Developments.

On March 10th the Silver King of Park City will distribute \$100,000 among its fortunate shareholders, while on the Its fortunate shareholders, while on while on 15th the shareholders of the Daly West will take down \$45,000. The total divi-dends in sight for the coming month already amounts to \$150,000. In addition to the above the Mam-

moth is looked for the payment of \$20,-000, though the fact that the mine is

not doing quite so well lately may de-lay it until late in the month. Nothing is known regarding the intentions of the Grand Central directors, though it is the opinion is ventured that owing to the recent purchase of new territory the company will probably pass the

SAMPLES OF UTAH OIL.

From the New Discoveries in Span-

ish Fork Canyon. Five bottles of oil were placed on exhibition today in the windows of the Scott-Strevell company on Main street which attracted a great deal of atten-tion. The oil came from the new oil fields on the line of the Rio Grande Western about 85 miles from Salt Lake City, and the appearance of the refind product cannot help but cause one to feel that in addition to its metal output Utah is destined to attract much atten-tion shortly because of its oil produc-tion. The product exhibited came from Blatz Barbard Stract May Day, of Tintic. Seven cars of concentrates reach the market today from the Ophir Hi the claims of Messrs, George E. Blair and J. B.
