MORE LOTS IN East Waterloo

At the remarkably low price of \$150.00 per lot, one half acre, time after the regular \$125.00 per lot, better times are in sight. A better feeling has never been. The cost and better returns MUST be appreciated. Outside capital will seek Utah investments; and large irrigation companies are now formed, and thousands of acres of rich land will be reclaimed—thousands of new homes will be added to our Territory. Utah is in its infancy, her population will rapidly increase, wealthy people are seeking our sunny climate for homes, they are pleased with the beauty of our surroundings and the enterprise of our people. Strangers appreciate our advantages, why should we not?

If you will sell we will add more, which space here will not permit.
