All satisfactory. VIENNA, 21.—Beust says the relations of the western powers are excellent, and there is no reason to apprehend a collision with Russia. The newspaper statements that Bussia had remonstrated against Austria's internal organization are groundless. The Euxine treaty was satisfactory. The prosperity and authority of Austria are increased because of her non-participation in the war. He said twenty-two bishops pe-titioned for the re-establishment of the temporal power of the Pope, but their petition was unanswered. Numerous arrests continue to be made at Lavalette. Thiers congratulates Alexander Dumas on his recent article.

The Figure has been seized at Denis. VERSAILLES, 21 .- In the Assembly to-day, during the debate on the loan bill, Thiers made a statement of the financial condition of the country. He said the German war cost France three milliards of francs. The deficit for the fiscal year of 1870 reached 1,631,000,000 france; but of this amount the bank of France had advanced to the govern-ment 1,330,000,000 france; so that the immediate deficiency for the year was reduced to 301,000,000. But to this must be added 486,000,000, for the ex-penses since the war closed, incurred in suppressing the insurrection in Paris. This total deficit of 737,000,000 of france Thiers proposed to meet by

The Assembly has unanimou dy passe the loan bill. In a speech, Thiers says the policy of Napoleon was absurd, and was the cause of the disasters to France. Gambetta was excusable, but peace ought to have been made when the success of the army of the Loire became known. It was necessary to pay the indemnity quickly.
