

# REVIEW OF PREVAILING ATHLETIC SPORTS

## TAXICABS TO BE ALL THE RAGE HERE

Salt Lake City Becoming Real Metropolitan in Benzine Buggy Business—Weekly Sales.

Within a short time this season Salt Lake City will take on another metropolitan air when taxicabs will be on the streets ready to transport the belated citizen to his home at the rate of 50 cents per mile per passenger. The taxicab will fill a long felt want and make the hackdriver hustle and perhaps come down in his prices.

These taxicabs are mighty nice little things, run smoothly, rapidly and don't cost much and will come in handy on stormy nights when street cars are not working and you want to go to the theater or home therefrom.

During the week the Consolidated Wagon & Machine company imported five Ford taxicabs and more are coming. Other dealers have some on the market and a deal is under way whereby they will be put into service as indicated above. They are in use in all the larger cities of the United States and wherever in use have become most popular and a real reason why they should not prove successful here.

Among the big sales made during the week was one consummated yesterday at the Studebaker office when a big seven passenger \$4,500 Studebaker car was sold to William H. McIntyre.

During the week C. J. Morris of the Sharmann company sold to J. J. Daly a four-cylinder Maxwell and another one to H. A. Larson, of Pioche, Nev. This machine sold for \$1,900.

The Savage-White company has received three Cadillac 30's. Two of them are sold already and the other will be disposed of before Tuesday. This demand for these machines continues.

Harry Elliott, formerly with the Randall-Dodd company, is now with the Utah Implement concern. He recently returned from a most successful auto trip to Idaho.

Atty. W. R. Hutchinson, Mr. Southworth and Portland Cement company have each purchased from the Utah Implement concern a Model M. White Steamer. These machines have been delivered and are now to be seen on the streets.

W. H. Howell of Ogden has purchased from the Utah Implement concern a Model M. White Steamer. It is a seven passenger 40 horsepower machine. A Model O White Steamer has been bought by Joseph Iredale of Rock Springs, Wyo., from the same concern, and E. L. Sheets has bought an electric runabout.

The Studebaker company has received word that the E. M. P. pathfinder for the Golden Gate road, Denver, O., is in splendid condition and was met there by the Denver Motor club. This car is now on its way to Kansas City via Colorado Springs.

A feature of the game was Morgan's pitching. He struck out seven batters and hit safely only three times during the game.

The U. got its lone run in the fourth when Smith reached first on a force-out and scored on Horne's triple. The Aggies' first score was in the first when Cardon scored on a hit by Webb. In the tenth the winning run was scored in the tenth on a safe hit by Morgan.

## FAST BOWLING FIGHT FOR CHAMPIONSHIP OF CITY

The city bowling championship has been fought for and won, the Crowns having that honor. In last night's games the Crescents made a gallant stand and tried their best to take three straight but lost the third to the Crowns who had won four of the seven games and thus capture the championship. The Crescents took the first with apparent ease and then got away with the second but in the last of the series the Crowns took a stand and won. The scores follow:

The game yesterday afternoon on the high school campus between the Salt Lake and Jordan high school teams was fast and interesting during the first half of the game but after that errors began to pile up and the contest dragged some. The locals won by the overwhelming score of 29 to 4. Gallacher and Treseder did the twirling for the locals and the former allowed but two hits and struck out eight men while Treseder allowed but one hit and fanned six men. The teams lined up as follows:

THREE PRINCIPAL OFFICIALS OF THE UTAH JOCKEY CLUB.

No sporting organization of recent times in Utah is more strongly officered than the Utah Jockey club, whose coming spring meeting from May 22 to July 7 is just now engrossing the mind of the average Salt Lake sportsman. It was the desire of W. H. Gleason, who first brought the idea of giving Utah a thoroughbred turf of superior character to enlist the services and countenance of the best men of the sport. To say that the Utah Jockey club has the utmost confidence in the Utah Jockey club's roster of officers is certainly true. John Condon of this city was elected last February. W. H. Gleason is the treasurer and J. W. Rice is the secretary. Atty. Ben

Johnson is vice president, with W. W. Finn, one of the most notable turf executives in the country, in the office of general manager. The gentlemen who will have the actual racing in control includes the premier at their profession, P. P. Pomeroy, in the presiding steward with Jay Davidson and his associate in the stand, W. H. Hayman will be the clerk of the scales with C. V. Henderson, padlock and patrol judge. The board of stewards includes P. P. Pomeroy, W. H. Gleason, W. W. Finn, J. W. Rice and John Condon. Dr. C. P. Harville of Tindie is the club's surgeon, and Dr. A. S. Kinsley is the official veterinarian. The Utah Jockey club is an integral part of the organization and a worthy one, too. The club will occupy the club

house, Gov. William Spry is the honorary president with Mayor John S. Bransford, honorary vice president. Lester W. Fred is the president with a board of governors composed of Ezra Thompson, Gus Holmes, Samuel Newhouse, A. J. Davis, C. A. Quigley and H. P. Clark. In every way the executive machine in control of the summer's racing at the Fairgrounds is as well poised and balanced as it is possible to make one. All signs point to a splendid period of thoroughbred sport alike a credit to the city as well as the state. This inaugural meeting of the Utah Jockey club is the beginning of a movement which will exploit the charms of Salt Lake's summer climate and in time make of it a "Saragoga of the West."

## PAPKE AND KELLY FIGHT FORTY-FIVE ROUNDS TODAY

Salt Lake City, May 15.—Hugo Kelly and Billy Papke are scheduled to fight 45 rounds at Colma this afternoon in a fourth attempt to settle the question of superiority that has puzzled fight followers for years. In their previous battles Papke was awarded the decision in the first encounter, the second was a draw, and in their third meeting, which was called a draw, Kelly is said to have made the better showing.

With such thorough knowledge of each others' prowess, both men have trained hard for today's struggle, and the vanquished cannot urge lack of preparation as an excuse for inability to go the long route. Both have reduced gradually to the stipulated 155 pounds and apparently without loss of vitality or stamina.

In fact, so favorably has each impressed close observers, that opinion has remained almost equally divided as to their respective merits. Until last night the offers were at even, but before midnight Papke was hailed as the favorite, probably because the German is considered stronger, a harder puncher and better able to fight three hours, should the bout be prolonged to this view the matter, are the contentions of Kelly's backers, who cite his superior cleverness and all-round ring generalship as the pegs upon which to hang their hopes.

In explaining the adverse decision in his first argument with Papke, Kelly says that he broke an arm early in the contest. In regard to the 25-round fight at Los Angeles, which most of the spectators thought was favorable to Kelly, although declared a draw by Referee Jeffries, Papka explains that he was a sick man and the desire not to disappoint the public was all that induced him to enter the ring.

There will be one preliminary, and then at 2:30 p. m., the old rivals will be called upon to settle their dispute.

### LOU DILLON EXHIBITED.

Berlin, May 15.—Lou Dillon, Queen of the American Turf, was shown to the public yesterday at the opening meeting of the new trotting course at Ruhle. It was her first public appearance in Europe. She was driven for exhibition by her trainer, Charles Turner, a short distance only. She was greatly admired by the crowd.

## Col. Applegate on Second Derby and Benefits of Coming U. J. C. Meeting

"I dare say there are few people who realize the wonderful benefits the merchant, the feed man, the grocer, and others will derive from the coming meeting of the Utah Jockey Club," declared Col. C. C. Applegate, between sips from a "New Orleans Fizz" and puffs from a long black stogie as he rested supinely in a big leather chair this morning.

"You know," he continued, "hearing people say they are going to the horse races sounds funny to me. I am used to hear people say 'I'm going to the jockey club meeting,' 'neigh' horse races."

"But, with reference to the benefits Salt Lake will get from the coming meeting I want to tell you something, I heard Marshall Field say, when the Washington Park track closed it would cost him, in loss of sales an amount so great I would hate to see it in print as the major portion of your readers would think I had been hitting the pipe."

"It is a conservative estimate to say that the daily expenditure at the coming meeting of the U. J. C. here will be over \$20,000 per day—all foreign money. The character of the horses here are of the very best, and the field that will contest daily during the season with those of metropolitan tracks around New York."

### NEED OF JOCKEY CLUB.

"It gives me a great deal of pleasure to know that substantial men of Salt Lake are alive to the fact that a jockey club would be a great thing for your city, and I see from the 'News' that Hon. Samuel Newhouse has taken the matter up. I am not acquainted with Mr. Newhouse but from my observations it looks to me like he is a man not given to much talk, but who accomplishes things."

### "PENNY" GOSSIP.

Annis pitches for Salt Lake today and Pender for Butte. The last game with Butte is scheduled for tomorrow.

The Granite High school team defeated All-Hallows yesterday afternoon 7 to 1. Inability to hit La Groan was the cause of the collegians' downfall.

By a score of 15 to 5 the Wasatch boys' basketball team defeated the Jacksons yesterday afternoon in a league game. The girls' Lowell team defeated the Wasatch team 16 to 5.

Balreed, the speedy horse in the Ogden races yesterday, greatly pleased his owner, J. B. Dunn by going a mile in 1:44, clipping three-fifths of a second from the track record. There was some money won on the race as the price against Balreed was 8 to 1.

There were some interesting amateur boxing bouts at the Salt Palace last night. Peanute Sinclair won over Bill Slagg, in two rounds, Joe Clark and Billy Oleson went four rounds to a draw, Slim Gilmore and Mack McNutt put up four good rounds, Gilmore winning and the one with Chalky German and Kid Morris was called no contest.

The intercollegiate track meet is on at Logan this afternoon, and all the teams competing are in fairly good shape and many of the contests will undoubtedly be close and exciting. Utah is a bit weak in the jumps, but Maddock is confident of taking a majority of the points.

The Cullen handicap at six and a half furlongs will be the feature of the opening day of the big spring meeting. The program book for the first seven days is in the hands of the printers and should be off the press Monday. There is considerable interest in the opening event and some of the fastest horses at the track will be entered.

### ST. REGIS CLUB PROGRAM.

Following is the program for the weekly smoker of the St. Regis club at the Auditorium rink on Richards street next Monday evening: Featherweights—Percy Sinclair vs. Young Hermann. Lightweights—Patsy Hogan vs. Eddie Niel, Bobby Robinson vs. Florry Brown. Welterweights—Red Davis vs. Joe Clark. Middleweights—Kid Frazzle vs. Slim Gilmore.

The race drew near Mr. Lorillard shipped Parole with a stable mate and went to great expense in shipping water that Parole had been used to so there would be no change in his condition on account of water or feed.

"On the day of the race it was truly a representative crowd of American gentlemen. Upon the quarter stretch I have seen such men as W. S. Barnes, and his boon companion, that debonair southern gentleman James Crawford, Phil J. Dwyer of Brooklyn, Leonard Jerome of New York, P. Lorillard and his brother George, known as 'Prince George,' and many others."

### HISTORY OF VAGRANT.

"Parole was defeated by an accidental horse, Vagrant, with Creemore second, owned by Williams & Owens, and Harry Hill third, time 2:38 1/4."

"I suppose a brief history of the winner of the second Kaintuck dabby would be of interest to old time devotees of the turf. Vagrant's dam was Lazz, property of M. H. Sanford of his stud and used her as a wimp horse on the farm, and during the absence of the stud groom one of the boys bred her to Virgil, the rearing Vagrant, and at the annual sale Vagrant was knocked down to the bid of T. J. Nichols for the nominal sum of \$200 or less. After winning the dabby Vagrant was sold to one of the Astors of New York for \$10,000 which in those days was considered a phenomenal price for a gelding."

"Mr. Astor bought Vagrant with a view to winning the Centennial dabby with which, if my memory serves me right, he was successful in Parole, in a few years, proved one of the greatest race horses of the decade, winning many classic events in America and was shipped back to the native land of his imported sire, being Vagrant, and in England as the 'Black Ghost' Parole won a number of handicaps in England and was brought back to America by Mr. Lorillard and he again defeated some of the best horses in his native land. He, being a gelding, was consigned to a life of ease at Mr. Lorillard's farm near Jobstown, N. J."
