Terrible Scaly Humor in Patches All Over the Body-Skin Cracked and Bleeding-Itching Unbearable-Cured by Cuticura in Thirty Days at Cost of \$4.75.

### ANOTHER WONDERFUL CURE BY CUTICURA

"I was afflicted with psoriasis for thirty-five years. It was in patches all over my body. I used three cakes

er? of Soap, six boxes Cuticura Oint-A # るまで

ment, and two bottles of Cuti-cura Resolvent. I bathed with the Soap, applied the Ointment once a day, and took the Resolvent as directed. In thirty

days I was completely cured, and I think permanently, as it was about five years ago.

The psoriasis first made its appearance in red spots, generally forming a circle, leaving in the center aspot about the size of a silver dollar of sound flesh. In a short time the affected circle would form a heavy dry scale of a white silvery appearance and would gradually drop off. To remove the carter them by bathing or using oil to soften them the flesh would be perfectly raw, and a light discharge of bloody substance would coze out. That scaly crust would form again in twenty-four hours. was worse on my arms and limbs, although it was in spots all over my body, also on my scalp. If I let the scales remain too long without remov-ing by bath or otherwise, the skin would crack and bleed. I suffered intense itching, worse at nights after getting warm in bed, or blood warm by exercise, when it would be almost unbearable.

"To sum it all up, I would not go through such another ordeal of affliction for thirty-five years for the State of Kansas. (signed) W. M. Chidester, Hutchinson, Kan., April 20, 1905."
