How Delightful!

It is to sell a customer a pair of shoes and know that he is going to be perfectly satisfied. It is easy to fit a man for a few minutes until he gets away from your store; but when we put a pair of Hanan & Sons' shoes on a customer we are happy, for we know that he will not come back again until he wants another pair. That's where the pleasure in the shoe business comes in.

HANAN'S SHOES,

And the styles are far ahead of anything ever seen.

We have the above in Button, Lace or Congress, in Russian and Calif. Vici Kid and the latest shades in Russett, Tan and Brown.

The very latest toes—Cornell, Cambridge, Chancellor, Gotham, Grecian, New London and Defender.

Z. C. M. I. Salt Lake City's Greatest Store.

KNOWN EVERYWHERE

This store knows and is known the country over. Throughout the years we've been building a reputation for wise buying and quick selling, until all Utah knows us for the good quality of our goods and low prices, while the trade generally accords us leadership. It takes sharp eyes and business acumen to keep pace with the demands of such a business, and yet we are always working towards larger usefulness. This store is to Salt Lake what Wanamaker is to Philadelphia, or the Bon Marche to Paris. It is a fair sample of Utah enterprise.

New Style Shoes.

No accumulation of old stock, but perfectly new Shoes, gathered from the leading American factories. We're not charming you with words. Styles are the very latest and qualities away ahead of anything in the past. We aim to do better each year, and WE DO BETTER. That fact is emphasized more and more as the season advances and it shows in these Shoes as well as anything.

And Here's Where We Shine

The LEED SCHUBER & CO'S Ladies' Fine Shoes, and have always been the leading shoes for fine trade. We carried these Shoes in this city. This season we have bought heavier than usual, for we know that there will be more fine goods sold than ever.

We have all the latest shades in Russett, Tan and Brown. All the new toes, Needles, Columbian, Vassar, Tokio, Envoy, Turkish and Narrow Squares.

What a Difference

It makes whether a shoe fits or not! Some makers put a good deal of style into a shoe, but after a few days' wear it is all over the sidewalk—and oh! so uncomfortable. You can never say that about a

BANNISTER SHOE, or a JOHNSTON & MURPHY SHOE.

They are made to fit the feet, and will keep their shape as long as you can wear them. Our styles this season are beautiful.

We have the above in Button, Lace or Congress, in Russian and Calif. Vici Kid, Brown, Russett and Tan.

The very latest toes, Cornell, Cambridge, Chancellor, Gotham, Grecian, New London and Defender.
