LAST NIGHT'S DISPATCHES

EASTERN.

Smuggling in Alaska.

WASHINGTON, 14.—The Secretary of the Treasury writes to the Secretary of War, in response to a communication from the war department on the 11th of February, covering a copy of a letter of Captain J. B. Campbell, of the fourth artillery, on the subject of smuggling in Alaska, and recommending that a revenue cutter be stationed in the waters of that country. Secretary Bristow says that the treasury department has not at its disposal a revenue vessel that can be assigned to permanent duty in Alaska, but the steamer Woodcock, stationed at Port Townsend, W. T., will be ordered to make occasional cruises in those waters, with a view to remedy the evil complained of.

Mail Contract Brokers-Consul.

The Post Office department is in receipt of information that the parties who have secured contracts for a large number of mail routes in the Western States, are systematically offering to sublet them, thereby assuming, in effect, the position of mail route brokers. One party in Kansas has sent out postal cards, inviting agents to sublet specific routes, and stating in a printed postscript that he has sixty-five routes to dispose of, and will send contracts on application. The department has taken steps to break up this business.

The President has appointed Lyman Dyer, of Tenn., consul at Odessa, Russia.

Dismissed.

All the clerks of the Post Office implicated in the recent mail frauds have been dismissed by the Postmaster General.

Miners Strike.

WILKESBARRE, Pa., 14.—The miners of Lehigh and Wilkesbarre Co. are fully determined not to resume work unless their demand for an advance of ten percent is granted. There are 10,000 men of this county alone idle, and several thousand more private operatives who are waiting the action of the company and miners. No outrages of any kind have been committed, and there are no fears of any in this section at present, unless there is an effort to force upon the miners a strike on application at all hazards. Business is badly prostrated throughout the valley on account of the long continued strike.

Eight Men Drowned.

NORFOLK, Va., 14.—During a heavy squall last night eight negro men from Gloucester Co. were drowned by an ox-bow boat capsizing.

Wool.

BOSTON, 14.—There are no new features in the wool market. The demand is steady and prices unchanged, manufacturers are wanted, and appear to be quite indifferent about anticipating their wants for any length of time ahead. Sales of Ohio and Pennsylvania fleeces have been at 52 1/2 to 53, and coming and Delaine fleeces at 62 to 66. Super grades wool continues in demand, and at 42 to 47, as to quality. Foreign is quiet, and the price of Australian continues to range from 50 to 54, Jobbing at 57 to 60 for cross breed.

Fifteen Inches of Snow.

Ten inches of snow fell here yesterday, and fifteen at Fall River; all the trains from the South and West are delayed.

Centennial Anniversary.

PHILADELPHIA, 14.—The centennial celebration of the organization of the Anti-Slavery Society commenced this morning in Concert Hall. Vice President Wilson called the assembly to order, and, in a short address, stated the object of the meeting, and the history of the society. After prayer, and singing by the Hutchinson family, Dr. Wm. Elder delivered an eloquent review of the career of the society since its organization.

Stage Robbed-Outrages by Apaches.

SAN FRANCISCO, 14.—The stage

from Downsville to Sacramento was

stopped this afternoon by highway-men. Wells Fargo's treasure box was taken, containing fifty-five hundred dollars in gold dust, bars and coin.

Advices from San Diego report Apache outrages in Sonora; three men and a boy with a pack train were attacked March 18th; the men were killed, the boy escaped; the cargo and train were recovered by troops. A mail and escort were attacked on the 15th; the mail rider was killed.

FOREIGN.

GREAT BRITAIN.

Newmarket Handicap.

LONDON, 14.—The Newmarket handicap was won to-day by St. Ledger, Peeping Tom second, Lord Gowran third.

FRANCE.

Captured by Carlists.

HENDAY, 14.—The Carlists have surprised Fort Arpe, near Sanlander, and captured 300 prisoners and four guns.

AUSTRIA.

Wholesale Murders by Turks.

VIENNA, 14.—It is reported that the Turks have murdered 370 Christians in Roumania and Bulgaria during the last three months, and that the names of the victims have been communicated to the foreign representatives in Constantinople.

PRUSSIA.

Transquilizing Assurance.

Berlin, 14.—The government journals give transquilizing assurance in regard to the relations of Prussia with foreign powers.

Speech of Bismarck-Herzog for France.

In the Upper House of the Prussian diet to-day, the bill withdrawing the State grants from the Roman Catholic clergy was debated. Bismarck made a speech in which he declared that since the Vatican Council the Catholic hierarchy were merely the Pope's prefects. He said he was not an enemy of the Catholic church, he warred only against the Papacy, which had adopted the principle of the extermination of heretics, and which was in enmity with the government as well as with the Prussian state.

Agents of the French government have made contracts in Bohemia for ten thousand horses to be delivered next June.
