Persons inquiring for the above letters are requested to state when advertised.

J. M. MOORE, POSTMASTER.

EDITORIAL NOTES.

Fox, the ex-(Humpty Dumpty) clown, is said to be recovering from his lunacy. "Gloves of undressed kid are most popular for street wear." That must be the natural article. An exchange remarks, "Observe the value of a single vote, Ex-Lieutenant Governor Pacheco, of California, gets to Congress by one majority out of nearly forty thousand." Says an eastern contemporary, "The St. Louis hotel disaster is a powerful plea for lodging near the ground floor. That is the lesson and the moral of it." The complaint against the new steam street cars in Philadelphia is not that they are noisy, but that they do not make enough noise, they run so quietly the pedestrians are endangered.

MARRIED.

In the Temple at St. George, by President Erastus Snow, March 29, 1877, Miss Elizabeth R. Sampson, of this City, to Mr. Heary Roberts, of St. George.

DIED.

Of pneumonia, in Cedar City, March 23, 1877, EDWARD CHANCEY, son of Edward and Margaret Parry.

Deceased was born March 14th, 1872; he was a bright, intelligent and affectionate child, being a general favorite throughout this place for his kind, amiable and winning manner. It is a heavy bereavement to his sorrowing parents, who have the sympathy of a large circle of friends.—C.O.M.

In Sugar House Ward on Friday, April 20, 1877, of fever and spinal affection, ROY, son of John and Laura Lund Van Cott, born January 12, 1873.

In this city, April 19th, of pneumonia JOHN HENRY, son of J. H. and Ursula Ruml, aged 2 months.

To-Day, Not To-Morrow.

Procrastination is not only the thief of time, but of health and life. It will not do to dally; for example, with a violent cold—To-day it may be a cold and nothing more, to-morrow congestion of the lungs may have commenced, and in a week the patient may be in a dying condition. "Hale's Honey of Horehound and Tar," when taken in the early stages of all Lung and Throat diseases, is an absolute and unfailing specific. Nothing can supply its place; nothing is needed. A favorable result is guaranteed. Sold by all Druggists everywhere at 50 cents and \$1. Great saving by purchasing large size. Pike's Toothache Drops cure in one minute. deod w

"Old Reliable."

There are many reputed remedies for that very prevalent disease, Chronic Nasal Catarrh, but none which have given general satisfaction and become acknowledged standard preparations, except Dr. Sage's Catarrh Remedy. It continues to enjoy an unprecedented popularity. This reputation has been earned through the permanent cures which it has wrought, having proved itself a specific in the worst forms of the disease. DR. E. L. PLANT:

Dear Sir:—I have pleasure in bringing to your notice an extraordinary cure of fits, which I have suffered for 28 years, and tried all kinds of medical advice, and without any benefit, but after being under your treatment a short time you perfectly cured me; with thanks you may publish this if you think proper.

I remain, sir, yours respectfully, JOHN WILLIAM SCOTT, 20th Ward.

Dr. Price's Special Flavoring Extracts.

These Flavoring Extracts have won their way to public favor from their merits. No housekeeper who has flavored a cake, pudding or cream with Dr. Price's Flavors, will ever return to the use of the cheap Flavoring Extracts that flood the market.

E. L. PLANT:

Dear Sir—I have much pleasure in bringing to your notice a cure of St. Vitus's Dance performed on my nephew after being under you five weeks, and desire to recommend others that are afflicted to come to you without delay. My nephew is 11 years old, and had been afflicted 18 months. Any doubting, a line to me will receive prompt attention. HENRY POINTON, 17th Ward.
