# The Woman's Man's Friend.

The mind reacts on the body in a wonderful way. Perturbation of mind and anxiety cause any predisposition to disease to develop into actual disease.

Many a man who has fallen a victim to Bright's disease of the kidneys can trace its first manifestation to a time when he was suffering from a very bad case of indigestion.

What can be done when such circumstances occur to avoid a probably mortal disease?

Why follow the example of thousands who have failed to discover, and take Watson's Safe Cure. It is a remedy that can be relied upon, a remedy that never fails.
