Van Beers, the famous French artist, has agreed to paint a special illustra-

the senate, and sugar was stricken out. The Dingley law authorized the president to make reciprocal agreements on articlés produced in this country, and President McKinley made agreements vith France, Germany, Italy and Portugal that were now in force, so he main tained that those who favored recirocity with Cuba were not untrue to he doctrines of the Republican party because tobacco and sugar, produced in this country, were included. Moreover, he insisted that the hearings before the committee on ways and means showed conclusively that the concessions made on Cuban sugar would not affect the lee of sugar in this country and that he beet sugar industry would not be niured

A reduction of 20 per cent on Cuban sugar, leaving the duty on sugar at \$1.34 per 100 pounds, would not enable ins, after paying freight rates and cost of refining, to compete with beet sugar in Chicago, Kansas City or Denver, which are the principal president, he insisted that there should markets for beet sugar.

He espoused reciprocity with Cuba, helpful to Cuba, but because it would be helpful to Cuba, but because he bewould get an adequate reurn, and in support of that belief he instanced theresult of the reciprocity with Cuba under the McKinley law, from Sept. 1, 1891, to Aug. 27, 1894, Under that law sugar, molasses, coffee and the nombers of the ways and means committee, who, he asserted, have hldes were admitted free, and in re-Spain made concessions on our changed their positions on the products entering Cuba.

results were demonstrated in the fact that our exports to Cuba inreased from \$12,224,888 in 1891 to \$24,-57.698 in 1893. In 1896, after the agreewas abrogated, they had fallen to exports to Cuba were mly \$28,078,702, out of a total of \$65,050,141.
