

MOTHERS AND CHILDREN.—The mother should cheerfully interest herself in the sports and amusements of her children, and lend her aid in aught that contributes to their happiness and innocent entertainment, as far as is consistent with her cares and duties—and should make any sacrifice or denial on her own part rather than that they should feel uncared for, unloved, or a burden on her care and attention. They should be made to realize that they are cherished within her "heart of hearts," and that their comfort and well being are the objects of her daily solicitude, the main spring of all her acts. Thus feeling, they will have little or no desire for resorts of pleasure beyond the fire-side; and as they advance in age, they will be protected in a great measure from the temptations of the world and out-door life, and in long after years will look back upon that mother's tenderness as the safeguard from many sins.—And if that mother should have gone to rest, there will be a halo round her memory that will light them on through many a darksome path, incite them on to many good deeds, and keep them free from vice.—[Ex.]

We will take Stock to herd at the rate of a cent and a half per day each head, and pay all damages accruing to owners through our negligence; and for the benefit of those residing in this County and the Settlements north, we propose to receive stock at the Stray Pound in G. S. L. City, on the first Monday of every month, commencing on 6th of August; at Sessions' Settlement on Tuesdays, at East Weber on Wednesdays, and at Ogden City on Thursdays following, without any extra charge for driving to the herd ground.
N. B. Sheep taken on shares, as may be agreed upon by the parties.
20-6m W. E. HORNER, E. K. HANKS.

HELLOW EVERYBODY
THAT lives in Great Salt Lake, Davis, and Weber counties, now is your time to have your oxen, cows, and young stock taken good care of this winter.
The undersigned takes this method of announcing to the citizens of Great Salt Lake county, and other counties joining on the north, that we have taken up an excellent herd ground in Weber county, 3 miles west of Brigham City, on the west side of Bear river, near the mouth of the Malad, running north as far as the emigration road, and west as far as the Salt Lake, and south as far as where Bear river empties into said lake; this herd ground cannot be beat in any part of the Territory of Utah, for the abundance of good grass and good advantages for water.
We will take stock to herd at the enormous rate of one cent per day each head, and bind ourselves to pay all damages accruing to owners through our negligence. We will receive stock at the Union square in Great Salt Lake City, near the Union Hotel, on the first and fifteenth of every month; at Sessions' settlement and Farmington, in the main road, on the second and sixteenth; and at Ogden City on the third and seventeenth or every month; the said stock will be driven carefully to the herd ground without any further expense to the owners.
N. B. No stock goes out of our possession in the spring until the herd bill is paid.
