THE EVENING NEWS GEORGE Q. OANNOT BDITOS AND PUBLISHER. Thursday, . Becember 19, 1872.

Ous Wyoming peighbors, it appears, are going to have a grand pow-wow over President Grant's proposal to disintegrate that Territory an I restore Its component parts to the adjoining Ter. ACCORDING to some reports the citizens

really the case, so far as it is concern- glad of any government. so long as it is ed, neither the continuation of the Ter- a strong government, insuring a tolerathan the implied disgrace of failure to thereof, to make. It indicates an organization the form of local govern- among those who rule, a most vicious

organically recorded in the public ar- jutely fatal to all sorts of representative chives. Still the probability of an early or constitutional government, unless State government for Wyoming is not encoked is its mad career. at all promisiog, and it might not come, as President Grant suggests, within the lives of many living statesmen.

However, we distinctly wish our Wyoming neighbors to understand that although some pertion of their Territo- the worst phases of a conquered counrial domain was taken from Utah with- try. Her condition is sufficiently sad out the consent or wishes of her citisens, or even the asking or consulting every person in the Union who wishes thereof, still we hear of no Utoniane his country well. It is to be hoped who desire the disintegration of Wyo- that during the present session of Conming. On the contrary most of them, we have no doubt, would just a soon see that Territory increase in prosperity and in the number of her inhabitants until she is able to assume and maintain a State organisation, and enjoy any amount of prosperity thereafter.

THERE are two items in late news from the East, of considerable importance to the public and to postmasters-one that the House committee on postoffices and post roads is adverse to and will report against the decision of the postmaster general that mail matter, not properly prosperity. prepaid as required by law, shall be

chargeable with double postage; and

the other that the Postmaster General By latest dispatches it seems that Coldecides that postmasters shall be held fax has not accepted the editorship of responsible for registered letters in the New York Tribuns. their hands. If the public pays for the registering of its letters, they should be

Under such a regime official business would go on like clockwork, virtue would be honored and rewarded, vice would be discountenanced and punished, and a wonderful advance would be made towards the inauguration of that good time coming, which don. This was interrupted by the arunder current conditions sceme indefi-nitely postponed. So far as President go to London. He has had no oppor-Grant inbors to this desirable end, he is tunity to protect himself against the to be unstintedly commended and hear- charges which have been made upon tily supported.

ritories whence they were originally of New Orleans, many of them, have taken. The sentiment of the inhabi- become so sick of the miserable party tants of that Territory is represented to squabbles of the unscrupnious political on arrival of the emigrant train, this

sufficiently protected while in transit. This is due to the public, otherwise why pay the registry fee? But how far postmasters are to be held responsible, Editor Descret News : is a matter for Congress and the postal authorities to de ermine. It certainly seems right that postmasters should be held resp ssible, if not wholly, at least ing the brethron, calling upon gentlein part, for all mail matter that passes men who have visited Utah, attending through their hands, especially that which is expressly declared to be and paid for as of more than ordinary value.

IT is nothing but right to render bonor to whom honor is due, credit to whom credit is due, praise to whom praise is due. This, when of important public concern, no public journal should be Wails E in a Box James C Black concern, no public journal should be backward in deing. For this reason, as well as on account of the fact that the extract conveys admirable sentiments in regard to the public service, we cheerfully publish the following, from the Boston Post, concerning the action of President Grant in taking the decid-ed stand which he did against the form 2 Little and his daughter Clara, Sent the stand which he did against the stand

ed stand which he did against the ring Paul A. Schettler, Thomas W. Jenu-politicians of Pennaylvanis in the mat-ings, visiting and examining the curi osities that have been collected in this ter of postoffice appointment-"Coming directly after his re-clec- quire weeks, perhaps months, to make tion, for which President Grant is re-even a partial examination of the speci

"Coming directly after his re-size tion, for which President Grant is re-minded that he is the special debtor to Pennsylvania, this reported atiltude is quite as commendable as it is remarka-ble. It is an excellent resolution for an administration to start off on pro-trided it is kept up to the end. The promotion of trusty and capable subor-dinates is the very secret of acting faithful service. There is an element of trustworthiness in public office, on that basis, which 'will have an long-diate effect, if not immediately visible, on the character of the public business of that basis, which 'will have an long-diate effect, if not immediately visible, on the character of the public business of the country was transacted on star-are no politics whatevet in the service, this becoming more and more conclusive that is there should be no politics in the considerat ons that govern appointments and promotion. This broader and juster sentiment must begin at some time, and what better than at the open-ing of a new administration, which can-not plead the poor encuse that if has not everything in its hands. The not plead the poor excuse that it has not everything in its hands. The country, regardless of party, will en-thusiastically co-operate with the Pre-sident in his endeavors to bring over the civil service to a better basis; and if this vigorous declension of the officious intermeddling of the Cameron clan is Last an houset beginning on his part, he may count on a popular support in that matter without the slightest visible tinge of partizan feeling."

Nepotism, the pushing of relatives and friends into public offices of trust, Committee this morning traces shares of stock directly to James Brooks other than the fifty held by his son-in-law. regardless of fitness, is one of the most deadly enemies to the public welfare, LITTLE ROCK - Zicharish A. Suow one of the most certain evidences of silted Nichoins C. Gardiner at Benton, only one healthy and commendable rule of choice in the election or ap peintment of a public officer, and that is fitness for the office. All other con-siderations should be cast aside if effi cient service and the public weal are objects desired. Fitness may be held the following statement. exist, the choice should be made deci-sively and in accordance. If they exist need, The strain was particularly great acter, should be allowed to determine, but not otherwise. This is the way to obtain efficient public service, if it is possible to obtain it at all. This is the way to cultivate and increase and per-petuate sourdness and healthiness in the body politic, and a condition of public prosperity which cannot fail to be eminently satisfactory to all good eitisens of all classes, and to be pointed at by them with pardonable pride. Let this principle rule and we shall soon see good and capable citisens, men er mimpeachable integrity and undoubt-ed efficiency, in public places, filling public places as they ought to be filled, as presidents, governors, secretaries, legialators, judges, markings, aldermin, and public servants of every grade.
