rocking the boat which caused the accident. Four miles from home and no good a crop of small grain will be raised this year as last.

White Man Turned Yellow.

Great consternation was felt by the friends of M. A. Hogarty, of Lexington, Ky., when they saw he was turned yellow. His skin slowly changed color, also his eyes, and he suffered terribly. His malady was Yellow Jaundice. He was treated by the best doctors, but without benefit. Then he was advised to try Electric Bitters, the wonderful Stomach and Liver remedy, and he wrote: "After taking two bottles I was wholly cured." IVER LAWSON A WORLD BEATER

Clips Off a Notch from All Previous Records for One Mile.

SPLENDID AMATEUR RACES.

Eddie Smith Defeats E. E. Samuelson—Iver Lawson and Chapman Win the Three Mile Handicap.

Probably the most exciting finish seen at the amateur this year took place last evening when Iver Lawson won the one mile handicap professional covering the distance in exactly 1:35, beating the world's record of 1:39 2-5, established in 1895 by Fred Simms. The redoubtable young Swede had a big handicap to go against but those things usually please Iver. Before running the final heat he was forced to ride two miles. The first time to qualify he was finished off at the wrong time, and after finishing the heat was compelled to ride it over again. In the first heat Chapman did not qualify owing to a blunder in starting. The handicap was by seconds and after he was started some one called him back, and he was then told to go ahead again. He lost considerable time through this mistake and could not catch up with the bunch. In the final Iver Lawson demonstrated his great speed and endurance. He had a big handicap to ride against and was forced to go a long way to make any showing at all. But Ivers was there. He generally is. In three laps he caught the bunch and the pace then set was simply amazing. Never was such a finish seen in Salt Lake. Coming down the track, Iver Lawson, an expert train with Turville, second and Vaughn, third, it made a marvelous sight. Turville made the prettiest sprint of his life in this event, but it availed him nothing so far as first place was concerned.
