

CHAMPIONSHIP BASKETBALL GAME

Ensign League Season Closes With Brilliant and Fast Contest.

TWENTY-SEVENTH WARD WINS

Defeats Twentieth Ward in Lively Struggle by Score of 33 to 32—Losers Make Fine Show.

One of the most intensely interesting and brilliant basketball games played this season was that last evening in the Twenty-seventh ward hall when the Twenty-seventh and Twentieth ward teams in the Ensign league closed the season in the final championship game. The contest was fast and furious from start to finish, the final score being 33 to 32 in favor of the Twenty-seventh.

At the call of time, Howell of the Twenty-seventh, was throwing a foul, which went true, and the score at that time was tied. Then followed a mad scramble, continued. Within a few seconds Peter Romney of the Twentieth threw a foul and the rosters for that team went delirious with joy, but it was short lived. John Howell of the Twenty-seventh, and the Twenty-seventh were declared winners by the score indicated above.

At the end of the first half the score was 16 to 15 in favor of the Twenty-seventh, but the Twentieth put up a wonderfully game struggle and slowly, but surely, crept up to their rivals until the score was tied. Then followed a mad dash and the contest was decided. In the second half the score was tied twice. The boys on both teams distinguished themselves for brilliant work, it was a case of fair field and no favor.

The teams lined up as follows:

20th Ward	Pos.	27th Ward
P. Romney	1. P.	Talmadge
P. Romney	R. P.	J. Howell
J. Howell	C.	E. Erickson
J. Howell	I. G.	Knowlton

UNIVERSITY STUDENTS IN CROSS COUNTRY RUN.

The first cross country run the University has had for four years will take place Saturday at 2:30 p.m., while the track meet between U. of U. and the U. of S. is to be held.

The runners will start from the usual starting point on the University race track, run one lap around the track, and then run across the campus and down across the fields to Fort Douglas, around the Raptole at the fort, return and finish on one more lap around the track.

Lion Elliott will take the running honors as they make the round of the places.

Three places will be awarded for this event. First place wins a sweater and a similar one awarded the track meet and third place a sweater of crimson, leaving the letters C. C. in white.

No track man who has won his U. in any event will be eligible for entry in the cross country contest, so a large number of new athletes will enter before the public tomorrow.

There will be something over 30 entries in the race tomorrow and as it is open to all students who has not yet been won to the number may be swelled.

Among the most likely runners who will enter are T. H. Johnson, C. Miller, Knowlton, Saltke, Duran, Wolf, Parker, Erickson, H. Johnson, Chamberlain, Baumberger, Price and Layburn.

HAL CHASE, YANKEES STAR FIRST BASEMAN, WHOSE ILLNESS IS BODY BLOW TO TEAM.

The loss of Hal Chase, their star first baseman, who is now ill in Atlanta, Ga., with varicose, is a body blow to the New York Americans. Chase is not confined to his bed, as the malady is of a mild nature, it will suffice to keep him in confinement for a month or so. Chase is one of the greatest ball players developed in years. He plays from the bottom of his big toe to the end of the straw hair on the top of his head. It is not alone his fine playing ability that makes him a figure in the game. There is more to it. His graceful art, spryness and easy manner of making difficult plays appear simple would have earned him a name if he were not a ball player of the first caliber in all other respects. To a wild and uncertain

Infield Chase is a tower of strength. Low throws, high throws, throws to the left and throws to the right all appear the same. If he can't get them with two hands, he stretches to his full length and tries to take them with one hand. Chase was born in 1884, at Los Gatos, Cal., but he now makes home in San Jose. Hall started to play the great game at Alviso, Cal. He made quite a hit as a pitcher some years ago, and it once looked as if he would make a success as a slabman. In 1904 Manager Morley of the Los Angeles club signed Chase, and it was not long before he was the talk of the state of California. At the end of the 1904 season he was drafted by the New York Americans.

The All-Hallows team plays its first game of the season and the work of the boys during the past week causes Coach Harmon to feel as though the same will be chalked on the docket. In view of the fact that the boys have been hard workers and states that the team should win out over the lads from West Jordan. The defeat of the Jordaniens by the Granite team last Friday afternoon has caused the coach to hard work and it is a certainty that the team will put up a much better name against the High school nines.

MURRAY IN OGDEN: READY FOR MEET.

(Special to the "News.")

Ogden, April 15.—W. M. Murray, manager of the Ogden baseball team, has returned from California where he announced he secured 20 horses for the spring meet which opens at the intermountain Fair grounds track on May 1st. Murray says that the cost of horses coming in has been found necessary to erect an additional number of stalls and upon which a gang of carpenters went to work this morning.

If the weather is good there will be about 400 horses here during the meet. On April 22, 100 of the runners from Los Angeles will arrive in the city and for several days following each passenger train will bring several stock cars filled with the bunches.

Prizes will be awarded for the three places. First place wins a sweater and a similar one awarded the track meet and third place a sweater of crimson, leaving the letters C. C. in white.

No track man who has won his U. in any event will be eligible for entry in the cross country contest, so a large number of new athletes will enter before the public tomorrow.

No woman can be happy without children; it is her nature to love them as much as it is the beautiful and pure. The ordeal through which the expectant mother must pass is so full of dread that the thought fills her with apprehension.

There is no necessity for the reproduction of life to be either very painful or dangerous. The use of Mother's Friend prepares the system for the coming event, and it is passed without any danger. This remedy is applied externally, and has carried thousands of women through the crisis with but little suffering.
