If the stomach is inflamed or dyspeptic, the blood does not get the food it re-quires. If the blood is watery, if it has accumulated poisons, every other organ of the body will suffer-heart, liver, lungs and kidneys. Treat the stomach first.

What is needed is an alterative extract like Dr. Pierce's Golden Medical Discovery, made of roots and herbs, without the use of alcohol, that will assist the stomach in assimilating or taking up from the food such elements as are required for the blood, also an alterative that will assist the liver into activity and cause it to throw off the poisons in the blood.
