THE LIVER AND ITS FUNCTIONS.

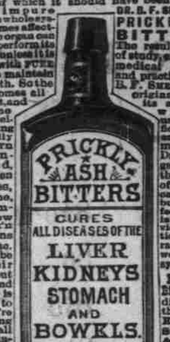
IT has become a well established fact that the larger portion of diseases to which the human family is subject arise in the first instance from some derangement of the Liver. This organ is not only the largest, but at the same time one of the most important, for venous blood, in its returns to the heart, passes through this organ, and in its passage the impurities, as also the secretions which are necessary for digestion as well as for a cathartic to assist in the removal of waste material &c. are eliminated. From this it is easily seen that the Liver is liable to get out of order to a greater or less extent, and when this occurs it is impossible for it to properly fulfil its office of removing all objectionable matter from the blood, but allows it to pass through, carrying with it the poisons of which it should have been relieved.

When the Liver becomes torpid the blood the wholesome becomes affected, and no organ can properly perform its function unless it is supplied with PURE BLOOD to maintain its strength. So the Liver becomes all important, and when one has the feeling of being continually tired, worn out, is constipated, with tendency to Piles, Headache, Sick Stomach, Sallow Complexion, Eruptions of Skin, etc. they may be sure their Liver is out of order, and a remedy is required to assist nature in relieving itself of all accumulations, and restore it to its original Strength and Vigor. For all the complaints of this kind there is no medicine equal to

DR. R. F. SHERMAN'S PRICKLY ASH BITTERS.

The result of years of study, scientific and medical research and practice of Dr. R. F. SHERMAN, its originator, and its success as a Sovereign remedy is sufficient guarantee of its merit.

Drastic Purgatives and that class of remedies called Bitters, but one or two bottles of which is by their violent action to derange and weaken the system.



Prickly Ash Bitters acts directly on the Liver, Kidneys, Stomach, & Bowels, in a mild but effectual manner, and is at the same time pleasant to the taste as any cordial, and is easily taken by children as well as adult.

PRICKLY ASH BITTERS is a medicine purely vegetable in its composition and can be used at all times with beneficial results. It is not claimed as a cure-all, but for derangements of the organs mentioned, it is a specific and as a BLOOD PURIFIER ranks above all other preparations. Ask your druggist for it, and give it a fair trial. If he has none on hand, can have it ordered for you.

CORRESPONDENCE.

Probable Repeal of the Timber Culture, Pre-emption and Desert Land Laws.

Editor Deseret News:

We wish to inform your patrons that the bill repealing the above named laws has passed the House, and will probably pass the Senate during the present Congress. As that body has fixed upon July 5th as the day of adjournment, it would be wise for all those who wish to avail themselves of the privileges granted under those laws to make their entries without further delay. The homestead law is likely to be amended so as to require the claimant to live on the land two years after date of his entry, before he can make final proof, no matter if his residence had been for twenty years, more or less, on the land at the date of entry.

HINTS FROM HEBER.

HEBER CITY, June 24th, 1884.

Editor Deseret News:

Our crops are looking splendid, notwithstanding they are late this season. Thermometer indications were in the nineties last week, which brought the Provo River booming. Last Friday, the 20th, it reached the highest point this season (in Provo valley). The water was level with the stringers of the upper bridge, six miles north of here. Our county officials thought it wisdom to make it more secure with rock, brush and chains.

The county road through Daniels' Cañon, which leads to Uintah and Ashley country, is in good condition, our county having used $1,000 of the appropriation on said road, the other $1,000 is to be expended over the divide further on.

Bishop Thomas Rasband, of the east ward, met with a

SEVERE ACCIDENT,

some two weeks since, which kept him in bed until yesterday. His team and wagon ran over him, bruising him very much. He is mending slowly.

Bishop Forman, west ward, has gone to Daniels' cañon to start up his saw mill.

A Methodist chapel is to be completed in about two weeks from date.

Our meetings are well attended, also Sunday school. The Sunday school martial band will give their first serenade on the 29th inst. Being only 40 days since they received their instruments, I think they have done extremely well.

Everthing is prosperous; good health generally.

We are going to celebrate our nation's birthday with zeal. A committee of 21 has been selected to arrange matters. It is expected that all branches of industry and all professions will be represented in procession.

JOHN CROOK.

TWO DAYS' MEETING.

KAMAS, Summit County,
Utah, June 23d, 1884.

Our annual two days' meetings were held on Saturday and Sunday, June 21st and 22d. They were well attended, many coming from a distance.

President W. W. Cluff with his Counselors, Alma Eldredge and Ward E. Pack, members of the High Council, Bishops from other Wards were present, who cheered us with a great deal of valuable counsel and instruction.

After the afternoon meeting on Saturday, the board of trade met, organized and transacted other business.

The County Central Committee met also and made arrangements for our coming election.

In the evening a concert was given by the Kamas and Coalville choirs, which gave satisfaction to a crowded house. The proceeds were devoted towards the building of the Stake Tabernacle.

On Sunday evening there was a general Priesthood meeting in the schoolhouse, and a meeting of the Y. L. Association in the meeting room.

Singing was rendered by the Kamas and Coalville choirs, which are deserving of praise. A good feeling prevailed throughout, and the whole proved a time of rejoicing.

All who came from a distance seemed to be delighted with our beautiful valley, pleasant situation and salubrious climate. W. W. SELCK, Clerk.

TUTT'S PILLS

TORPID BOWELS and DISORDERED LIVER.

From these sources arise three-fourths of the diseases of the human race. These symptoms indicate their existence: **Loss of Appetite, Bowels costive, Sick Headache, fullness after eating, aversion to exertion of body or mind, Eructation of food, Irritability of temper, Low spirits, a feeling of having neglected some duty, Dizziness, Fluttering at the Heart, Dots before the eyes, highly colored Urine, CONSTIPATION,** and demand the use of a remedy that acts directly on the Liver. As a Liver medicine **TUTT'S PILLS** have no equal. Their action on the Kidneys and Skin is also prompt; removing all impurities through these three "scavengers of the system," producing appetite, sound digestion, regular stools, a clear skin and a vigorous body. **TUTT'S PILLS** cause no nausea or griping nor interfere with daily work, and are a perfect
