#### WANT SECRETARY WILSON.

It is expected that Hon, James Wilson, U, S, secretary of agriculture, will be in Salt Lake City in January next. His anticipated coming is in response to an invitation to attend the next convention of the National Live Stock as-sociation to be held in this city. Secretary Wilson has been regularly invited to attend these meetings every year, but heretofore has found it impossible to be present because of the fact that Congress was in session and needed watching. It is hoped that now he will find some way to be present at the meeting in January and salow the stockmen to get acquainted with him; although they appreciate his efforts for the West, and would not have him leave his post of duty at a critical moment

#### THE DOUGALL RECITAL. Highly Pleasing Effort on the Part of the Popular Vocalist.

The musical recital given by Mr. Hugh Dougall at the Ladles' Literary club yesterday afternoon, was one of the most notable entertainments yet held at that place.

The recital was given in the interest of the club and an admission fee was charged, which resulted in netting a neat sum, the event drawing out a large audience, which nearly filled the hall. The program rendered by Mr. Dougall was delightful from beginning to end, the range of tone and sentiment comprised in the ten selections given being suffi-cient to show the splendid quality of the artist's voice and the fine training which has helped to develop it. Mr. Dougall was for some time a pupil of B. B. Young, who entertains a high opin-B. Young who entertains a high opinion of his musical gifts. The favorites of the recital were 'Little floy Blue,"

## WILL TAKE NO CHANCES.

L. D. S. College Authorities Take Special Precautions Against Smallpox.

The officers of the Latter-day Saints' College do not propose to take any chances on unnecessary exposure of students to what the health authorities have declared smallpox. Four students have been affected. Two, Students Meade and Frewer, are residents of Salt Lake, while Mr. Parkinson is from Ida-ho, and Miss Parrish is from Centerville. In consequence of these cases, the college authorities decided to dismiss school for a day, to fumigate the build-ings. The effects of formaldehyde gas therefore operates in the college home today, and tomorrow morning, when school resumes, all will be thoroughly prepared for the students. Besides this precaution, all students who have been immediately associated with either of ed to remain away from school till the taken are affected very lightly with the

### TAKEN FOR BURGLARS.

Peculiar Situation a Couple of Cache County Visitors Found Themselves in.

H. P. Hansen and Orson Wilson of Cache Valley, were somewhat surprised last night to be taken for burglars. They were guests of William Cooper of 408 south First West, and at bed time last night the young men returned to the domicile of their friend, to retire. The family was away and it was some time before the visitors located the key to the front door. Then they entered and quietly went to bed, Ed, Wallace, a young man who resides near by, saw the men walking around

the house, and supposed they were bers. He telephoned for the police and soon the noisy patrol wagon arrived on the scene, with Officers Lincoln and Pack on board. The officers found the "burglars" enjoying the slumbers of the just, and realized that it was a "goak." But the residents of the house must find a new place for the key, since it is now known where it was left for the convenience of the visitors,

#### SALT LAKE CITY ANSWERS. Opposes the Petition for a Writ of

Injunction.

The petition of Joseph Geoghegan, receiver of the Jordan Narrows Electrical Power company, asking that the municipality of Sait Lake be enjoined from preventing the water from flow-ing from Utah lake into the Jordan river for storage purposes, was answered by Attorney F. Stephens, on behalf of the city, yesterday. The answer sets out that the city and the various canal companies have a right to store the water and alleges that the plaintiff company has acculred no rights in the Utah lake. The necessity or storing the water is also blended and the answer concludes by praying for the dismissal of the petition for an infunction and asking that the city and canal companies be decreed to have the right to store the water in the lake to a depth of at least thirty-nine and one-half inches above low-water mark.
