Bell Rejected.

WASHINGTON, 25.—The Senate committee on elections by a party vote declared Charles H.Bell not entitled to the seat under the appointment of the governor of New Hampshire Hampshire.

Democratic Caucus Concessions.

A meeting of the democratic joint caucus committee was held last evening, for the purpose of con-sidering the proposition suggested at the meeting of the democratic sidering the proposition suggested at 42od Street, caused by a missidering the meeting of the democratic at 42od Street, caused by a missing suggested at 42od S upon the propriety of adopting the full views of the caucha of Saturday, the result being the determination to reject the proposition of Representative Springer, concerning the army at the polis and ballot regulations. The disposition of the committee favored no affirmative legislation. It was agreed to allow two supervisors who are not, however to possess the right of counting ballots, but only to be present as witnesses at the polls, and they are to be qualified voters at the precincts where they act.

Some Figures for Honey Producers, Kennedy, long identified with the United States census, has prethe United States census, has prepared a memorial to Congress, setting forth his opinions of the imperfections of the new census law. It was laid before the Senate to-day. Kennedy illustrated as follows: For example—From San Diego County alone, in 1876, there was shipped the astonishing figure of one and a quarter million of pounds of honey. In 1877 there went into that county 23.000 colonies of bees, and in one 23,000 colonies of bees, and in one day, September 6, 1878, there were shipped from that port 78 barrels, and reinvigoration. It is splendidly perfumed, from and the most delightful toilet dressing known. vember 10, less than four months, shat one county exported over 1,000 barrels, 14,544 cases and nearly 20 tons. He who would strike out the item of honey could not have known that so great has the interest in this product become that many people in California have from 500 to 1,000 hives, and that known that so great has the interest in this product become that many people in California have from 500 to 1,000 hives, and that

in the first week of January last, landed 100 tens at the London wharf, the product of California. The product of hency has grown to simple illustration of the stupendthe Pacific coast, proclaims londer delegates than any words can the danger of vention. conceding the authority to some future administrator of census
