

FAMILY RECORDS.

WE ARE NOW PREPARED to receive orders for FAMILY RECORDS of an approved form.

Each book is divided into four forms. The first form is that of a "FAMILY RECORD," with ruled and printed spaces for births, marriages, and deaths, in each family, also for names, dates, and places, one page accommodating one family.

The second form is a "CHURCH RECORD," with spaces for baptisms, confirmations, ordinations, endowments, and patriarchal blessings and various particulars of the same.

The third form is a "SEALING RECORD," with spaces for names of person sealed, birth, death, time, place, etc.

The fourth form is a "BAPTISM FOR THE DEAD RECORD," with spaces for names, dates, birth, death, baptism, confirmation, etc.

Each book is furnished with a title page, on which the person owning the record can enter his or her name. An explanation of the forms, or instructions how to keep the record is also printed in each book, and its pages are numbered.

These Records are well printed and ruled on good ledger paper, substantially bound in full sheep, English, red, or black. We can furnish them of any size, from one to five quires, or larger, but probably five quires as large as will be desired. We can also furnish the various forms in a record, proportioned to each other to order.

CONGRESSIONAL.

WASHINGTON, 30.—Howe said Spofford charged no fraud against the election, and the returning board before the election committee until November 22, after the attempt to hurry the Butler case was begun.

Hill said Spofford offered to prove his charges in October.

Howe denied this, appealing to the record. He declared that it was impossible for the returning board to commit fraud as for the Supreme Court to commit fraud in giving judgment on an alleged fraud.

Hill reiterated his charges and read a telegram from Harry I. Smith, New Orleans, dated to-day, saying that the returning board had used a false official stamp which he used in influence with the returning board.

Patterson said: In maintaining the Butler title to a seat in Congress, the Senate is recognizing the logic of political events which were not an act of mine. They were moulded by the hand of another. It is unnecessary for me to review in detail the causes that led to the assumed triumph of the democratic party in South Carolina at the last general election.

A free ballot and a free election, might be right. It was not won by any of the just and lawful methods known to an elective system of government. A free ballot and a free election, might be right. It was not won by any of the just and lawful methods known to an elective system of government.
