RACING AT FAIR GROUNDS.

At the Weber County Fair grounds yesterday afternoon some of the finest horse races seen in Ogden for a long time past took place. The grand spand was crowded to its utmost capacity and several hundred men and boys stood along the fence surrounding the track. The first race was a half mile trot

Safeguard for Children.

Notwithstanding all that is done by boards of health and charitably inclin-ed persons, the death rate among small children is very high during the hot weather of the summer months in the large cities. There is not probably one case of bowel complaint in a hundred however, that could not be cured by the timely use of Chamberlain's Colid, Cholera and Diarrhoea Remedy. Mr. Frank Riggs, of Franklinville, N. Y., in speaking of this remedy said; "I have found it expedient to have a supply of Chamberlain's Colic, Cholera and Diarrhoea Bendy on hand II has Diarrhoea Remedy on hand.
