The Ladies' Pronunciamento!

While protesting against all the old Dentrifices now in the market, the Ladies[1] with one consent, have adopted the *Sozodont* as the one thing needful to insure the integrity of the teeth and a fragrant breath. d&s-w

GROFF'S PORTABLE FENCE.—Attention is requested to Mr. George Goddard's advt. of Groff's Portable Fence. This fence can be made by any person, is light, portable, strong, durable, and effective, when properly made, can be quickly removed from one place and set in another, or piled up anywhere when not in use. It will be of great advantage where a fence is wanted up quickly, for a temporary purpose, or for folding in a few sheep or cattle for a time, or for protecting any particular portion of a farm or of the farm crops, or for fencing in a portion of land temporarily and quickly for any purpose.

IMPORTANT TO THE TRAVELING PUBLIC.

It is the duty of all persons before starting on a journey to ascertain by what route they can reach their destination with the least trouble, and if there are two or more roads leading to the same point, to decide which is the safest and pleasantest to travel.

We take pleasure in stating, that the CHICAGO & NORTH-WESTERN RAILWAY is the oldest, and several miles the shortest, route between Omaha and Chicago. Within the past two years the road bed has been put in admirable condition, and almost the entire line has been re-laid with steel rails.

The Depot in Chicago is centrally located, and as their trains arrive there thirty minutes in advance of all other lines, passengers can always be sure of making East-ern connections.

Close connections are made at Chicago with the Lake Shore & Michigan Southern, Michigan Central, Baltimore & Ohio, Pittsburg, Fort Wayne & Chicago, Kankakee Line and Pan Handle Routes, for all points EAST and SOUTH-EAST.

If you are going to Chicago, or East, you should, by all means, purchase your tickets on the Old Pioneer Route—

The Chicago and North-Western.

You will find on all through trains Pullman Sleepers, new and magnificent Day Coaches, and the best Smoking and Second Class Cars now on any road in the United States.

Particular information, with maps, time tables, etc., may be had at any of the Through Ticket Offices in the West, or upon personal or written application to J. W. Irons, Ticket Agent, Salt Lake City, A. H. Earl, Ticket Agent at Ogden, or to J. H. Mountain, Western Traveling Agent, Omaha, Neb. or to W. H. Stennett, General Passenger Agent, Chicago. d54

EVENING NEWS.

Tuesday, . October 26, 1875.

Local and Other Matters.

THERMOMETER 62 degrees F in the shade at 1 p.m. to-day. Cloudy.

Names of Missionaries.—In the list of the names of missionaries called last Sunday, and published in yesterday's NEWS, for *Lyman S. Wood* read *Lyman G. Wood*.

Palace Hotel.—We have received a beautiful photograph of the new grand Palace Hotel at San Francisco, with compliments of Bradley & Rulofson, of that city. It is a magnificent building.

Brigham City.—We learn, by private letter from Brigham City, that a large number of the people there were baptized the other day, for a renewal of their covenants, and an excellent feeling prevailed in reference to sustaining the work of the Lord.

Waterworks Progressing.—The pipes on East Temple Street have been laid a distance of over two blocks from a short distance north of Second South Street to Fourth South Street. The excavations on the same street north of where the pipes have been laid will probably be completed to-morrow.

Equally Divided.—The school report of the number of children between the ages of four and fourteen years in Brighton District shows the number there to be one hundred and twenty-two, and discloses the somewhat unusual fact that the sexes are equally divided, sixty-one boys and sixty-one girls.

A Great Conflagration.—It will be seen by western dispatches that the whole of the business part of Virginia City, Nevada, is a thing of the past, having been completely consumed by a great conflagration to-day. The loss of property by this extensive fire must be immense.

Federal Officers in Utah.—Washington, Oct. 22.—It is understood that the President has in contemplation the removal of all federal officers in Utah who hold to the Mormon faith, whether they are polygamists or not. There are several postmasters in Utah, who believe in Mormonism but reject polygamy, and although they are regarded as thoroughly competent, the President is disposed to fill their places with Gentiles.—*Omaha Bee.*

Departure of Missionaries.—The missionaries appointed for Europe at the late Conference, left on their eastward journey this morning, and expect to sail from New York on or about November 3d.

Mrs. S. P. Teasdel, who goes to Europe for the benefit of her health, accompanied by her daughter, travels with the brethren.

Hatching Out.—The large quantity of salmon eggs recently received by Mr. A. P. Rockwood, from the U.S. Salmon Hatching Station, on the McLeod River, Cala., and placed in the hatching boxes at Fish Farm, are already hatching out, about one tenth of them being already in that condition. That is quicker than usual, eleven days, twenty days being considered about the ordinary time.

U. C. R. R. Market Train.—The Utah Central Railroad Company will run a market train from Ogden and intermediate places to Salt Lake City and return every Saturday, commencing Oct. 30, leaving Ogden at 5 a. m., and Salt Lake City at 5.05 p. m. Full fare for the round trip $1.50, intermediate places in proportion. This will be a great accommodation to the country people.

Amputation.—A few days ago a young married man, named Francis Sells, came up to the City from Nephi, his place of residence, to obtain surgical relief for a disease that he had contracted in the knee joint of his right leg. He was attended by Dr. W. F. Anderson, who performed an operation upon the young man, but, in doing so, discovered that the bone was in such an advanced state of decay that nothing but amputation of the limb could be done for the relief of the patient, and consequently, he consenting, the leg was amputated some distance above the affected joint, the operation being successfully performed by Dr. Anderson, assisted by the Doctors Richards, and the patient has been doing very well ever since, all the symptoms being favorable to his recovery.

The patient is staying, until able to remove to his home in Nephi, at the house of Mrs. Macdonald, in the 13th Ward, where he is well cared for. His having, unexpectedly to himself, to undergo the operation of amputation, involving a somewhat prolonged stay in the city, necessarily brings a considerable amount of expense, beyond his present ability to meet, and his case is one that is worthy the attention of the benevolently inclined, his present circumstances presenting a good opportunity for any of his friends so disposed to render him some assistance pecuniarily. He is a respectable young man, who has been in the Territory nine years, having come to this country in the company which crossed the ocean in the ship *American Congress*, in 1868. Subscriptions can be left for him with John Nicholson, at this office, or parties disposed to aid him can call at his boarding house, near the residence of Mr. Joseph E. Taylor.

Meetings, Preaching and Organization.

WILLARD CITY, Box Elder Co., October 24, 1875.

Editor Deseret News:

On Tuesday, the 19th inst., Elder J. F. Wells held meetings at this place—one at 2 p.m., when he spoke to the Saints on the necessity of arousing themselves to action in accordance with the Spirit of the Gospel, and another in the evening, for the purpose of organizing the young men into a mutual improvement association. After delivering an excellent discourse on the necessity for the young people to strive for the faith of their parents and to follow in their footsteps, an organization was effected as follows—Edwin P. Corlon, President; James J. Chandler, 1st, and John J. Ward, 2nd, counsellors; Chas. N. Hubbard, Secretary. Eighteen of the young men were accepted as members, and at a subsequent meeting about twenty others gave in their names.

On Saturday evening, the 23d, President Lorenzo Snow, Elder Samuel Smith, and Bishop Alvin Nichols, of Brigham City met with the brethren here to impart instruction on the principles of the United Order, and to-day we were favored with a visit by Lorenzo D. Young and Robert F. Neslen, missionaries from Salt Lake City.

The Young Ladies' Retrenchment Association, the Relief Society and the Sabbath School are all in a flourishing condition.

There is but little sickness amongst the people here. The earth has yielded an abundance of grain and fruit for our support this season. We are gratified to see our Bishop (G. M. Ward) able to use his arm again, and we have every reason to acknowledge the goodness of God unto us.

JAMES J. CHANDLER.

Biography of Elder H. W. Church.

ST. GEORGE, October 17, 1875.

Editor Deseret News:

Haden Wells Church was born at Franklin, in Williamson County, Tennessee, August 29th, 1817; was baptized into the Church at Nauvoo by the Prophet Joseph Smith, April 5th, 1841. On Oct. 8th he was ordained into the 8th Quorum of the Seventies by Prest. Jos. Young, and was ordained a president in the year 1851 in the same quorum, which position he held during his life time.

In 1843 and 1844 he filled a mission to the Southern States, and after the death of the Prophet was called back to Nauvoo. He, with the rest of the Saints, was driven from his home, and while at Council Bluffs he was enrolled as a member of the Mormon Battalion. He endured the privations of this journey across the deserts and was discharged therefrom in the Fall of 1847 at Salt Lake.

At the October Conference in 1849 he was called to take a mission to England.

In the Spring of 1854 he was called to the United States.

At the October Conference, 1861, he was called to go South, when he settled at St. George. In 1868 he was again called on a mission to the Southern States.

Again in 1875, at the April conference, he was called to the Southern States, and while filling this mission he died September 27, 1875, of typhoid fever, at his old home, amongst his relatives, in Hickman, county Tennessee.

All the above missions he honorably and faithfully fulfilled and died in his field of labor without a fear, being satisfied that he would come forth in the first resurrection. DANIEL H. CHURCH.

Our Country Contemporaries.

Ogden *Junction*, Oct. 25—

The Ladies Relief Society have a social party at Driver's Hall, on the 26th, to obtain funds to build a house suitable for the manufacture and sale of straw goods by the society.

In our perambulations around town we notice a great many signs of prosperity. In all directions we see new houses going up and being finished, ready for occupancy, and a great many heretofore built are receiving additions and improvements generally; all of which we take to mean that the future of Ogden is onward and upward, and no cause, save some great misfortune or a stagnation in business, can, in our opinion, prevent her from becoming, at no distant day, one of the foremost of our mountain cities.

THIS IS THE
MEDICINE OF NATURE
For Destroying and Expelling all Kinds of Worms, Cleansing the Body, Blood, &c.

SYMPTONS OF WORMS.

A few of the most Common Symptoms which indicate the presence of worms:—Changeable Appetite, Offensive Breath, Pains in the Stomach and head, Grinding of the Teeth during Sleep, Pale Face with Hollow Sunken Eyes, Itching of the Nose and Fundament, Irregularity of the Bowels, a Short Dry Cough, Loss of Spirits, Feverishness and Disturbed Sleep, Rising in the Throat causing Sickness, &c.

DO NOT LET YOUR CHILD DIE.

Shall the bud of infant bloom
Soon be hurried to the tomb?
Mother, you with watchful eye,
Do not let your darling die.
Mark the dullness of that eye,
All irregularity;
Mark that paleness, white and deep,
And the feverish fitful sleep,
See the stomach, full and hard,
And the Bowels still debarred,
Mark the spirit, even low,
All bespeaking pain and woe.

SAVE IT—SAVE IT!

Why has your darling never smiled,
The Worm is in your precious child,
And gnaws its vital powers away,
Sinks it to death and dire decay.
Hear then the really welcome sound,
Save it! a remedy is found.
PLANT'S never-failing Powder and Syrup
A cure most sure and speedy make;
Kills the death-worm, and the gloom,
Changes to matchless health and bloom;
It never fails, it never can,
It cures the child, the youth, the man;
It's taken, too, with haste,
Not unpleasant to the taste.
Hundreds who have tried it all attest
It is the cheapest and the best.
Try it—try it—try it—try it—
Every parent now should buy it,
Wait not till another day,
Till every chance has passed away;
Make at once the solemn vow
That you will try it—try it now!
Mother, you with watchful eye,
Do not let your darling die.
