S.S.S. CURES CONTAGIOUS BLOOD POISON

In no other disease is a thorough cleansing of the blood more necessary than in Contagious Blood Poison. The least particle of this insidious virus will multiply in the circulation and so thoroughly contaminate the blood that no part of the body will be exempt from the ravages of this powerful disease. Usually the first symptom is a little sore or ulcer, insignificant in itself, but soon the blood becomes so contaminated that the mouth and throat ulcerate, glands in the groin swell, hair and eye-brows come out, copper-colored spots appear on the body, and frequently sores and ulcers break out on the flesh to humiliate the sufferer. S. S. S. cures Contagious Blood Poison by purifying the circulation. It attacks the disease in the right way by going down into the circulation, neutralizing and forcing out every particle of the poison, and making this fluid pure, fresh and health-sustaining. The improvement commences as soon as the patient gets under the influence of S. S. S., and continues until every trace of the disease is removed from the blood, and the sufferer completely restored to health. No one particle of the poison is left for future out-breaks after S. S. S. has purged and purified the blood. Book on the home treatment of this disease and any medical advice desired free. THE SWIFT SPECIFIC CO., ATLANTA, GA.

SHAKE IT WELL IN THE BOTTLE

Highly Recommended Home Prescription for Kidney and Bladder Troubles.

TO BE MIXED AT HOME.

How to Find Out if the Kidneys Are Inactive and What to Do to Get Prompt Relief at Small Cost.

A well-known authority states that there are more cases of kidney trouble now than ever before, while recent reports show that more people succumb each year to some form of kidney disease than any other cause. When there is sickness, examine the urine. Rheumatism is only a symptom of kidney trouble. It is nothing more or less than excessive uric acid in the blood, which the sluggish, inactive kidneys have failed to sift out, leaving it to decompose and settle about the joints and muscles, causing pain and suffering; frequently resulting in deformity, often reaching the heart when death ensues.

Pains across the back, frequent, painful and suppressed urination and other symptoms of weak bladder are not the only signs of kidney trouble. Headache, pain in the heart, inactive liver, etc., are but symptoms; the cause of which can be traced to feeble, clogged kidneys.

The physicians for the insurance companies always carefully examine and report on the condition of the urine. It is a certain sign of sickness or health of the human body.

A test of the urine should be made by every man and woman at least once each year. A simple test is to void a small quantity of urine in a bottle or glass and let it stand over night, next morning if there is a reddish brick-dust sediment, or rusty, fleshy substance present, either can suit some reputable physician or take a good vegetable treatment. The following prescription is recommended highly in these cases, and if desirable the sufferer can mix it at home. Any ingredients, which are harmless and inexpensive: Compound Kaffirone, one-half ounce; Compound Syrup Sarsaparilla, three ounces; Shake well and use in teaspoonful doses after each meal and at bedtime. Where any of the symptoms enumerated above are present, good results are sure to follow immediately the use of this simple prescription.

LEHI.

SAD FATALITY.

Little Boy Falls From Horse and is Killed—Three Children Hurt.

Lehi, Utah Co., Oct. 22.—Sunday and Monday were bad days for the children here, as three were injured and one little fellow was killed outright, and his sister narrowly escaped similar fate.

As the children of George Jacobs, who lives just out of town, were coming to school, Gilbert, aged 7 years and 1 month, was thrown from the pony he was riding with his older sister, and died within ten minutes. They were riding a pony which they have used since school began this year. Some one was passing the pony at the time, and ran about 50 yards before they fell, John Gurley, who was in his best field when he fell, heard the crash and ran to the spot. The boy's skull was fractured, but his sister was not injured.

Through being thrown from a horse, Sunday, the 21st inst., a little girl, Mrs. Mitchell of Lehi Junction had her elbow put out of joint and arm broken in two places.

On Sunday the 5-year-old child of Mrs. C. C. Edwards fell from a safe she was swinging on and was seriously hurt.

The infant child of Mrs. James Stoddard Sunday pulled a can of hot water until it tipped and the baby was badly scalded by the contents.

LOST ALL HOPE OF CURING HUMORS

Member of U. S. Ordnance Corps Had Skin, Scalp, and Blood Trouble —For Four Months Tried Various Remedies with No Lasting Effect —Permanently Cured and Says:

"CUTICURA REMEDIES ARE UNEXCELLED"

"About a year ago I was a sufferer from skin, scalp, and blood humors. For four months I used various remedies prescribed to me for their treatment, but they gave only temporary relief and then the distressing blood humors were back as usual. I finally lost all hopes of getting cured of this ailment. But a friend induced me to give the Cuticura Remedies a fair trial. He had been troubled with the same disease and said he had been permanently cured by Cuticura. So I got the whole treatment, consisting of Cuticura Soap, Cuticura Ointment, and Cuticura Resolvent, and after I began the treatment I could see and feel that it was a success. The Cuticura Resolvent is certainly of great value as it cleanses the system of all humor germs and makes digestion easy. I used two complete sets of the Cuticura Remedies and I can say this much, that I was permanently cured by them. I want to say further, that these Remedies are unexcelled in curing the worst forms of skin and scalp humors. S. D. Phillips, Ordnance Corps, U. S. A., Rock Island Arsenal, Rock Is., Ill., Nov. 22, 1906."

Lowell H. Wilder Meets Sudden Death —"Old Hickory" Shuts Down.

Special Correspondence.

Milford, Beaver Co., Oct. 18.—At the Lincoln mine (or States Mining company as it is now called) situated 15 miles from Milford, a sad accident occurred yesterday. A thunderstorm came up suddenly and lightning struck Mr. Lowell H. Wilder, bookkeeper and assayer for the company, killing him instantly. It occurred at exactly 3 p. m., as all the time pieces stopped at that moment.

He was brought here early this morning and will be taken up to Salt Lake tonight, where his body will be prepared and embalmed and shipped to Boston, Mass., where he has brothers and sisters.

The well known Old Hickory mine that has employed so many men of state years ago, shut down for the present on account of the recent drop in copper.

Deafness Cannot be Cured.

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running sound or impaired hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous lining.

We will give One Hundred Dollars for any case of Deafness caused by catarrh that cannot be cured by Hall's Catarrh Cure. Send for circulars free.
