PROHIBITION REVOKED

Political Muddle in Garden City

Threatens to Defeat Will

Of People.

(Special Correspondence.) PROVO, Nov. 8 .- It is yet uncertain

whether the Independent citizens will

begin a contest to oust the fusion-Re-

publican and Democratic councilment

on the grounds that the fusion was llegal. The state law depended upon

to sottle the case seems to be capable of several interpretations. The inde-pendents have offered a "compromise."

viz, that the present council repeal the ordinance which goes into effect Jan. 1. 1919, and closes the saloon, in which

This the present council is not will-ing to do, for several reasons. First, the vote shows the majority of Provo's cilizant in favor of prohibitor; second a big majority of the council are per-

sonally very much in favor of prohibi-tion, and are in favor of trying it, even with the opposition elected on a

license platform, believing that the platform pledge of the Independents to enforce all the ordinances should be tried; and thirdly, for the reason that the pledge made with other cities in the county to enact prohibition ordinances made at the line of meetings of city

inade at the time of meetings of city officers held here last summer, and which have been carried out by other cities, would be violated by Provo re-
