very bad condition. I was treated by a number of eminent physicians for chronic catarrhal gastritis and dilatation of the stomach, and obtained no relief. I grew gradually worse, my breathing was so difficult at times that I thought I would die. My heart was in very bad condition from poor circulation and pressure of the dilated stomach. I decided it was only a matter of a very short time with me. I was advised to try Dr. Miles' Nervine and Heart Cure, and before I had finished taking one bottle of the medicine I felt like a new being. I took eight bottles of the medicine, and am entirely cured, for a matter of about \$8.00 in the face of two hundreds spent in the two years before without relief." A. D. SLACK,
