"And what change is soon to be

made with this company?" "They are to occupy a whole floor of the south sky scraper, the floor dictly under that to be occupied by Mr. Whitley, and the American com-Dany

And what professional men are com-

And what professional met are com-ing to the skyscrapers?" "Well, two whole floors are leased to doctors, alone, not to mention a great many lawyer tenants. Among the doctors are the group known as the "Rio Grande crowd," who attend to mitroad cases to railroad cases.

BOOTH HIT HARD.

At this point Atty. Benner X. Smith scored on Dist. Atty. Booth that affect-ed the risibilities of all in the court-

Atty. Booth had gone through the list of tenants in the Dooly block who have leased skyscraper space. He had argued that the city and county build-ing tended to pull business east of Main street, and had urged that a general tendency existed to move from the west side to the east side, which would leave the property west of the post-office without special increased value you know the United States ey?" was a sudden question from "Do attorney

Atty. Smith, to Mr. Houston. "Yes," was the reply. "Isn't it a fact," came the next ques-tion, "that the firm of lawyers of which Dist. Atty. Booth is a member, has leased space for itself in one of the Newhouse sky scrapers? " "Yes, it is," was the reply, and after

the matter of arguing the experimental phase of the shift in the business district took new directions.

COMING EXODUS.

Much new light on those who are to have the important spaces in the two sky scrapers came out in the evi-

Mr. Newhouse is to reserve for him self the entire top story of the south building. On the floor next below is to be the American Smelting & Refining company, then the Utah Copper company, then the Boston Consolidated Mining company. When asked whether the McCornick

a the Dooly block would be more afskyscrapers, Mr. Houston answered that both buildings would suffer heav-ily, but he could not say which would suffer more.

The law firm of Rawlins, Ray & Rawlins was mentioned as one to move from the Atlas block, A. J. Davis was named for the ground floor of one building, while another tenant was mentioned as a big "trust company not yet fully formed." The Houston combeny, he said would have a ground floor space, also the Postal Telegraph company, the Child-Cole company of bedress and the backer of the form started by the owner of the Kenyon broken hotel shop

The taking of testimony in the condemantion proceedings began this morning, with Atty, Benner X. Smith, and Frank B. Stephens representing the Minor Building company, and Atty, A. J. Weber representing the Swenson interests

stantly killed by Gilbert Workman. The trouble, as near as can be learned, arose over a sum of money due to Workman by Griffin. They met on the street when Workman demanded pay-ment from Griffin. The latter stated that he did not have the money to ply just then, and as far as known there were no further words when Workman drew his revolver and shot Griffin twice, death ensuing within a few minutes. The condemnation suit was filed Sept 12 and is for land desired upon which to extend the federal building.

ENGINEER AND FRIEMAN KILLED

Little Rock, Ark, Dec. 4.-Passenger train No. 43 on the Rock Island is re-borted wrecked at Kerrs, 12 miles from this city, this morning. The engineer and fireman were killed. It is reported to massengers were killed.

Fourteenth cavalry the descritons amounted to 21.18 per cent of the whole number of enlistment contracts that might have been terminated by deser

Boise barracks, Idaho, enjoys the notoriety of having the most desertions of any post, the number reaching 16.5 per cent, while Fort William Henry Harrison, Montana, Fort Brandt, Michigan, Fort Duchesne, Utah, and Fort D. A. Russell, Wyoming, proved unattractive in the order enumerated.

Gen. Answorth points out the sig-nificant fact that of the white troops, 4.75 per cent were reported as deserted, while only 0.57 per cent of the colored men in the service deserted.

NIGHT PASSED QUIETLY

Port au Prince, Dec. 4.—The night passed quietly in Port au Prince, There were no disorders of any kind and hopes are entertained that normal conditions will geen be restored will soon be restored.

America, Great Britain, Japan and France, contend that a ship should make but one visit to a neutral port and be given only sufficient coal to carry her to a home port; the other powers, however, hold that a ship

should be allowed to visit a neutra port and fill up with coal as often she can. IN PORT AU PRINCE A number of other questions, largely technical, also will be considered

ONE OF CHICAGO'S BEST TEACHERS IN TROUBLE Chicago, Dec. 4 .-- Miss Grace Reed,

principal of the John Drake school, is looked upon by the school authorities as one of the ablest educators in the city, but she will lose her job' if the Chicago Woman's Christian Temper-ance union has its way. But she will not lose it if President Schneider of the board of education, can prevent it. In a speech delivered hast Sunday at a suffrage meeting held in the fine arts building Miss Reed declared that a sa-loonkceper of good character should re-ceive as much consideration as a busi-ness man, as a baker or a banker. The prohibition sections of a city, she add-ed, are dead sections, being crippled in one of their legitimate arteries of busi-ness. These remarks did not please the tem-

These remarks did not please the tem-perance women. On the contrary, it aroused their wrath to such an extent that a special meeting was held yes-terday at the union's headquarters in the woman's temple. A resolution was adopted and a copy was sent to Presi-dent Schneider of the board of educa-tion, condemning Miss Reed's speech. San Francisco, Dec. 4.—A part of the cargo of the United States army trans-port Buford, which sailed for Manila today, consisted of 355 boxes shipped by the mint here, containing \$1,300,000 to the boar silver works for the Phillies

CONGESTION IN CITIES.

Chicago, Dec. 4 .- That Chicagoan should enter into a movement to re-lieve congestion by sending alien immigrants from the city to the country was urged by T. V. Powderly, chief of the United States bureau of immigration, in a noonday address before the members of the Hamilton club yesterdav 'Immigrants looking for work in Chi-"Immigrants tooking for work in Chi-cago could do well in the country," he said. "Chicagans should help to find places for them away from the city. We are responsible for them until they are able to make a living for themselves. We must remove the idle from the cities. While they remain in the congested parts of the country they furnish a menace to industrial

zuela.

Willemstad, Dec. 4.-Three Dutch warships, the battleship Jacob Van Heemskerk and the cruisers Friesland reemskerk and the crugers Friesland and Gelderland have made a demon-stration against Venezuela. Together they steamed yesterday along the coast from Puerto Cabello to Laguaira at a distance of 3,000 yards from shore. distance of 3,000 yards from shore. The Jacob Van Heemskerk returned here this morning. The two cruiser are going to Maracaibo, where they will make a similar demonstration.

GENEROUS BEQUESTS MADE TO CALEB CHASE'S EMPLOYES

Boston, Mass., Dec. 4 .- A will which contains many public bequests and provides for practically every employe of one of Boston's largest business houses was made public last night in the document left by the late Caleb Chase, a wholesale grocer. The gifts aggregate more than \$300,000. To certain members connected for many years with the firm is given \$2.000 each; to the 53 traveling sales-men \$1,000 each; to the members of men \$1,000 each; to the members of the sales and office departments \$500 each; to members of the shipping de-partment and factory \$200 each; to widows of four deceased salesmen \$500 each; to the people's palace, Salvation army \$15,000. A bequest of \$10,000 each is made to 10 local chartiable institutions and 10 similar

vis to the doctor's office during the

afternoon. She told of her visit the doctor's office at night during which Davis came. In the meantime the doc-tor showed her a bottle of poison which he said he was preparing for Davis who, in exchange for it, was to kill Dr. Rustin.

During Davis' second visit to the office, but while he was temporarily absent from the room, witness said she tried to dissuade Dr. Rustin from dy-ing, but he declared that it must be that night.

that night. She said Dr. Rustin explained to her of his intention of ending to Davis in the vicinity of his home. He left the office after 9 o'clock that night going to Mayor and Dillons' drug-store and later walking on Farnem street near Sixteenth waiting for Dr. Rustin. She saw the lefter approach accompanied by Davis who boarded a west-bound car, after which Dr. Ruswest-bound car, after which Dr. Rus-tin joined her and they walked to Fortieth and Farnam ser est) the way Dr. Rustin told her his plans

vere all made. Arriving at Portieth and Parnam treets she saw Davis standing on the idewalk.

streets she saw Davis standing on the sidewalk. Dr. Rustin here left her for his home which was near and she short-ly afterward took a car for her board-ing house. Before leaving her Dr. Rustin told her to wait a little while and if he found th t Davis would follow he would return to her. She did as directed, taking the third car that came along. She went to Clara Gleasons place at Twelfth and Doug'ass streets, wher she lived, and telephoned twice to Dr. Rustin's home and was told that he was not at home. She arrived at the Gleasen home about 20 minutes after m dnight. After five o'clock next morning she called the Rus-tin home right, burt did not learn of the shooting until she read it in the newspapers later. Here the witness was turned_over to the defense and the cross exam-ination began.
