Answer of United States to Communi cation of Germany and England to be Sent Monday.

Washington, Oct. 27 .- From an independent source Secretary Hay has received confirmatory evidence of the reported suicide of Yu Hsiang, the fanatical governor of the province of Shan Si, whose punishment was demanded by the powers for the massacre of a large number of missionaries. This message came from Special Commissioner Rock. hill as follows:

Match Was the Outcome of Rivalry Between English and American Horsemen.

English Horse Was Given 28 Pounds He Won Ealsly, Almost in a Canter - Au Interesting Race.

London, Oct. 27 .- The match race between Mr. L. Neumann's English horse Eager, ridden by Mornington Cannon, and John A. Drake's American horse, Royal Flush, with L. The race was the outcome of the keen rivalry existing between English and American horsemen during the last season and was looked upon as the most interesting turf event of the year in England. The alm of the parties proposing the race was to have a crack nglish horse owned by an Englishman and bred in England, complete with an American horse owned by an American, ridden by an American fockey and trained by Americans in order, it was said, to demonstrate the superiority of one style over the other.
