

## Brigham's Potatoes.

HE IS SENDING LARGE QUANTITIES  
TO CALIFORNIA.

While Brigham Young, through his missionaries, continues to wage war upon the wicked of the world, and invites the penitent to flee to Zion, and the world continues to battle upon his polygamous practices, his industrious, energetic and frugal followers pursue the even tenor of their way, and from the desert which they have redeemed extract not only food for themselves, but even for the obstinate Gentiles whose "Babylonish customs" are their abomination. That wonderful Mormon concern whose motto, surmounted by the All Seeing Eye, is "Holiness to the Lord," and whose unwieldy designation, "Zion's Co-operative Mercantile Institution," the irreverent Gentile abbreviates into "the co-op," is about reaching one of its long arms out to this State to gather in the coin of the realm in exchange for potatoes. That the farmers of Utah can hope to compete with the potato-raters of this state, when the rates of freight are taken into consideration, would seem absurd were it not for the fact that the "co-op" is the parent of an innumerable number of little "co-ops" scattered all through the Territory, and that the whole is connected and blended with the Church government in such a manner as to give the main institution peculiar facilities for gathering cheaply the products of Utah soil.

This is said to be the first speculation—if a Gentile term can be applied to a venture of the inhabitants of Zion—undertaken in this particular community, and it is a bold one. Over 2,000 sacks have already reached this city, and 100 car loads more, sixty of which are on the way, are coming. The potatoes are known as the Neshannock, and it is, of course, claimed that they possess some particular excellence which those of California growth lack.—*San Francisco Chronicle.*

## MARRYING THEMSELVES.

A New York paper gives the following as one of the latest styles of "marriage" without the intervention of a third party, a great amount of which has already been done without any written agreement.—

"The undersigned, this second day of November, A. D. 1875, enter into a business partnership, under the name of Miller & Strickland, on the following conditions, to wit: That all earnings and profits arising from our individual or joint labors, whether in departments of literature, art, mechanics, agriculture, or trade, shall be shared and held equally.

"Believing that the divine principle of love drawing together two kindred souls, is the only binding law in the conjugal union of the sexes, and the only law making right such intimate relations, we are also happy to confess to each other, to God and his angels, and to all the world, the existence of a mutual affection known by that name; and we deliberately join heart and hand in the most sacred of unions, hoping and praying that the tie that binds us may last through life, and survive the grave.

"Should this union be blessed with offspring we jointly and severally pledge ourselves, our assigns and administrators, to foster and support them during the dependent years of their infancy and youth, supplying their physical wants and rearing them in the principles of virtue and knowledge to the best of our ability and judgment.

"This simple form of conjugal union we are constrained to adopt from the deepest conscientious convictions of right and duty; and we sincerely regret that condition of society which, if we would be true to ourselves, makes it necessary for us to oppose the opinions of a majority of our fellow creatures—disregarding the laws and customs which they assume to make for the control of an affection between the sexes, which, we believe is, and of divine right ought to be, free.

"(Signed) LEO MILLER.

"(Signed) MATTIE STRICKLAND.

"CHICAGO, ILL., Nov. 2, 1875."

Dr. Hugh McNeile, dean of Ripon, has resigned through failing health. He preached formerly in Aigburth Church, Liverpool.

There are unmistakable indications that the approaching winter will bring suffering to great multitudes of people. Wages are falling, and thousands are looking in vain for employment. In such circumstances, those whom God hath prospered should begin at once to devise the most efficient plans of relief for the destitute. "Whoso hath this world's goods, and seeth his brother hath need, and shutteth up his bowels of compassion from him, how dwelleth the love of God in him?"—*Christian Union.*

## IMPORTANT TO THE TRAVELING PUBLIC.

It is the duty of all persons before starting on a journey to ascertain by what route they can reach their destination with the least trouble, and if there are two or more roads leading to the same point, to decide which is the safest and pleasantest to travel.

We take pleasure in stating, that the CHICAGO & NORTH-WESTERN RAILWAY is the oldest, and several miles the shortest, route between Omaha and Chicago. Within the past two years the road bed has been put in admirable condition, and almost the entire line has been re-laid with steel rails.

The Depot in Chicago is centrally located, and as their trains arrive there thirty minutes in advance of all other lines, passengers can always be sure of making Eastern connections.

Close connections are made at Chicago with the Lake Shore & Michigan Southern, Michigan Central, Baltimore & Ohio, Pittsburg, Fort Wayne & Chicago, Kankakee Line and Pan Handle Routes, for all points EAST and SOUTH-EAST.

If you are going to Chicago, or East, you should, by all means, purchase your tickets by the Old Pioneer Route—

The Chicago and North-Western.

You will find on all through trains Pullman Sleepers, new and magnificent Day Coaches, and the best Smoking and Second Class Cars now on any road in the United States.

Particular information, with maps, time tables, etc., may be had at any of the Through Ticket Offices in the West, or upon personal or written application to J. W. Irons, Ticket Agent, Salt Lake City, A. H. Earl, Ticket Agent at Ogden, or to J. H. Mountain, Western Traveling Agent, Omaha, Neb., or to W. H. Stennett, General Passenger Agent, Chicago. w1

## AYER'S SARSAPARILLA

For Purifying the Blood.

THIS compound of the vegetable alternatives, Sarsaparilla, Dock, Silingia and Mandrake with the Iodides of Potassium and Iron makes a most effectual cure of a series of complaints which are very prevalent and afflicting. It purifies the blood, purges out the lurking humors in the system, that undermine health and settle into troublesome disorders. Eruptions of the skin are the appearance in the surface of humors that should be expelled from the blood. Internal derangements are the determination of these same humors to some internal organ, or organs, whose action they derange, and whose substance they disease and destroy. AYER'S SARSAPARILLA expels these humors from the blood. When they are gone, the disorders they produce disappear, such as Ulcerations of the Liver, Stomach, Kidneys, Lungs, Eruptions and Eruptive Diseases of the Skin, St. Anthony's Fire, Rose or Erysipelas, Pimples, Pustules, Blisters, Boils, Tumors, Tetter and Salt Rheum, Scald Head, Ringworm, Ulcers and Sores, Rheumatism, Neuralgia, Pain in the Joints, Side and Head, Female Weakness, Sterility, Leucorrhœa or flow from internal ulcerations and uterine diseases, Dropsy, Dyspepsia, Emaciation and General Debility. With their departure health returns.

## HALL'S VEGETABLE SICILIAN HAIR RENEWER

THIS standard article is compounded with the greatest care. Its effects are as wonderful and satisfactory as ever.

It restores gray or faded hair to its youthful color.

It removes all eruptions, itching and dandruff; and the scalp by its use becomes white and clean.

By its tonic properties it restores the capillary glands to their normal vigor, preventing baldness, and making the hair grow thick and strong.

As a dressing, nothing has been found so effectual or desirable.

Dr. A. A. Hayes, State Assayer of Massachusetts, says of it: "I consider it the best preparation for its intended purposes."

**BUCKINGHAM'S DYE,**

For the Whiskers.

This elegant preparation may be relied on to change the color of the beard from gray or any other undesirable shade, to brown or black, at discretion. It is easily applied, being in one preparation, and quickly and effectually produces a permanent color which will neither rub nor wash off.
