ING PUBLIC.

It is the duty of all persons before starting on a journey to ascer-tain by what route they can reach tain by what route they can reach their destination with the least trouble, and if there are two or more roads leading to the same point, to decide which is the safest point, to decide which is the safest and pleasantest to travel.

We take pleasure in stating, that the CHICAGO & NORTH-WESTERN RATEWAY is the oldest, and several miles the shortest, route between Omaha and Chicago. Within the past two years the road bed has been put in admirable condition, and almost the entire line has been re-laid with steel ra'ls.

The Depot in Chleago is central ly located, and as their trains arrive there thirty minutes in advance of all other lines, passengers can niways be sure of making East ern connections.

Close connections are made at 'hicago with the Lake Shore & Michigan Southern, Michigan Cenral, Saltimore & Ohio, Pittsburg, Fort Wayne & Chicago, Kankakee Line and Pan Handle Routes, for all points EAST and SOUTH-

The Chariyari Nuisance. - A The Charivari Nuisance. — A large herd of boys made last night hideous with whoops and yells and the beating of tin cans, in the 11th Ward, in front of and around a ling, looks for some deeper influence. — A way, fresh and pure from the snow-capped mountains surrounding, or delighted with the beautiful gardens enclosing nearly every dwelling, looks for some deeper influence or attentional or attention of the path-way, fresh and pure from the snow-capped mountains surrounding, or delighted with the beautiful gardens and pure from the snow-capped mountains surrounding, or delighted with the beautiful gardens and pure from the snow-capped mountains surrounding, or delighted with the beautiful gardens and pure from the snow-capped mountains surrounding, or delighted with the beautiful gardens and pure from the snow-capped mountains surrounding, or delighted with the beautiful gardens enclosing nearly every dwelling, looks for some deeper influence. at the 13th Ward Co - operative large herd of boys made last night hideous with whoops and yells and the beating of tin cans, in the 11th Ward, in front of and around a house where a marriage party was being held. Every one of these youngsters showed they were greatwhile converting the desert waste into an oasis of beauty. Many of the public, mercantile, and private buildings, display a symmetrical regulation in their general design, with fitting proportions and a certain degree of ornamentation, bewart custom is an unmitigated nuisance, that should not be tolerated in any community; nay loore, it is

> An Indefensible Outrage.-We refer to the lynching of the Indian who killed Toland, in Eastern Nevada. The gang of white rufflans who took him from the authorities and murdered him, are precisely the kind who bring Indian wars upon the country by their mingled brutality and cowardice. There this lynching. It was a wanton defiance of law and order, and what significance it has is to teach the Indians that though there may be laws for white men, there are to be none for them. And who is this "Lieutenant" Jaeger, who permits a prisoner to be taken from him by a mob." By his title we suppose him to be a militia officer, but he certainly ought to have known his duty better than to have surrendered the victim upon such a demand.

Will Teach the Spanish Lan-guage.—Mr. G. Trejo, of this City, is desirous, on the first of October, to commence the formation of classes for the study of the Spanish language. The classes will be held in the different Wards if desired, and at such places therein as may be decided to be most convenient by a majority of the members. No class will be commenced with less than ten pupils, and no more than twenty will be admitted to any one class. The terms will be twenty-five cents per lesson to each person. classes for the study of the Spanish

Mr. Trejo is an educated Spaniard, you should, by all means, iard, with a sufficient knowledge of English to impart instructions to pupils speaking that language, and the opportunity now presented to learn the Castillan tongue, one of the most perfect and beautiful in the world, is the best that has ever been presented in this City. Parties Islates.

Mr. Trejo is an educated Spaniard, with a sufficient knowledge of English to impart instructions to pupils speaking that language, and the opportunity now presented to learn the Castillan tongue, one of the most perfect and beautiful in the world, is the best that has ever been presented in this City. Parties desirous of joining these classes.

Subbath Breaking. SALT LAKE CITY. Supt. 21st, 1875.

The authorities of the Church frequently advert, In their discourses, to the fact that many people claiming to be Latter day Saints are Sabbath-breakers, engaging on the Lord's Day in excursions, trips to brewaries, pleasure all who want reliable timepieces.

more unworthy are those encouragers of the evil, who place principle and maybap religious and moral conviction on the altar of Mammon!

The result of our observations in Utah.

300 consecutive nights in San Fran-Quite:

Home Again. — Mr. James A. Thompson, of the Margetts dramatic troupe, called in to-day, bright and smiling. He states that the troupe returned from their northern trip on Sunday evening, after a very pleasant and successful professional visit to the principal cities. crystal streams flowing by the path- row (Tuesday), at 1 p.m.

ly china, glass and silver ware, are seen on exhibition for sale. This indicates a demand, and conseries hold annual fairs or exhibi-tions, maisly agricultural and manufacturing. Utah adds a feament, which is usually the most attractive part of the exhibition, although her agricultural produc-tions and manufactured materials

tions and manufactured materials are equal to the average productions of some of the older sections of the republic. In the art of painting, however, Utah excels all her sister territories, standing on a par with many of the older States. Besides professional artists, men of letters and science have made the city their home, and their influence has much weight in guiding and dimuch weight in guiding and dia proper channel. But the real cause of this vast difference in favor of Salt Lake City over her sister cities of the western plains is traced to certain art influences inculcated in foreign lands. Over

class. The terms will be twentyfive cents per lesson to each person,

Our Country Contemporaries.

Ogden Junction, Sept. 18-William Millard has raised a crop of wheat on Wm. Elmer's farm at Marriott's, which has yielded seventy pounds to the bushel. From Dr. Condon we learn that on Wednesday last Joseph Hedgeworth, while working in Weber Quarry, was terribly crushed by a cave, several tons of granite falling a distance of about a hundred feet and burying him. He lies in a very precarious condition.

Beaver Enterprise, Sept. 16-Yesterday Judge Boreman decided against the city in the Buckner case, and for the city in the Linday case. Both were appealed cases from the Justice's Court, the charge being selling liquor without light and the liquor without liquor with from the Justice's Court, the charge being selling liquor without license. In the former case, the Judge took the view that the brewery, being outside the city limits and receiv-ing no protection from the police and no municipal benefits at all, should not pay a city license; and this, we have no doubt, is the cor-rect view. In the Lindsay case, that gentleman conducting a drink-ing saloon on Main Street, is bound

EVENING NEWS.

EVENING NEWS.

Tuesday, September 21, 1875.

Charles Vivian, author and original singer of the song, "Ten Thousand Miles Away," sung by him over to the unwavering conviction that connection with the Church leads to the unwavering conviction that every man professing to be a latter of Mis. Eliza Richardson, of this city, was riding a horse on Main Street, her brother, a little fellow, went behind the animal and struck it with a whip, causing it to make a sudden jump, when the young girl fell to the ground on her right arm, dislocating the radius and ulna at the elbow. Dr. P. L. Anderson set the bones, and the patient is in a fair way of recovery.

Miles Away," sung by him over 300 consecutive nights in San Francisco, and well known in London, is in town, and will probably appear in a few days at the Theatre.

Periodicals.—We have received copies of the following from Dwyer's book store—"Harper's Monthly," "Hall's Journal of Health," and "Frank Leslie's Budget of Fun," for September; also "Harper's Weekly" and "Frank Leslie's Illustrated," for Saturday next, Sept. 25th.

Theological Class.—Last evening, in the Second Ward, a Sunday School Teachers' Theological Class was organized, with the following officers—
President, William L. Ball; First Vice-President, William Hart; Second Vice-Pesident, George Reese; Secretary, James T. Wilson. The object of the association is to promote the Sabbath school interest in that ward.

Salt Lake City and Art.—The following article appears in the London Art Journal for September:

following article appears in the London Art Journal for September:

"There are few travellers visiting Salt Lake City who do not speak of its beauty, and are not deeply impressed with the substantial, simple, and unpretending order that characterizes the places of the safe Middleten, and the sale proceeded this afternoon, Sheriff Brown having to force open the store door, the company refusing to give him free ingress.

However, the attorney for the company commenced suit to-day to replevin the company's goods attached by the sheriff, and, later, the

knowledge that it would require time only to rise to a city of importance. But the keen observer who walks the spacious tree-shaded streets, listening to the music of will have to hear the case to-mor-
