

BRIEF TELEGRAMS.

Orders have been received at Roach's shipyard at Chester, Pa., to start up next Monday morning.

Heavy rains are falling in the midland districts in England. The water in some places is two feet deep, spoiling the crops.

The jury in the Walkup case, at 4 o'clock this afternoon, returned a verdict of not guilty.

The will of the late Henry W. Shaw (Josh Billings) was filed in the surrogate's office to-day. It bequeaths \$1,000 each to his two daughters and son-in-law, and divides his books, lectures, etc., between his wife and two daughters. He leaves his wife, as long as she remains his widow, all the interest arising out of his investments, and at her death it is to be divided between his two daughters. The market value of the estate is \$93,000.

Mr. Bright opened the campaign at Birmingham yesterday, and was given an enthusiastic reception. He made a speech in which he gave a retrospect of the Tory opposition to the measures of freedom. He regretted that both parties had blundered in their foreign policies, and deprecated fighting with, or annexing Burma. Mr. Bright will speak again to-day.

Adverse reports are current concerning the health of Gladstone. His physician forbids him to speak for more than fifteen minutes at a time. The threatened break-down of Gladstone's health is depressing the Liberals.

The sub-Treasury to-day continued the work of exchanging greenbacks for the outstanding certificates issued by the managers of the Clearing House for subsidiary coin at the time that the banks sold to the Government nearly \$6,000,000 in gold last summer. All of the outstanding certificates except about \$50,000, which were not presented until after business hours, were taken in. The remaining certificates will be bought to-morrow.

Do you Mean Business?

Well, if you have strength to push your business, it is well. But many a man's business has broken down because the man was broken down, and had no push in him. If you want to make a success, build up your system by the use of Brown's Iron Bitters. Mr. W. M. Winfree, of Petersburg, Va., says: "There is no medicine equal to Brown's Iron Bitters for general debility." It cures dyspepsia, enriches the blood and strengthens the muscles.

Public speakers and singers find B. H. Douglass & Sons' Capsicum Cough Drops a sure remedy for hoarseness.
