Each prince was surrounded by his retainers. Outside the amphitheater 13,000 mixed troops were in line, and the British scarlet shone beside mediæval chain mail. On either hand the dais was flanked by a guard of honor, and the background was formed by a majestic line of magnificently caparisoned elephants and camels, with quaint vehicles, a tremendous dust, and a guadily attired multitude in gala costumes. The English correspondents compare the picture in this respect to the turnout of the Derby day. There was a formal flourish of trumpets, and the heralds came forward, the proclamation of the Empress was read in English and Hindostani, and the trumpets blarthe royal banner was given to the breeze; the troops saluted it; the artillery fired thirty-four salvos of three guns each; the infantry a feu de joie thrice repeated, and the massed bands played the national Lytton then read a speech and congratulatory address from the Queen. The anthem was played again, declared the ceremonies finished. Thus ended the grandest spectacle British India has ever seen.

ALLEN'S LIVER PILLS

Regulate the organs of the system, restoring functional harmony and securing the secretion of the proper constituents of each organ. By their action the liver secretes its allotted portion of bile-the lungs carbon, the skin sweat, the kidneys urine, etc., and are always reliable as a purgative.

The aged, and persons subjected to Constipation. Paralysis, and Weakness of the Bowels Kidneys and Bladder, etc., that have to resort to Injections, by taking two or three of Allen's Liver Pills, will enjoy natural discharges, and by the occasiona l use of them have regular operations. In these cases their strengthening and nutritious principles are exhibited; every dose will add new strength to the Bowels, Liver, Kidneys, etc., that may be worn or depleted by age.

In these Pills, a want that science has ever failed to supply is secured, and this is a thorough purgative that can be given in safety in cases of eruptive fevers, as smallpox, Erysipelas, Yellow Fever, Scarlet and Typhoid Fevers. When the Mucous Membrane becomes ulcerated, these Pills act thoroughly, yet heal ulcerated and excoriated parts. They are made from extracts -from new ingredients-entirely vegetable, superior in every respect to the ordinary powders and substances of the common advertised Pills, and have a safe, certain, and uniform action.
